Machiavelli A Man Misunderstood:

Machiavelli Michael White,2004 Machiavelliana Michael Jackson,Damian Grace,2018-06-05 In Machiavelliana Michael Jackson and Damian Grace offer a comprehensive study of the uses and abuses of Niccol Machiavelli s name in society generally and in academic fields distant from his intellectual origins It assesses the appropriation of Machiavelli in didactic works in management social psychology and primatology scholarly texts in leaderships studies as well as novels plays commercial enterprises television dramas operas rap music Mach IV scales children s books and more The book audits surveys examines and evaluates this Machiavelliana against wider claims about Machiavelli It explains the origins of Machiavelli s reputation and the spread of his fame as the foundation for the many uses and misuses of his name They conclude by redressing the most persistent distortions of Machiavelli **Machiavelli's New Modes and Orders** Harvey C. Mansfield,2001-04-15 This study wrought by one of Machiavelli s interpreters uncovers the hidden intricacies of the Discourses It will inform and challenge its readers at every step **BOOK JACKET** The Rope and the Chains Cary Joseph Nederman,2023-04-04 Niccol Machiavelli counts among the most famous and infamous political authors in the history of Western political thought primarily on account of his book the Prince Before he wrote that notorious treatise however he served for fourteen years as a prominent and active civil administrator in the government of the Republic of Florence Removed from office in 1512 following a take over by the Medici dynasty that had ruled the city during much of the fifteenth century Machiavelli was incarcerated and tortured as a result of unsubstantiated accusations of his involvement in a coup plot Soon after his release from prison he composed the Prince which is generally seen to constitute the beginning of his career as a political theorist as well as a comic playwright poet and military analyst of note Yet little attention has been devoted to the large body of writings in the form of prose and poetry as well as the hundreds of pages of diplomatic and personal correspondence that he produced in the course of his public service In an unprecedented interpretation The Rope and the Chains carefully examines the neglected pre Prince texts in order to frame his later theories The book reveals that Machiavelli s thought prior to the Prince was largely conventional when judged by the standards of his day At the same time it also demonstrates his dissatisfaction with the intellectual worldview in which he was enmeshed Machiavelli became Machiavelli once liberated from the rope and the chains by which centuries of tradition had constrained him **Seeking Real Truths: Multidisciplinary Perspectives on Machiavelli** Patricia Vilches,Gerald Seaman,2007-07-30 The thought and influence of Machiavelli have had a significant impact on a variety of academic disciplines including political science and government history literature language theatre and philosophy Rather than inscribe Machiavelli within the boundaries of a single academic approach tradition or discourse this volume assembles multidisciplinary perspectives on his writings on government on his creative works and on his legacy The result is intended to appeal at once to generalists seeking baseline knowledge of Machiavelli and to specialists who are interested in critical views of Machiavelli that use a broad lens and that

approach their subject from different angles Contributors include Susan Ashley Salvatore Bizzarro Julia Bondanella JoAnn Cavallo Salvatore Di Maria Marie Gaille Nikodimov Eugene Garver Joseph Khoury William Klein Sante Matteo Gerry Milligan RoseAnna Mueller John Roe Gerald Seaman Charles Tarlton Patricia Vilches and Mary Walsh Gareth Wilson,2010-07 Religion is a duplicitous invention of primitive humans diametrically opposed to our moral intuition and driven by belief in gods whose existence is neither evident nor probable These are just some of the damning conclusions reached by Gareth Wilson within his pulsating assessment of organised faith Sweeping aside the punditry of religious apologists and their critique of previous atheist works The Plain Truths of Religion is the most extensive and full blooded summation of both the nature and purpose of humankind s greatest belief systems As such this piece is as raw as it is incisive and certainly not a read for the faint hearted *Encyclopedia of Deception* Timothy R. Levine,2014-02-20 The Encyclopedia of Deception examines lying from multiple perspectives drawn from the disciplines of social psychology sociology history business political science cultural anthropology moral philosophy theology law family studies evolutionary biology philosophy and more From the little white lie to lying on a resume to the grandiose lies of presidents this two volume reference explores the phenomenon of lying in a multidisciplinary context to elucidate this common aspect of our daily lives Not only a cultural phenomenon historically lying is a frequent occurrence in our everyday lives Research shows that we are likely to lie or intentionally deceive others several times a day or in one out of every four conversations that lasts more than 10 minutes Key Features More than 360 authored by key figures in the field are organized A to Z in two volumes which are available in both print and electronic formats Entries are written in a clear and accessible style that invites readers to explore and reflect on the use of lying and self deception Each article concludes with cross references to related entries and further readings This academic multi author reference work will serve as a general non technical resource for students and researchers within social and behavioral science programs who seek to better understand the historical role of lying and how it is employed in modern society Key Themes Advertising Marketing and Public Relations Animals and Nature Communication Deception in Different Cultures Entertainment Media and Sports Ethics Morality Religion Law Business and Academia Military Politics and Government includes espionage Psychology Clinical and Developmental Psychology Social Law Legal Forensic Social History lies in history famous liars hoaxes **Mysteries of State in the Renaissance** Colm Gillis,2014-08-28 Government decisions shape our lives but how much do we know about the foundations of modern political thought Theorists in the Renaissance constructed the ideological world we inhabit They claimed to have mastered natural secrets whilst also promising perpetual flawless and scientifically demonstrable rule Selective applications of artistic themes religious symbols imperialistic concepts and spells cast by intellectual magic helped advance sovereign rule By mid 17th century these speculations were spinning an elaborate web of control If we wish to understand myths of our current age the intellectual mystique enshrouding origins of the modern State must first be revealed **Overcoming Managerialism** Robert

