**Luther's Works** Martin Luther, Jaroslav Pelikan, 1972      **Luther's Works - Volume 17** Martin Luther, 1968-05-10 In discoursing on the second half of Isaiah Luther seems especially concerned about students preparing for the ministry His central theme from chapter 40 The Word of our God will stand forever reappears again and again in his commentary like a bell tolling its purpose Luther probably felt the need to repeat this message first of all for his own comfort He admits If I had known that the world was so puzzlingly evil I would never have begun the task of preaching and writing Concerning Isaiah's message he says These are words of consolation Just hold tight even if you are oppressed and persecuted and your thoughts and conscience trouble you As his faith strengthens and solidifies so Luther encourages his students to hold fast to the same by taking up the work of Christ and warning Beware that you do not neglect the Word It indeed stands firm but it moves and will be given to others Therefore let us prayerfully keep busy with the Word This volume contains lectures on Isaiah chapters 40 through 66 Also available in a set containing Volume 1 30 and Luther the Expositor      *Isaiah Through the Centuries* John F. rather than eternal conscious torment in hell as defended by the traditional view The 3rd edition of this meticulous and compelling book takes a close look at the traditionalist critics and brings an overview of developments in the last thirty years

*The Black Hole in Isaiah* Frederik Poulsen,2019-01-04 Isaiah is strangely silent on the destruction of Jerusalem and the people's deportation to Babylon in the early sixth century BCE Frederik Poulsen demonstrates that the exile hides itself as a black hole at the center of the composition and thereby has a decisive influence on the literary structure poetic imagery and theological message of this prophetic book

*The Five Principles of the Gospel* C. Matthew McMahon,2021-03-09 What are the basic principles of the Gospel that cannot be taken from Christ's Gospel and make the Gospel not the Gospel That is a very important question to answer for on a very basic level what people believe in will determine where they will spend eternity The Gospel of Jesus Christ is bound up in eternal realities that cannot be undone after death if people get the Gospel wrong Do you believe the Gospel This work sets down and summarizes the sum and substance of the Gospel of Jesus Christ What is the sum and substance of the Gospel How would you summarize it Is it simply John 3:16 Is it what the penitent thief said to Jesus on the cross What is the Scriptural data that shows forth enough of the Gospel of Jesus Christ to make it truly Christ's Gospel McMahon answers this question by drawing mainly from the book of Isaiah The Gospel in its sum and substance or the way God was in Christ reconciling the world to himself actually contains a great amount of information the Bible is a very big book However in distilling the Gospel down to its essentials he covers the five principles of the Gospel Principle 1 God exists Principle 2 that God is man's Maker and has made humankind in his image Principle 3 the bad news that all men have sinned in Adam and are under the curse of God Principle 4 God has not left all sinners to perish under Adam's curse but has given sinners the righteousness of Jesus Christ as a garment to cover them Principle 5 God calls and draws thirsty sinners to himself through Jesus Christ freely His five main texts from Isaiah are 40:9 54:5 24:5 6:10 and 55:1-3

*Still Letting My People Go* Jack R. Davidson,2018-07-11 Eli Washington Caruthers's unpublished manuscript *American Slavery and the Immediate Duty of Southern Slaveholders* is the arresting and authentic alternative to the nineteenth century hermeneutics that supported slavery On the basis of Exodus 10:3 Let my people go that they may serve me Caruthers argued that God was acting in history against all slavery Unlike arguments guided largely by the New Testament Caruthers believed that the Exodus text was a privileged passage to which all thinking on slavery must conform As the most extensive development of the Exodus text within the field of antislavery literature Caruthers's manuscript is an invaluable primary source It is especially relevant to historians' current appraisal of the biblical sanction for slavery in nineteenth century America because it does not correspond to characterizations of antislavery literature as biblically weak To the contrary an analysis of Caruthers's manuscript reveals a thoroughly reasoned biblical argument unlike any other produced during the nineteenth century against the hermeneutics supporting slavery

