heritage Brear shows how and why Alamo myths often diverge from the historical facts She decodes the agendas of various groups including the Daughters of the Republic of Texas who maintain the site the Order of the Alamo the Texas Cavaliers and LULAC She also probes attempts by individuals and groups to rewrite the Alamo myth to include more positive roles for themselves With new perspectives on all the sacred icons of the Alamo and the Fiesta that celebrates one version of its history each year Inherit the Alamo challenges stereotypes and offers a new understanding of the Alamo s ongoing role in shaping Texas and American history and mythology
