To God Alone be Glory Harold M. Daniels, 2003-01-01 In *To God Alone Be Glory* the fruit of extensive study and research Harold Daniels tells the fascinating story of the history of Reformed worship in America from the 1600s to the present He describes the development and objectives of the Book of Common Worship and explores how the book itself serves as an agenda for liturgical reform within the church In a substantive second part of the book Daniels provides the sources of the prayers and other materials used in the Book of Common Worship Persons involved in planning presenting studying or teaching about Presbyterian worship will benefit greatly from having a copy of this comprehensive resource in their personal library

The Mainline in Late Modernity Maren Freudenberg, 2017-12-21 In the last fifty years religion in America has changed dramatically and Mainline Protestantism is following suit This book reveals a fundamental transformation taking place in the Evangelical Lutheran Church in America The ELCA is looking to postdenominational Christianity for inspiration on how to attract people to the pews but is at the same time intent on preserving its confessional liturgical tradition as much as possible in late modernity As American religion grows increasingly experiential and individualistic the ELCA is caught between its church heritage and a highly innovative culture that demands participative structures and a personal relationship with the divine In the midst of this tension the ELCA is deflating its church hierarchy and encouraging people to become involved in congregations on their own terms while it continues to celebrate its confessional liturgical identity But can this balance between individual and institution be upheld in the long run Or will the democratization and pluralization of the faith ultimately undermine the church This book explores how the ELCA attempts to resist the forces of Americanization in late modernity even as it slowly but surely comes to resemble mainstream American religion more and more

The Lutheran Witness, 1974 *Against the Grain-- Words for a Politically Incorrect Church* Steven E. Albertin, 1999 I have always been troubled by a church that is too enamored of the big business of religion and too hungry for the world s applause and approval The church is first of all called to be faithful to the gospel to be a sign of God s

coming gracious kingdom in this world and only secondarily to be a successful and competent institution in this world This book is driven by the fear that the church has too often forgotten the former and succumbed to the latter from the Preface While thoroughly grounded in scripture and sound theology Steven Albertin has a way of contemporizing the message of the gospel making it easy to understand but not necessarily easy to fulfill After reading or listening to one of these sermons you ll be left with a very clear understanding of its central message expressed with such carefully chosen and forceful words that it will not be easily forgotten Chapter titles include What s In It for Me Mark 10 35 45 Baptism and Self Esteem Mark 12 28 34 Breaking the Taboo Mark 12 38 44 Having the Last Word John 18 33 37 No Freudian Slip Matthew 6 25 33 Steven E Albertin is currently pastor of Christ Lutheran Church of Zionsville Indiana He previously served parishes in Indianapolis and Fort Wayne Indiana Albertin has received degrees from Concordia College B A Concordia Seminary in Exile St Louis M Div Christ Seminary Seminex S T M and the Lutheran School of Theology at Chicago D Min
