Greneacre's Envoy on Bochas. The daunce of Machabree* John Lydgate, Giovanni Boccaccio, 1923      **Olivier de La Marche and the Rhetoric of Fifteenth-century Historiography** Catherine Emerson, 2004 How reliable are La Marche's Memoires of the fifteenth century Burgundian court Examination of key issues proves their validity      **Byrhtferth's Manual (A. D. 1011)** Byrhtferth, 1929      **Glastonbury Abbey and the Arthurian Tradition** James P. Carley, 2001 The essays in this volume some reprinted in their original form and some

extensively revised are concerned with the Arthurian traditions associated with Glastonbury Abbey. Certain of the essays are analytic and others provide editions of hitherto unknown texts. They all examine ways in which legendary materials and historical facts interconnected in the process by which Glastonbury Abbey came to present itself nationally and internationally as the custodian of King Arthur's relics and the burial place of Joseph of Arimathea and the importance political and ecclesiastical that it derived from the connection. Professor JAMES CARLEY is the author of *Glastonbury Abbey: The Holy House at the Head of the Moors*, *Adventurous* and a past editor of *Arthurian Literature Topics*. *Glastonbury Legends* WATKIN GRANSDEN *Legend of St Joseph of Glastonbury* LAGORIO *Guinevere at Glastonbury* WOOD *Vera Historia de Morte Arthuri* BARBER LAPIDGE *Was Mordred buried at Glastonbury* BARBER *Glastonbury in Welsh Vernacular Tradition* LLOYD MORGAN *Second Exhumation of Arthur's Remains 1278* PARSONS *Abbey Memorial Plate* GOODALL *Arthur's Epitaph* CARLEY BROWN WRIGHT WITHRINGTON *Hardyng and Holy Grail* KENNEDY RIDDY *Henry V and Joseph of Arimathea's Bones* *Holy Cross of Waltham at Montacute* *Excavation of Arthur's Grave* CARLEY *Perlesvaus Wells fragment* *Quedam Narracio de nobili rege Arthuro De Origine Gigantum* CARLEY CRICK EVANS *Glastonbury tablets* KROCHALIS *Relics in 14th Century* CARLEY HOWLEY *The Medieval Alexander* George Cary, 1954 *John Shirley* Margaret Connolly, 2018-12-20

Published in 1998 John Shirley's importance as a scribe of late fourteenth and early fifteenth century vernacular poetry in particular the works of Chaucer and Lydgate has long been recognised. Not only did Shirley bring these works to the attention of a wider audience in his own time but the survival of some of his manuscripts has perpetuated these texts for future generations of readers. Indeed some of these poems are now only known through his manuscripts. In this meticulously researched survey Margaret Connolly makes a thorough examination of all extant documents relating to Shirley's life and carefully scrutinises the physical characteristics of his manuscripts. In so doing she dispels many of the false interpretations that have arisen from speculation about the nature of Shirley's scribal activities. The book concludes that there is no evidence to suggest that Shirley acted as a bookseller but plenty to indicate that he lent his books extensively. This book's survey of volumes owned or used by Shirley provides general insights into the availability and circulation of literary texts in the fifteenth century. Palaeographers and those with a general interest in the history of the book will find this studying fascinating.

**Imagined Romes** C. David Benson, 2019-05-10 This volume explores the conflicting representations of ancient Rome one of the most important European cities in the medieval imagination in late Middle English poetry. Once the capital of a great pagan empire whose ruined monuments still inspired awe in the Middle Ages Rome the seat of the pope became a site of Christian pilgrimage owing to the fame of its early martyrs whose relics sanctified the city and whose help was sought by pilgrims to their shrines. C. David Benson analyzes the variety of ways that Rome and its citizens both pre-Christian and Christian are presented in a range of Middle English poems from lesser known anonymous works to the poetry of Gower Chaucer Langland and Lydgate. Benson discusses how these poets conceive of ancient Rome and its citizens.

