*After the Fall* Julie Cohen, 2017-05-02 Give this perfect blend of laugh out loud and heart tugging moments to readers who like complicated realistic relationships joyously rendered like those from Jojo Moyes or Jill Mansell Booklist Starred Review From

the author who brought you Dear Thing Julie Cohen comes After the Fall a poignant beautifully heartbreaking novel about what it means to be family the ties that bind us and the secrets that threaten to tear us apart When an unfortunate accident forces Honor back into the lives of her widowed daughter in law Jo and her only granddaughter Lydia she cannot wait to be well enough to get back to her own home However the longer she stays with Jo and Lydia the more they start to feel like a real family But each of the three women is keeping secrets from the others that threaten to destroy the lives they've come to know Honor's secret threatens to rob her of the independence she's guarded ferociously for eighty years Jo's secret could destroy the normal family life she's fought so hard to build and maintain Lydia's secret could bring her love or the loss of everything that matters most to her One summer's day grandmother mother and daughter's secrets will be forced out in the open in a single dramatic moment that leaves them all asking is there such a thing as second chances *Ritual, Women, and Philippi* Jason T. Lamoreaux, 2013-10-30 As one surveys the scholarship on the canonical letter to the Philippians one notices the lack of attention to women within many scholars' analyses To a certain extent this lack of attention exists because ancient texts often leave out information about women Using ritual studies archaeology and textual evidence this work brings life to the ritual lives of ancient Philippian women in their own cultural context The discipline of ritual studies provides new questions that shed more specific light on the lives of women in this fledgling Jesus group Therefore ritual studies brings clarity to early Philippian women's reception of the letter Furthermore this ritual background helps modern readers visualize a more diverse community of Jesus followers in Philippi and provides a clearer picture of the struggles this nascent Jesus community was experiencing **Checkered Scissors** Douglas Schwartz, 2013-09-21 Four lost souls find themselves stuck in unlikely places a young entrepreneur a swimming pool salesman a collector and a mad scientist Their lives intertwine in an adventure extending between worlds In order to find where they would rather be they search for the one thing that might take them there The Checkered Scissors Grace Across the River Hannah May, 2021-12-03 The grace of God functions subtly and often through very simple human actions For one who will listen for God's voice the result can be miraculous Grace Across the River is about God's grace and how He uses people to reach out and draw us to Him Grace the main character finds herself right in the middle of God's plan for a little town called Riverside where she is led to open a multipurpose shop called The Seven Species In this prophetic allegory there are themes of both the land and people of Israel running throughout but the narrative also focuses on the spiritual realities that the Promised Land represents revealing that the Kingdom of God is real and experiential The book begins with an old key that opens the door to Grace's ancestral home and as the story unfolds it addresses victory over fears emotional recovery and physical healing God is always wanting to restore He wants us to know this and believe it without a doubt *52 More Crafts for the Christian Year*, 2008 Crafts
