The Universal Electrical Directory (J.A. Berly's). ,1911 *The Shattered Mirror* María Elena de Valdés,2010-07-05

Popular images of women in Mexico conveyed through literature and more recently film and television were long restricted to either the stereotypically submissive wife and mother or the demonized fallen woman But new representations of women and their roles in Mexican society have shattered the ideological mirrors that reflected these images This book explores this major change in the literary representation of women in Mexico Mar a Elena de Vald s enters into a selective and hard hitting examination of literary representation in its social context and a contestatory engagement of both the literary text and its place in the social reality of Mexico Some of the topics she considers are Carlos Fuentes and the subversion of the social codes for women the poetic ties between Sor Juana In s de la Cruz and Octavio Paz questions of female identity in the writings of Rosario Castellanos Luisa Josefina Hern ndez Mar a Luisa Puga and Elena Poniatowska the Chicana writing of Sandra Cisneros and the postmodern celebration without reprobation of being a woman in Laura Esquivel s *Like Water for Chocolate* **Mexico Today** ,1919 **The Mexico City Reader** Ruben Gallo,2009-09-29 Mexico City is one of Latin America s cultural capitals and one of the most vibrant urban spaces in the world The Mexico City Reader is an anthology of Cronicas short hybrid texts that are part literary essay part urban reportage about life in the capital This is not the City of Palaces of yesteryear but the vibrant chaotic anarchic urban space of the1980s and 1990s the city of garbage mafias necrophiliac artists and kitschy millionaires Like the visitor wandering through the city streets the reader will be constantly surprised by the visions encountered in this mosaic of writings a textual space brimming with life and crowded with fl neurs flirtatious students Indian dancers food vendors fortune tellers political activists and peasant protesters The essays included in this anthology were written by a panoply of writers from well known authors like Carlos Monsiv is and Jorge Ibag engoitia to younger figures like Fabrizio Mej a Madrid and Juieta Garc a Gonz lez all of whom are experienced practitioners of the city The texts collected in this anthology are among the most striking examples of this concomitant theory and practice of Mexico City that most delirious of megalopolises An exciting literary journey Carolyn Malloy *Multicultural Review* *The Mexican Year Book* ,1912 **McGraw Electrical Directory** ,1909 *Johnston's Electrical and Street Railway Directory for 1897* W.J.
