A Romance of the Republic Lydia Maria Child, 1867 Lydia Maria Child's fourth novel and the capstone of her remarkable literary career Written shortly after the Civil War it offered a progressive alternative to Uncle Tom's Cabin The novel advocates interracial marriage as an earnest attempt to foster toleration and communication between Anglo and African Americans In constructing the tale of fair skinned Rosa and Flora Royal daughters of a slaveowner whose mother was also the daughter of a slaveowner Child consciously attempted to counter two popular claims that racial intermarriage was unnatural and that slavery was a benevolent institution But Child's target in *A Romance of the Republic* was not merely racism Her characters are forced both to reconsider their attitudes toward white and black and to question the very foundation of the patriarchal society in which they live Joyce and Dante Mary Trackett Reynolds, 2014-07-14 Mary Reynolds studies the rhetorical and linguistic maneuvers by which Joyce related his work to Dante's and shows how Joyce created in his own fiction a Dantean allegory of art Dr Reynolds argues that Joyce read Dante as a poet rather than as a Catholic that Joyce was interested in Dante's criticism of society and above all in his great powers of innovation Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Voices of the True-hearted ...** , 1846 **Familiar Quotations with Parallel Passages from Various Writers** John Cooper Grocott, Anna Lydia Ward, 1884 **The Quaker** , 1920

The academy , 1882 **A Romance of the Republic** Lydia Maria Child, 2014-07-11 A Romance of the Republic published in 1867 was Lydia Maria Child's fourth novel and the capstone of her remarkable literary career. Written shortly after the Civil War, it offered a progressive alternative to Uncle Tom's Cabin. Writer, magazine publisher, and outspoken abolitionist, Child defied the norms of gender and class decorum in this novel by promoting interracial marriage as a way blacks and whites could come to view each other with sympathy and understanding. In constructing the tale of fair-skinned Rosa and Flora Royal, daughters of a slaveowner whose mother was also the daughter of a slaveowner, Child consciously attempted to counter two popular claims: that racial intermarriage was unnatural and that slavery was a benevolent institution. But Child's target was not merely racism. Her characters are forced both to reconsider their attitudes toward white and black and to question the very foundation of the patriarchal society in which they live. *Academy, with which are Incorporated Literature and the English Review* , 1882 Annual Report of the American Tract Society American Tract Society, 1845
