Managing Operations, 1993 Managing Operations Roger Cartwright, Michael Collins, George Green, Anita Candy, 1993-12-08 Looking at the operations of an organization this book examines the different types of organization in both the public and private sectors It then considers the internal relationships between operations marketing personnel and other functions within organizations The specific aspects of operations are covered in detail Work practices Planning Resourcing Legislation Customer relations *Managing Activities* Michael Collins, Roger Cartwright, George Green, Anita Candy, 1998-03-06 Looking at the operations of an organization Managing Activities examines the different types of organizations in both the public and private sectors It then considers the internal relationships between operations marketing personnel etc within organizations Managing Activities, 1998 **Harvard Business School Core Collection 1995** Baker Library, 1995 *Harvard Business School Core Collection* Baker Library, 1999 **Guide for Supervisor Development in the Department of the Army** United States. Department of the Army, 1953 Projects as Arenas for Renewal and Learning Processes Rolf A. Lundin, Christophe Midler, 2012-12-06 There is a growing tendency to organize various aspects of business life by projects and to set up temporary organizations in a competition where speed and adaptability becomes a major necessity Organizing by projects is perceived as a good way to ensure action and to stress the importance of getting work done However there is a need to balance the stress on action so that learning capabilities are not only retained but augmented Projects as Arenas for Renewal and Learning Processes provides examples of how different types of projects function from a learning or renewal perspective taken from a wide variety of real life environments in industrial and public organizations This book illustrates the mistaken habit of assuming too much in the project area for example project notions are in fact culture dependent classical market oriented contracting business relations do not fit with the learning dimension of projects and long term learning on core competencies and product development projects need to be connected The book is also intended to represent many of the research frontiers in the project field Enhancing learning capabilities is or should be of a mutual concern to researchers and managers alike Managing Performance Improvement Michael D. Tovey, Mary-Anne L. Uren, Neroli Ena Sheldon, 2015-05-20 Increasing global competition combined with shrinking budgets are forcing managers to find new ways of operating To compete successfully companies must now use technology and resources particularly human resources to their full potential Much of the research in the area of performance management has suggested that while it has great potential to contribute dramatically to the bottom line it rarely works The third edition of Managing Performance Improvement looks at why performance systems fail and explores the tools and techniques to overcome this failure This best selling text provides practical specific advice to managers and students enabling them to plan for and then manage performance improvement **Forthcoming Books** Rose Arny, 1994-02