*The Reformation and the Irrepressible Word of God* Scott M. Manetsch,2019-05-28 The Protestant Reformers were transformed by their encounters

with Scripture Bringing together the reflections of church historians and theologians delivered at Trinity Evangelical Divinity School these essays consider historical hermeneutical theological and practical issues regarding the Bible revealing that the irrepressible Word of God continues to transform hearts and minds

**Joseph Ratzinger in Communio: Vol. 1, The Unity of the Church** Pope Benedict XVI, 2010-02-22 Brings together articles by Cardinal Joseph Ratzinger previously published in the North American edition of Communio International Catholic Review

Divine Doppelgänger Collin Cornell, 2020-03-16 The Bible says that YHWH alone is God and that there is none like him but texts and artwork from antiquity show that many gods looked very similar In this volume scholars of the Hebrew Bible and its historical contexts address the problem of YHWH's ancient look-alikes providing recommendations for how Jews and Christians can think theologically about this challenge Sooner or later whether in a religion class or a seminary course students bump up against the fact that God the biblical God was one among other comparable gods The ancient world was full of gods including great gods of conquering empires dynastic gods of petty kingdoms goddesses of fertility and personal spirit guardians And in various ways these gods look like the biblical God Like the God of the Bible they too controlled the fates of nations chose kings bestowed fecundity and blessing and cared for their individual human charges They spoke and acted They experienced wrath and delight They inspired praise All of this leaves Jews and Christians in a bind how can they confess that the God named YHWH was and is the true and living God in view of this God's profound similarities to all these others The essays in this volume address the theological challenge these parallels create providing reflections on how Jews and Christians can keep faith in YHWH as God while acknowledging the reality of YHWH's divine doppelgängers It will be welcomed by undergraduates studying religion seminarians and graduate students of Bible theology and the ancient world and adult education classes

Against Returning to Egypt Jeff B. Pool, 1998 Against Returning to Egypt is study of a doctrinal statement recently adopted by the Southern Baptist Convention The Report of the Presidential Theological Study Committee Using criteria developed from the SBC's historic distinction between confessions of faith and creeds Professor Jeff Pool takes the measure of this doctrinal statement and finds it wanting He argues that the Report represents the greatest theological threat to the denomination in the history of the SBC This threat consists primarily in that the Report intentionally erases the historic Baptist distinction between confessions of faith and creeds and in addition in that it presents and in fact is based upon a radically Calvinistic revision of the SBC's historic perspectives on several central Christian doctrines This investigative study has significance for other traditions and histories during these tumultuous times rightly characterized as times of fundamentalist resurgence The principles motives and aspirations examined here appear not only in other denominational histories but in other political social and cultural realms as well

*A Guide to a Year's Readings in Luther's Works* George Kraus, 1983

**Luther on Faith and Love** Sun-young Kim, 2014-10-01 There has been a distinct tendency in modern scholarship to underestimate Luther's teaching on love by overemphasizing his teaching on justification Calling this tendency into question this volume

advances the thesis that Luther's teaching on faith and love operates as the overriding thematic pair in the dynamics of Christ and the law structurally and conceptually undergirding the 1535 Galatians commentary The research situates itself in the landscape of Luther scholarship via a special attention to Finnish Luther scholars and scholarship The project argues that in the discussion of proper righteousness and holiness Luther's redefined love emerges in harmony with faith His views on Christian freedom the Christ given law of love the twofold way of fulfilling the law and his Christological premises demonstrate the logical rationale for reintroducing love This love designated as a fruit of faith is incarnated in three major relations love toward God toward others and toward self

*The New Covenant Torah in Jeremiah and the Law of Christ in Paul* Femi Adeyemi, 2006 Original Scholarly Monograph

