Magdalene Pbk:

Magdalene's Lost Legacy Margaret Starbird, 2003-05-05 Using New Testament gematria symbolic number values encoded in the Greek phrases the author reveals that the sacred couple was one of the essential pillars of early Christian teachings before being denied by the architects of institutional Christianity and obscured by later Church doctrine **Mary Magdalene** Diana Wallis Taylor, 2012-06 Devastated by circumstances beyond her control Mary Magdalene struggles to overcome the madness that enslaves her *Looking for Mary Magdalene* Anna Fedele, 2013 Winner of the Award for Excellence in Religion Analytical Descriptive Studies from the American Academy of Religion Anna Fedele offers a sensitive ethnography of alternative pilgrimages to French Catholic shrines dedicated to Saint Mary Magdalene Drawing on more than three years of fieldwork she describes how pilgrims from Italy Spain Britain and the United States interpret Catholic figures symbols and sites according to theories derived from the international Neopagan movement Fedele pays particular attention to the pilgrims life stories rituals and reading She examines how they devise their rituals how anthropological literature has influenced them and why this kind of spirituality is increasingly prevalent in the West These pilgrims cultivate spirituality in interaction with each other and with textual sources Jungian psychology Goddess mythology and indigenous traditions merge into a corpus of practices centered upon the worship of the Goddess and Mother Earth and the sacralization of the reproductive cycle Their rituals present a critique of Roman Catholicism and the medical establishment and question contemporary discourse on gender **The Magdalene Mystique** Betty Conrad Adam, 2006-10-01 The early Christians formed communities to follow the risen Jesus One such community wrote down its gospel story but sometime in those early years the Gospel of Mary Magdalene disappeared In the late nineteenth century it surfaced in the Cairo marketplace and today contemporary Christians are embracing the message of this Magdalene Gospel The Magdalene Mystique invites readers into the spiritual life of an actual community that celebrates Mary Magdalene as mystic and visionary beloved companion of Jesus and first witness to the resurrection Following Mary's gospel the community seeks to embody an ethos of equality and justice With historic background based on the scholarship of prominent researchers including Karen King and Jane Schaberg plus prayers liturgies and real life stories this is a powerful book for group study and private devotion **The Meaning of Mary Magdalene** Cynthia Bourgeault, 2010-09-14 The author of *The Wisdom Jesus* takes readers on a journey to discover the real Mary Magdalene and finds a powerful ancient model for 21st century spirituality Mary Magdalene is one of the most influential symbols in the history of Christianity yet if you look in the Bible you'll find only a handful of verses that speak of her How did she become such a compelling saint in the face of such paltry evidence In her effort to answer that question Cynthia Bourgeault examines the Bible church tradition art legend and newly discovered texts to see what's there She then applies her own reasoning and intuition informed by the wisdom of the ages old Christian contemplative tradition What emerges is a radical view of Mary Magdalene as Jesus's most important disciple the one he considered to understand

his teaching best That teaching was characterized by a nondualistic approach to the world and by a deep understanding of the value of the feminine Cynthia shows how an understanding of Mary Magdalene can revitalize contemporary Christianity how Christians and others can through her find their way to Jesus s original teachings and apply them to their modern lives

Mary Magdalene, La Malinche, and the Ethics of Interpretation Jennifer Vija Pietz,2022-11-08 By comparing the intersecting histories of interpretation of Mary Magdalene a first century disciple of Jesus and La Malinche a sixteenth century Mesoamerican woman enslaved by the Spanish conquistadores Jennifer Vija Pietz critically evaluates the use of past lives to address contemporaneous concerns She demonstrates how the earliest sources portray each woman as an agent in the foundation of a new community Magdalene s proclamation of Jesus s resurrection helped form the first Christian community while La Malinche s role as interpreter between Spanish and native people during the Conquest helped establish modern Mexico Pietz then argues that over time various interpreters turn these real women into malleable icons that they use to negotiate changing conceptions of communal identity and norms Strikingly popular portraits develop of both women as archetypal whores who represent transgression portraits that some women have experienced as harmful Although other interpreters present contrary portraits of Magdalene and La Malinche as admirable emblems of female empowerment Pietz argues that the tendency to turn real people into icons risks producing stereotypes that can obscure past lives and negatively affect people in the present In response she posits strategies for developing historically plausible and ethically responsible interpretations of people of the past

