De kruidhofjes D.V. Coornhert, 2023-08-30 Tijdens zijn bewogen leven schreef Dirck Volckertsz Coornhert 1522 1590 vele teksten en voerde hij talloze gesprekken Zijn doel zijn medemens overtuigen van het belang om niet slaafs achter anderen aan te lopen maar zelf na te denken Want elk mens heeft voldoende redelijke vermogens om het leven zelfstandig vorm te geven en het goede te doen De Kruidhofjes bevat twee bundels met dialogen gesprekken die Coornhert zelf voerde of onderweg heeft gehoord De dialogen zijn te zien als medicijnen tegen wat Coornhert zag als de ziekte van zijn tijd onnadenkendheid en religieuze scherpelijperij Enerzijds probeert Coornhert obstakels voor een goed en gelukkig persoonlijk leven weg te halen Hier gaat het vooral om het bestrijden van onbegrip en onwetendheid Anderzijds probeert Coornhert obstakels voor vreedzaam samenleven op te ruimen Dat is de reden waarom nogal wat dialogen ingaan op religieuze kwesties als kerkbezoek de mis en kerkelijke ceremonies onenigheid over deze onderwerpen vormde immers de belangrijkste oorzaak van de heftige onderdrukking vervolging en oorlog in de zestiende eeuw Dit verklaart ook de felheid van veel van de dialogen Discussies over religieuze denkbeelden en gebruiken waren niet zomaar interessant tijdverdrijf voor bij de borrel Het ging ergens om om de waarheid je zielenheil en de inrichting van de maatschappij In 45 dialogen probeert Coornhert zo zijn medemens te motiveren tot eerlijkheid naar zichzelf en verdraagzaamheid naar de ander **Schriftmaatige verklaringe over alle de heilzaame XXVIII. artikelen der Augsburgse Confessie** Johannes Hermanus Manné, 1730

Heiko Augustinus Oberman, 1989 *Luther, mens tussen God en duivel*, 1987 *Luther's Outlaw God* Steven D. Paulson, 2018-09-01 In this first of three volumes addressing Luther's outlaw God Steven D Paulson considers the two monsters of theology as Luther calls them evil and predestination He explores how these produce fear of God but can also become the great and only comforts of conscience when a preacher arrives Luther's new distinction between God as he is preached and God without any preacher absolutely frightened all of the schools of theology that preceded it and for that matter all that followed Luther as well That fear coalesced in various opponents like Eck and Latomus but in a special way in Desiderius Erasmus For Paulson bad theology begins with bad preaching and since the church is what preaching does bad preaching hides the church under such a dark blanket that it can hardly be detected He argues that the primary distinction of naked clothed or unpreached preached radiates out in all directions for Luther's theology and shows what difference this makes for current preaching Specifically Paulson takes up the central question of all theology and life What is God's relation

to the law and the law's relation to God Luther's answers are surprising and will change the way you preach Let God Be God Philip S. Watson, 2000-10-17 How is it possible for God to be God in a world where human beings find it quite natural to live and think as if they themselves stood at the center of things Philip Watson outstanding English Methodist whose scholarly and objective research on Luther is contributing greatly to contemporary Protestant evaluation of the Reformer finds his answer to the question in Luther's Copernican Revolution Copernicus challenged the old theory that the sun moves around the Earth He said that the sun is the center of things and the earth moves around it Similarly Luther challenged the teaching in effect that mortals are at the center of things and that everything moves around them Not so God is the center Without Him humanity is nothing Human salvation lies not in things mortals do but in what God does through Christ His point determines Watson's theme Let God Be God that is let humanity recognize God's will and way Significantly this study of Luther by a non Lutheran indicates the influence of Scandinavian sources in the study and research of Watson In his Preface the author acknowledges assistance from such Swedish scholars as Aul n Nygren Bring and others The first part of Let God Be God evaluates Luther as a theologian and points out the motif of his thought The book proceeds to concentrate on three major themes in Luther The Revelation of God The Theology of the Cross and The Doctrine of the Word Philip Watson writes forcefully with the zeal of one who has made a discovery that he feels must be shared with others His simple literary expression makes clear some profound theological distinctions that are often difficult for the average reader to comprehend Notes on each chapter contain numerous quotations from Luther Those already acquainted with Luther will find this interpretation of his lectures writings and sermons particularly stimulating Let God Be God is significant reading for the student and lay person who wants to know better the theology of the Reformer **Let God Be God!** Philip S (Philip Saville) 1 Watson, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Let God be God! Philip S. Watson, 1948 **The Bondage of the Will** Martin Luther, 2018-01-08 Acknowledged by theologians as one of the great masterpieces of the Reformation Martin Luther's Bondage of the Will was also Luther's favorite work Luther responds to Desiderius Erasmus Diatribe on Free Will with the bluntness genius sarcasm and spirituality that were as much a part of his writing as they were of his colorful personality Luther writes lucidly on the themes of man's inability and God's ability man's depravity and God's sovereignty The crucial issue for Luther concerned

what ability free will has and to what degree it is subject to God's sovereignty Luther's doctrine of salvation pivoted on this key issue Is man able to save himself or is his salvation completely a work of divine grace This work will long remain among the great theological classics of Christian history Bondage of the Will was first published in 1525 eight years after Luther penned his Ninety Five Theses