*Philosophies of Work in the Platonic Tradition* Jeffrey Hanson, 2022-03-24 The Platonic tradition affords extraordinary resources for thinking about the meaning and value of work In this historical survey of the tradition Jeffrey Hanson draws on the work of its major thinkers to explain why our contemporary vocabulary for appraising labor and its rewards is too narrow and cramped By tracing out the Platonic lineage of work Hanson is able to argue why we should be explaining its value for appraising it as an element of a happy and flourishing human life quite apart from its financial rewards Beginning with Plato's extensive thinking about work's relationship to wisdom Hanson covers the singularly powerful arguments of Augustine who wrote the ancient world's only treatise dedicated to the topic of manual labor He discusses Bernard of Clairvaux introduces the priest craftsman Theophilus Presbyter and provides a study of work and leisure in the writings of Petrarch Alongside Martin Luther Hanson discusses John Ruskin and Simone Weil two thinkers profoundly disturbed by the conditions of the working class in the rapidly industrializing economies of Europe This original study of Plato and his inheritors ideas provides practical suggestions for how to approach work in a socially responsible manner in the 21st century and reveals the benefits of linking work and morality

*Theological Interpretation and Isaiah 53* Charles E. Shepherd, 2014-04-24 This study brings together the hermeneutical approaches of three Old Testament scholars specifically as they pertain to the interpretation of Isaiah 52 13 53 12 in the framework of Christian theology Contemporary discourse and hermeneutical discussions have led to the development of a point of confusion in theological hermeneutics focusing on what relationship older frames of reference may have with those more recent Bernhard Duhm is presented as a history of Religion scholar who does not easily abide by popular understandings of that school Brevard Childs moves outward from particular historical judgments regarding the nature of redaction and form criticism attempting to arrive at a proximately theological reading of the poem Alec Motyer's evangelical commitments represent a large constituency of contemporary theological readership and a popular understanding of Isaiah 53 Following a summary and critical engagement of each interpreter on his own terms the study analyzes the use of rhetoric behind the respective readings of Isaiah 53 and proposes theological reading as a highly eclectic undertaking distanced from the demarcations of pre critical critical and post critical

*Resounding Truth* Jeremy

Begbie,2007-12 A world renowned scholar and musician helps Christians respond with theological discernment to music

**Oh, That You Would Rend the Heavens and Come Down!** Abraham Sung-Ho Oh,2015-02-26 Historical critical scholars have often thought that writing a coherent theology of Isaiah 56 66 is impossible because it contains such historically and ideologically diverse materials A canonical approach to the chapters is however open to considering Third Isaiah as a complex but coherent theological unity Leaning on this approach Abraham Oh constructs a theology of Isaiah 56 66 Arguing that the theology of Third Isaiah has eschatology both prophetic and apocalyptic at its core he identifies four major themes and explores their significance through four key texts 56 1 8 59 15b 21 60 1 22 65 13 25 The covenant concept 56 1 8 forms a framework for the eschatology in these chapters People are invited to walk in the covenant which is worked out as eschatological salvation The coming of YHWH as the Divine Warrior initiates the eschatological era 59 15b 21 and bringing judgment restores the covenant As the Temple city paradise 60 1 22 into which the nations flow the glorified Zion is the eschatological fulfilment of the covenant Zion and Servant traditions The New Heavens and Earth 65 13 25 is a return to the primordial paradise where the natural world is restored as the problem of sin is resolved **Theologians You Should Know** Michael Reeves,2016-06-14 Whether you realize it or not you are the beneficiary of centuries of careful study and reflection on God s Word The writings and teachings of figures from the past are crucial to what the church believes today But just like intriguing guests of honor at a dinner party these theologians can be intimidating to get to know Introducing you to the lives and thought of figures such as the Apostolic Fathers Justin Martyr Augustine Thomas Aquinas Martin Luther John Calvin Karl Barth and others this book makes the writings of these significant theologians accessible and approachable opening up for you the riches of church history and enlarging your vision of God and his plan for the world