Spillane, Jean-Etienne Joullié, 2022-05-09 Managerialism has often been defined as an ideology according to which the effective and efficient running of commercial firms not for profit organizations and public administrations is delivered by individuals who possess superior formal knowledge and expertise in management Arguing to their exclusive education managers deprive employers and employees of decision making power and ensconce themselves systematically in the power structure of workplaces to advance their own interests and agenda The central thesis of *Overcoming Managerialism* is that resisting and overcoming managerialism necessitates the re establishing of the conceptual distinction between power and authority Second it requires the rehabilitating of authoritative management as a protection against authoritarian practices Authority properly conceived redirects power to technical experts and professionals and thereby limits managerial power The authors discuss ten contentions which taken together represent a theory of the foundation of management in which authority power and rhetoric are central concepts This book combines academic scholarship with a readable critique of managerialism It will be of interest to both management scholars and students

Historical Mechanisms Andreas Boldt, 2017-03-16 *Historical Mechanisms* argues that scientific method can provide key new insights about events that took place long ago Taking a fresh approach to historical method and theory this book contends that there is enough data to show that under certain circumstances societies have behaved and will continue to behave in similar ways throughout history In this book Andreas D Boldt discusses the possibility of utilizing natural scientific theories in order to explain historical processes focusing on the question of how nations and empires rise succeed fail and then assume another form in which they begin the cycle again Scientific methods are utilized metaphorically as a means of establishing connections between events and trends throughout history and this book argues that these methods can explain historical patterns such as chaos and stability the relationship between power centres and power vacuums the necessary conditions for the expansion of empires and the influence of natural and man made borders Exploring the ways in which concepts from science can be employed to shed new light on the analysis of historical data *Historical Mechanisms* is valuable reading for all scholars of the theory and method of history

Chances for Democracy in Europe Mária Bordás, 2023-10-24 At the turn of Twenty First Century no one could have believed that by a decade later the prime minister of Hungary would roughly declare his political and government system as an illiberal democracy *Chances for Democracy in Europe* The New Wave of Illiberalism in Post Communist Countries explores the scenarios of building illiberal democracy as followed by Putin in Russia then how it spread in the post Communist Europe It will be showing how a full born illiberal democracy has unfolded in Hungary since 2010 during the last four Orb n governments and the similarities it shares with the Russian illiberal state If the Treaty of Maastricht that laid down democratic principles of the European

Union has the sufficient political and legal tools to enforce them when they are not respected by the member states While the EU failed in this effort with Hungary it seems to be successful of a sort in Poland and Slovenia The author analyses why developed Western European countries with long traditions of democratic traditions and values have been resistant to illiberalism and remained strong liberal democracies but what about the countries without long traditions of democratic values

The Failed Experiment Mart Grams,2018-02-14 When the American government was founded the Founders and Framers assumed a government of the people by the people and for the people That government is dying It is under the authority of not we the people but rather a small elite that is trying to snuff out the great experiment of man ruling himself the common man the man that within the right system of government can attain his purpose to achieve happiness Were the Framers wrong Were the ideas of Alexander Hamilton right Is man incapable of self rule Does he need to be taken care of watched manipulated No It is not a failed experiment It is time to retake that government

Machiavelli in the Making Claude Lefort,2012-03-30 In Machiavelli in the Making the influential French scholar and public intellectual Claude Lefort introduces a wholly novel interpretation of Niccol Machiavelli s oeuvre revealing in the Florentine s thought a thoroughly modern concept of the political with implications for our experience of politics here and now Lefort extricates Machiavelli s thought from the dominant interpretations of Machiavelli as the founder of objective political science which having liberated itself from the religious and moralizing tendencies of medieval political reflection attempts to arrive at a realistic discourse on the operations of raw power Lefort ultimately finds that Machiavelli s discourse opens the place of the political which had previously been occupied by theology and morality An essential

contribution to the ongoing reassessment of Machiavelli's significance. *Machiavelli in the Making* also stands as a crucial text for the understanding of Lefort's later writings on democracy and totalitarianism. **Machiavellism** Friedrich Meinecke, 1997-01-01. The lengthy introduction by the eminent sociologist Werner Stark provides a framework for understanding not just the importance of a singular thinker but also the entire fabric of German history from Bismarck the Kaiser the Weimar Republic and Nazism to the post World War II effort at the cultural no less than material reconstruction of a democratic Germany.