The Magdalene Scrolls Barbara Wood,2016-12-06 Barbara Wood s 1978 debut novel is now back in print in a new edition from Turner Publishing When the first of the Magdalene Scrolls arrives Professor Ben Messer is puzzled intrigued excited What scholar of ancient languages wouldn t be when he held in his hands something even more astonishing than the Dead Sea Scrolls a scroll just discovered to contain the life story and last confession of a man who had lived in Jerusalem just after the death of Christ By the time the second scroll arrives Ben s interest has begun to be more than professional For it seems that David the writer of the ancient scrolls is in many ways very much like Ben and he seems to be speaking directly to Ben across nearly 2 000 years of history Before long the terrifying transformation has begun and there can be no turning back What do the words of a Jew who lived 2 000 years ago have to do with today and with Ben Messer a man who had forsaken his Jewish identity years ago or thought he had And why does David s life suddenly seem so much more real and powerful than Ben s own Why does Ben suddenly shut himself off from the beautiful woman he intends to marry and become involved with Judy Golden a very different kind of woman And what will happen if Ben surrenders completely to the power of the scrolls Before long the terrifying transformation has begun and there can be no turning back

Mary Magdalene Never Wore Blue Eye Shadow Amanda Hope Haley,2019-10-15 Truth Legend and the Stories You Thought You Knew Tradition suggests Mary Magdalene was a prostitute and Jesus was born in a barn But what does the Bible really say Armed with her theology degree archaeological experience and sharp wit Amanda Hope Haley clears up

misconceptions of Bible stories and encourages you to dig into Scripture as it is written rather than accept versions altered by centuries of human interpretations Providing context with native languages historical facts literary genres and relevant anecdotes Haley demonstrates how Scripture when read in its original context is more than a collection of fairy tales or a massive rule book It s God s revelation of Himself to us She teaches you to understand how the books of the Bible were written transmitted and translated recognize the differences between genuine Scripture and popular doctrines boldly seek God in His own words ask questions of tradition and find answers in the texts grow in your understanding of God and appreciation of the Bible s intimate and complex revelation of His nature It s time to abandon the gods of tradition and meet God in His Word

The Spirituality of Mary Magdalene James S. Galluzzo,2008-09-30 The feminine spirit is rising deep in the heart of creation to heal our battered world and bring new life Mary Southard CSJ Much has been written about Mary Magdalene Her name appears over a dozen times in the four canonical gospels Her own gospel has been discovered and translated The Gnostic Gospels mentioned her several times Many sculptures paintings plays movies music and poetry are based on her The institutional church has dealt with her in many ways including sainting her prolonging misinformation about her discrediting her and failing to honor her rich gifts to the whole of humanity To get a better understanding of Mary Magdalene we will review the scripture writings both Canonical and Gnostic Gospels her own gospel the concept Sacred Feminine the myths and legends about her art work music movies and plays the misinformation about her After this review we will examine Mary Magdalene s core beliefs What stirred her What moved her What was her inner knowledge which caused her metanoia change of heart What made her so important for a millennia What was her story What is her spirituality and what can it mean for us today

The Digby Mary Magdalene Play Theresa Coletti,2018-02-28 The Digby Play of Mary Magdalene is a rare surviving example of the Middle English saint play It provides a window on the deep embedding of biblical drama and performance in late medieval devotional practices social aspiration and critique and religious discourses Fully annotated and extensively glossed this edition adds to the METS Drama series an essential resource for the study of late medieval English religious drama

The Making of the Magdalen Katherine Ludwig Jansen,2001-07-02 Best known during the Middle Ages as the prostitute who became a faithful follower of Christ Mary Magdalen was the most beloved female saint after the Virgin Mary Why the Magdalen became so popular what meanings she conveyed and how her story evolved over the centuries are the focus of this compelling exploration of late medieval religious culture Analyzing previously unpublished sermons Katherine Jansen uses the lens of medieval preaching to examine the mendicant friars transformation of Mary Magdalen a shadowy gospel figure into an emblem of action and contemplation a symbol of vanity and lust a model of perfect penance and the embodiment of hope and salvation She draws on diverse historical sources to reveal the laity s devotion to Mary Magdalen which departed significantly from the friars image of the saint signaling a major development in popular religious practice and personal piety Finally the author comprehensively addresses the question of the House of

Anjou's alliance with the Magdalen and illuminates the relationship between politics and sanctity in southern France and Italy. Jansen shows how perceptions of the Magdalen merged with errors and misunderstandings to shape the social, spiritual, and political agendas of the later Middle Ages. She brings to life the rich complexity of medieval culture which condemned female sexuality and women's preaching and yet popularized the veneration of Mary Magdalen as a former prostitute chosen by Christ to be the apostle of the apostles, the first to witness and preach the Good News of the Resurrection. **Mary Magdalene, the Thirteenth Disciple** Dr. Pat Kubis, 2011-03-03