Luther's Outlaw God Steven D. Paulson, 2018 Volume 3 In this third of three volumes addressing Luther's outlaw God Steven D Paulson invites readers to embark on the deepest hardest most glorious of all God's ways of hiding God hiding a third time in the preached word or sacraments Paulson's grasp of historical theological and hermeneutical scholarship is on full display in this volume but always in service of proclamation of the gospel Readers and proclaimers prepare to be provoked enlightened and inspired

Luther's Outlaw God Steven D. Paulson, 2019-09-03 In this second of three volumes addressing Luther's outlaw God Steven D Paulson uses several biblical figures Ezekiel Jonah Moses David and more to illustrate Luther's understanding of law and gospel and what this means for preaching Paulson shows that the challenge of all preaching is revealing God's actual grace without using the law at all The gospel is what freed Luther from thinking of the world as split into two an obscure world where law accuses and a magical world where the law blesses With remarkable depth and clarity Paulson explores the question Where do we find a gracious God For Luther it was not in the law but only in the publicly executed and hated God Jesus Christ hidden in the cross

Luther's Outlaw God Steven D. Paulson, 2021-02-16 In this third of three volumes addressing Luther's outlaw God Steven D Paulson says that readers will embark on the deepest hardest and most glorious of all God's ways of hiding God hiding a third time in the preached word or sacraments The third time is the charm not because humans finally awaken and get the essence of God God's preached word is not an act of human understanding It is a purely passive experience of receiving God wholly and completely in the absolving word that comes through the lowliest means of a sinful preacher Not only does this word come through a creature to a creature but through a sinner to a sinner The difficulty with grasping all of this is that God works entirely outside his divine law an outlaw God Luther is the one who saw this more clearly than any other because it happened to him just this way The preacher got a preacher and the sacraments that had once been organized by a legal scheme were set free to reveal and bestow God in the most hidden place of all How much more hidden could God be than in water bread wine and the mouth of a preacher Paulson's grasp of historical theological and hermeneutical scholarship is on full display in this volume but always in service of proclamation of the gospel Readers and proclaimers prepare to be provoked enlightened and inspired

Luther's words and the word of God, by the author of 'What sort of man was Martin Luther'. Martin Luther, William Henry Anderdon, 1883

Martin Luther's Hidden God Timothy Scott Landrum, 2022-04-05 The presence of evil in a world said by God to be good is perhaps humanity's most vexing challenge Where is God in all this is a universal cry The answers are as numerous and varied as those offering them but little is accomplished it seems to ease the pain of a God who doesn't behave according to law logic or rationale Into this melee Martin Luther waded with his distinction between God

preached and God not preached and hiding Though not always appreciated Luther's thought speaks to the various dimensions of the problem and proclaims a definitive answer Martin Luther's Hidden God traces the origins of Luther's thought on the matter explores how his teaching compliments and conflicts with the teaching offered by certain post Reformation Lutheran theologians and philosophers of religion before distilling his thought into a preliminary apologetic for the problem of evil and divine hiddenness that spans the breadth of the issue from a uniquely Lutheran perspective The Facts about Luther Patrick F. O'Hare, 1916 Using primarily non Catholic sources O'Hare details assiduously the historic facts about Luther his teachings and the ever splintering disunited Protestant world he fathered The real Luther is exposed through his writings sermons and letters along with the testimony of his pupils close friends contemporaries and Protestant biographers Most of the common beliefs about Luther are blown away revealed convincingly as myths made of the sands of romanticism and propaganda **Luther as a Spiritual Adviser** Dennis Ngien, 2007-06-01 Most Luther scholars have focused largely on the polemical side of the Reformer with occasional allusion to his Devotional Writings in volumes 42 and 43 of the American editions The aim of this book is to unfold the pastoral not the polemical side of the reformer drawing on the spiritual insights he offers to people of high and low estate These writings are devotional and catechetical in shape and intent yet not devoid of rich theological substance the fruit of his rigorous reflections They are the exercises of Luther's basic calling as a theologian pastor and are the concrete illustrations of the interface of theology and piety the former being the abiding presupposition and logical cause of the latter Through them readers are informed not only of the Reformation theology of justification but also introduced to a distinct expression of the Christian faith in which Christ and his cross occupy the centre stage What is noticeable is the one single overarching theme God's ways with people that the Reformer as a spiritual adviser sought to relate to the events of his days such as evils severe afflictions the prevalent lay abuse of the Eucharist He counseled how to meditate aright on Christ's passion prepare to face the terror of death advise the sick rightly approach the sacrament of the altar why and how to pray aright what benefits could be gained from the Lord's Prayer and how to live out a life of discipleship under the cross Ngien's work reveals Luther as a true theologian i.e. theologian of the cross at work in the pastoral context
