*Inside Greenwich Village* Gerald W. McFarland, 2005-01-01 A vibrant portrait of a celebrated urban enclave at the turn of the twentieth century     Around Washington Square Luther S. Harris, 2003 A sprawling comprehensive account of the neighborhood's history from 1797 to the present day It is a treasure trove for both the historian and the lover of the Village New York Sun     **The Craftsman**, 1907 An illustrated monthly magazine in the interest of better art better work and a better more reasonable way of living     Year Book of the Architectural League of New York and Catalogue of the ... Annual Exhibition Architectural League of New York, 1920     *Transcript of the Enrollment Books* New York (N.Y.). Board of Elections, 1903     *Listening to Stone* Hayden Herrera, 2015-04-21 Throughout the twentieth century Isamu Noguchi was a vital figure in modern art From interlocking wooden sculptures to massive steel monuments to the elegant Akari lamps Noguchi became a master of what he called the sculpturing of space But his constant struggle as both an artist and a man was to embrace his conflicted identity as the son of a single American woman and a famous yet reclusive Japanese father It's only in art he insisted that it was ever possible for me to find any identity at all In this remarkable biography of the elusive artist Hayden Herrera observes this driving force of Noguchi's creativity as intimately tied to his deep appreciation of nature As a boy in Japan Noguchi would collect wild azaleas and blue mountain flowers for a little garden in front of his home As Herrera writes he also included a rock to give a feeling of weight and permanence It was a sensual appreciation he never abandoned When looking for stones in remote Japanese quarries for his zen like Paris garden forty years later he would spend hours actually listening to the stones scrambling from one to another until he found one that spoke to him Constantly striving to take the essence of nature and distill it Noguchi moved from sculpture to furniture and from playgrounds to sets for his friend the choreographer Martha Graham and back again working in wood iron clay steel aluminum and of course stone Throughout his career Noguchi traveled constantly from New York to Paris to India to Japan forever uprooting himself to reinvigorate what he called the keen edge of originality Wherever he went his needy disposition and boyish charm drew women to him yet he tended to push them away when things began to feel too settled Only through his art now seen as a powerful aesthetic link between the East and the West did Noguchi ever seem to feel that he belonged Combining the personal correspondence of and interviews with Noguchi and those closest to him from artists patrons assistants and lovers Herrera has created an authoritative biography of one of the twentieth century's most important sculptors She locates Noguchi in his friendships with such artists as Buckminster Fuller and Arshile Gorky and in his affairs with women including Frida Kahlo and Anna Matta Clark With the attention to detail and scholarship that made her biography of Gorky a finalist for the Pulitzer Prize Herrera has written a rich meditation on art in a globalized milieu *Listening to Stone* is a moving portrait of an artist compulsively driven to reinvent himself as he searched for his own essence of sculpture     *The Curse of Beauty* James Bone, 2016-04-12 The tumultuous and heartbreaking life of a world famous model whose riveting story of beauty fame
