Creativity in Transition Maruška Svašek, Birgit Meyer, 2016-07-01 In an era of intensifying globalization and transnational connectivity the dynamics of cultural production and the very notion of creativity are in transition Exploring creative practices in various settings the book does not only call attention to the spread of modernist discourses of creativity from the colonial era to the current obsession with innovation in neo liberal capitalist cultural politics but also to the less visible practices of copying recycling and reproduction that occur as part and parcel of creative improvisation

Gendered Capitalism Paula De La Cruz-Fernández, 2021-05-05 Gendered Capitalism Sewing Machines and Multinational Business in Spain and Mexico 1850 1940 is a history of the gendered corporation a study that examines how ideas and ideals about domesticity and the cultures of sewing and embroidery being gender specific shaped the US headquartered Singer Sewing Machine Company s operations around the world In contrast to production driven and culture neutral analyses of the multinational enterprise this book focuses on both the supply and the demand side to argue that consumers and the cultural worlds of those mainly women using the sewing machine for personal purposes or for the market shaped corporate organization This book is a global history of Singer but it also focuses on the cases of Spain and Mexico to highlight nations where the sewing machine multinational never established manufacturing operations Casa Singer was a mostly profitable and a long term selling and marketing operation in both countries Gendered Capitalism demonstrates that local Spanish and Mexican agents both men and women developed and expanded Singer s selling system to the extent that the multinational company was seen as domestic both in the location sense and because of its focus on the private sphere of the home By bringing the cases of Spain and Mexico and the cultural everyday realm of practices related to sewing and embroidery that the sewing machine was part of to the center of the study of international business Gendered Capitalism further reveals the layers of complexities and multitudes that conform the history of global capitalism This book will be of interest to readers and scholars in the fields of business history economic cultural history management studies international business women s history gender studies and the history of technology

Changing Clothes in China Antonia Finnane, 2023-05-30 Historians have long regarded fashion as something peculiarly Western In this surprising

sumptuously illustrated book Antonia Finnane challenges this view which she argues is based on nineteenth and twentieth century representations of Chinese dress as traditional and unchanging Fashions she shows were part of Chinese life in the late imperial era even if a fashion industry was not then apparent In the early twentieth century the key features of modern fashion became evident particularly in Shanghai and rapidly changing dress styles showed the effects The volatility of Chinese dress throughout the twentieth century matched vicissitudes in national politics Finnane describes in detail how the close fitting jacket and high collar of the 1911 Revolutionary period the skirt and jacket blouse of the May Fourth era and the military style popular in the Cultural Revolution gave way finally to the variegated globalized wardrobe of today She brilliantly connects China s modernization and global visibility with changes in dress offering a vivid portrait of the complex subtle and sometimes contradictory ways the people of China have worn their nation on their backs Textiles of Southeast Asia

Robyn Maxwell,2012-08-07 Textiles provide a visual history of a country s culture and crafting traditions in a way few other things can accomplish In Textiles of Southeast Asia Dr Robyn Maxwell provides the definitive work on Southeast Asian textiles Traditional textiles are one of the most widely collected and important categories of Southeast Asian art Using an extensive range of locally produced raw materials and an astonishing array of techniques including applique weaving batik and embroidery the textiles of Southeast Asia are astonishing in their versatility and originality Textiles are used to fashion everything from everyday clothing to sacred and ceremonial costumes shrouds and wrapping cloths hangings banners and ritual regalia all of which are represented and explained in Textiles of Southeast Asia This authoritative text focuses on the changing relationship between indigenous Southeast Asian traditions and the outside influences continuing to be brought to the area which change the nature of the region s textile traditions This book considers the various ways Southeast Asian textile artisans reacted over the centuries to the steady stream of new and powerful ideas and raw materials arriving from India China the Islamic world and Europe A detailed and definitive resource Textiles of Southeast Asia is a welcome addition to the field of textiles

Medieval Clothing and Textiles Robin Netherton,Gale R. Owen-Crocker,2014 The best new research on medieval clothing and textiles drawing from a range of disciplines The usual wide range of approaches to garments and fabrics appears in this tenth volume Three chapters focus on practical matters a description of the medieval vestments surviving at Castel Sant Elia in Italy a survey of the spread of silk cultivation to Europe before 1300 and a documentation of medieval colour terminology for desirable cloth Two address social significance the practice of seizing clothing from debtors in fourteenth century Lucca and the transformation of the wardrobe of Margaret Tudor daughter of King Henry VII upon her marriage to the king of Scotland Two delve into artistic symbolism a consideration of female headdresses carved at St Frideswide s Priory in Oxford and a discussion of how Anglo Saxon artists used soft furnishings to echo emotional aspects of narratives Meanwhile in an exercise in historiography there is an examination of the life of Mrs A G I Christie author of the landmark Medieval English Embroidery ROBIN NETHERTON is a professional editor and a
