Mabinis Ghost:

Mabini's Ghost Ambeth R. Ocampo, 1995 History of the Philippines during the Spanish colonialization Mabini's Ghost Ambeth R. Ocampo, 1995 History of the Philippines during the Spanish colonialization *READING THE PARABLES OF JESUS INSIDE A JEEPNEY* Revelation E. Velunta, 2017-11-01 If you've ever driven down the entire length of Aurora Blvd in Cubao or any regular in-city route for that matter you would know how Jeepneys bring a whole new meaning to the word disruptive. They snake through traffic at full throttle and screech to a full stop all while incessantly honking, cutting corners and negotiating with passengers to scoot over and make room so more passengers can board. Most private car owners included will find jeepneys annoyingly frustrating. I am a church worker, see, and I try to keep my cussing at a level minimum, but when I am sharing the road with jeepney drivers, all bets are off. I scream and all hell breaks loose from my mouth. The object of irritation would be the Jeepney and its driver. The apparent lack of consideration for law-abiding motorists like me, the blatant disregard for traffic rules and the thorough abandonment of all good manners and right conduct on the road. So it seems. You see, jeepneys ferry tired day laborers, students, public school teachers, taho vendors, rank and file employees, fast food servers, strangers, and friends back to their homes after a very long day. The Jeepney and its counterpart, the tricycle, is the only reliable means of transport in almost all major thoroughfares in the metro. Jeepney drivers are your salvation when it's monsoon season when you need to get from one end of the street to the other for just 8 Pesos. When you experience the jeepney by virtue of your road encounter from your air-conditioned car with cherry bubble gum freshener and Bruno Mars on Spotify, you will most likely hate jeepneys for everything that they are: annoying, frustrating, disrupting. But if you experience the jeepney as your everyday mode of transport, the rest of the bourgeois world is just one huge shitpile of things and people that make your life more difficult than it already is. Revelation Velunta's *Jeepney Hermeneutics* brings to the fore this contrast of locations. It surfaces a reading that when done from inside a jeepney could breathe a whole new truth into the text. Any text, but more profoundly, the Parables attributed to Jesus of Nazareth. In the era of allegory and standard interpretations and proper driving conduct and road manners, Velunta's *Jeepney Hermeneutics* is a necessary disruption to the ways in which we as faithful Bible readers and law-abiding motorists, capable of doing no-wrong conduct and view ourselves. Reading the Parables of Jesus inside a Jeepney is good news for everyone in the jeepney, which is roughly 70% of the general population in the Philippines. It is bad news for those in the remaining 25% and an absolute horror story for those in the uppermost 5%. And if truth is a matter of statistics, the truth that is preached by Velunta is indeed truest. Those who would feel insulted by these truths will realize by the end of this book that they are exactly that which is wrong in this world and they should quite honestly repent before a Jeepney runs them over by Pastor Kakay Pamaran. Looking Back 5 Ambeth R. Ocampo, 2021-06-18 In this book, besides offering the usual juicy tidbits, he looks back not just at our history but also on his life as an historian, this book being written for his 50th birthday. His introduction alone is already worth the price of admission.