especially the women of Rome as well as why this matters to their works An insightful and innovative study Imagined Romes addresses a crucial lacuna in the scholarship of Rome in the medieval imaginary and provides fresh perspectives on the work of four of the most prominent Middle English poets **Memory's Library** Jennifer Summit,2008-11-15 In Jennifer Summit's account libraries are more than inert storehouses of written tradition they are volatile spaces that actively shape the meanings and uses of books reading and the past Considering the two hundred year period between 1431 which saw the foundation of Duke Humfrey's famous library and 1631 when the great antiquarian Sir Robert Cotton died Memory's Library revises the history of the modern library by focusing on its origins in medieval and early modern England Summit argues that the medieval sources that survive in English collections are the product of a Reformation and post Reformation struggle to redefine the past by redefining the cultural place function and identity of libraries By establishing the intellectual dynamism of English libraries during this crucial period of their development Memory's Library demonstrates how much current discussions about the future of libraries can gain by reexamining their past **Dante's Divine Comedy in Early**

**Renaissance England** Jonathan Hughes,2022-02-24 Dante's Divine Comedy in Early Renaissance England compares the intellectual emotional and religious world of Dante in 13th century Florence with that of a group of English intellectuals gathered around Humphrey Duke of Gloucester uncle of the King Henry VI Here Jonathan Hughes establishes that there was a Renaissance in 15th century England encouraged by the discovery and translations of works of Greek philosophers and developments in science and medicine and that vernacular writers in Gloucester's circle such as John Lydgate and Robert Hoccleve were of fundamental importance in exploring the meaning of the self and man's relationship with the natural world and the classical past However the appearance in 15th century England of Dante's Commedia the most popular work of the Middle Ages served to remind writers and readers of the cost of intellectual enquiry the loss of faith in a harmonious and beautiful world the redemptive power of the love of a woman and the tangible presence of an afterlife Engagingly written and meticulously researched this innovative study shines a new perspective on Dante scholarship as well as offering a unique analysis of intellectual thought and culture in 15th century England *The Poetry of John Lydgate* Alain Renou,2019-06-26

Originally published in 1967 *The Poetry of John Lydgate* presents a broad discussion of John Lydgate's secular poetry It reassesses much of the poetry through critical examination and suggests that Lydgate was not necessarily the master that the medieval ages proclaimed him to be nor the plain poet that he is often seen as in modern analysis Instead the book suggests that he was a competent poetic craftsman that presents substantial literary form in his poetry The analysis in the book looks at Lydgate as atypical of the Middle Ages instead exhibiting traits currently linked to the Renaissance The book provides a unique perspective on John Lydgate as a poet and will be of interest to medievalist and literary historians alike

**Chaucer and His Readers** Seth Lerer,2020-10-06 Challenging the view that the fifteenth century was the Drab Age of English literary history Seth Lerer seeks to recover the late medieval literary system that defined the canon of Chaucer's

work and the canonical approaches to its understanding Lerer shows how the poets scribes and printers of the period constructed Chaucer as the poet laureate and father of English verse Chaucer appears throughout the fifteenth century as an adviser to kings and master of technique and Lerer reveals the patterns of subjection childishness and inability that characterize the stance of Chaucer s imitators and his readers In figures from the Canterbury Tales such as the abused Clerk the boyish Squire and the infantilized narrator of the Tale of Sir Thopas in the excuse ridden narrator of Troilus and Criseyde and in Chaucer s cursed Adam Sciveyn the poet s inheritors found their oppressed personae Through close readings of poetry from Lydgate to Skelton detailed analysis of manuscript anthologies and early printed books and inquiries into the political environments and the social contexts of bookmaking Lerer charts the construction of a Chaucer unassailable in rhetorical prowess and political sanction a Chaucer aureate and laureate      **The Romance of Guy of Warwick** Julius Zupitza, 1891

Embark on a transformative journey with Explore the World with is captivating work, **Lydgates Fall Of Princes Iv** .
