Lyman Mission House ,2007 The Friend Samuel Chenery Damon,1922
The Friend, Or, Advocate of Truth ,1877 *Encyclopedia of Christianity in the United States* George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful

influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture. The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play. This masterful five volume reference work includes biographies of major figures in the Christian church in the United States, influential religious documents and Supreme Court decisions and information on theology and theologians, denominations, faith based organizations, immigration, art from decorative arts and film to music and literature, evangelism and crusades, the significant role of women, racial issues, civil religion and more. The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events. Entries are organized from A to Z. The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography. Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation.
