**Korean War Filmography** Robert J. Lentz, 2016-05-01 The Korean experience changed the way Americans viewed war. The lack of a clear cut victory inspired filmmakers to try to make sense of fighting another country's civil war and risking American lives for an unpopular cause. This filmography details more than 90 English language films. Each entry includes complete cast and credit listings, a plot synopsis, evaluation, review snippets, and notice of video availability. This book places each film in its historical context, assesses the essential truthfulness of each film, and evaluates its entertainment value and discusses how and why Korean War films differ from other Hollywood war genres. Four appendices list the films by chronology, production company, and studio level of historical accuracy and subject and theme. Additional appendices list films with incidental references to the Korean War, documentaries on the Korean War, and South Korean films about the war. Photographs, a bibliography, and an index are included. *TLA Film and Video Guide 2000-2001* David Bleiler, 2025-09-23 The TLA Film Video Guide is the absolutely indispensable guide for the true lover of cinema.