THIS IS A LOVE STORY the tale of a woman who dream of love and power and found more than she dreamed. It is a historical romance with mystical tones. In Magdala 17 A.D. the young Jewish woman Mary is entranced by a golden lover on a white horse, the Roman Centurion Quintus Gallus. Sensuous with powerful emotions, born with second sight clairvoyance, she sees fragments of her future life. Seduced by Quintus, she is later captured by Arabs and escapes to Caesarea only to be thrown into a life of prostitution. She becomes a courtesan in Caesarea and for a time the mistress of Pontius Pilate. But her painful love for Quintus leads to hashish and finally insanity; she is possessed by a devil, a dark voice in her mind. Mad on the streets and tormented by the devil, she faces stoning but is rescued by a strange Galilean who has marvelous powers of healing, Jesus of Nazareth. It is Jesus who reveals the real mysteries of Love to Mary and what teaches her to walk the rainbow to spiritual individuation. Pontius Pilate, the centurion Quintus Gallus, a disciple named Judas the Devil himself, and the Nazarene prophet Jesus are the alchemical agents that transform a prostitute into a saint, the legendary woman of the Bible who anointed the Master's feet and dried them with her hair. This is a novel of people, adventure, and passion. It is written for every woman who loved and lost but did not understand the significance of what happened. This book is also a Jungian alchemical parable of transmutation and it has much meaning for those interested in mystical Christianity, yoga, holistic health, ESP, and mythology of the Joseph Campbellian variety. Mary is a Biblical hero, but she is also the eternally questing hero of the mythic round, and if Jesus is the Biblical Christ, He is also that Magus figure who leads men to a higher state of consciousness. This is the story of a woman of passion who achieved the gate of heaven. For every true lover and especially RK.

The Chalice of Magdalene Graham Phillips, 2004-01-30. Reveals the discovery of an artifact that many experts believe may be the Holy Grail. Traces the journey of the Grail from the Holy Land to Rome and eventually to a ruined chapel in Shropshire, England. Uncovers new evidence identifying the historical King Arthur and his connection to the Holy Grail. The popular Arthurian stories of the Middle Ages depict the Holy Grail as Christ's cup from the Last Supper, which was believed to have been endowed with miraculous healing powers and the ability to give eternal life to whoever drank from it. A much earlier tradition, however, claimed the Grail was the vessel used by Mary Magdalene to collect Christ's blood when he appeared to her after rising from the tomb. While many vessels were claimed to have been the true Grail, there was only one thought to have been the chalice used by Mary. From Jesus' empty tomb, where it remained for almost 400 years, this holy relic, known as the Marian Chalice, was taken to Rome by the mother of the first

Christian emperor Constantine the Great It was then smuggled from Rome in 410 A D according to the fifth century historian Olympiodorus to save it from the barbarians who sacked the city Well into the Middle Ages legend persisted that it had been taken to safety in Britain the last outpost of Roman civilization in Western Europe This journey to England and what happened to the Chalice there is the focus of this book Graham Phillips s research uncovers the secret legacy of an ancient noble family over generations and a trail of clues hidden in the English countryside that lead to a mysterious grotto a forgotten attic and the lost chalice In tracing the relic Phillips offers the inside story behind an astonishing adventure that results in the identification of the historical King Arthur and the location of one of the most powerful symbols in Western tradition The British National Bibliography Arthur James Wells,2006 *Annie Magdalene* Barbara Hanrahan,2025-08-26 From legendary Australian feminist writer Barbara Hanrahan *Annie Magdalene* is a quietly moving funny and perfectly formed novel of a beautifully ordinary life With a new introduction from Farrin Foster Born at the turn of the century Annie Magdalene grows up in a suburban cottage in Adelaide She is devoted to her family but makes up her mind when she is sixteen that she doesn t want a husband or children instead prioritising friendship work independence and a sense of self In a style that is both simple and full of wonder legendary Australian feminist artist and author Barbara Hanrahan creates a full portrait of life its small pleasures its beautiful flaws and its inevitable intersections with death First published in 1985 *Annie Magdalene* still feels entirely fresh capturing sleepy war era Australia as well as many universally enduring truths With a new introduction from Farrin Foster this is a moving funny and perfectly formed novel of a beautifully ordinary life Quietly and gleefully challenging Farrin Foster Hanrahan s tour de force The Canberra Times A small treasure Los Angeles Times *Phi Beta Kappa* Bayard Quincy Morgan,1917 *A Catalogue of the Dickinson Chapter of Phi Beta Kappa (Alpha of Pennsylvania)* Phi Beta Kappa.
