Marriage Grounds For Divorce:

Marriage Monte Vanton,1979-04-24 *The Complete Guide to Divorce Law* Nihara K. Choudhri,2004 Divorce in the United States is becoming more prevalent than ever More than 2 3 million Americans divorce each year and half of all marriages and 60% of all remarriages end in divorce And the costs of ending a marriage both financial and emotional are staggering the most conservative estimated cost of divorce is 15 000 and average legal fees range from 20 000 to 30 000 And with most lawyers fees reaching 300 or more an hour there is a widespread need for accessible inexpensive and trustworthy information on all aspects of divorce The Complete Guide to Divorce Law provides readers who have no legal background with a detailed explanation of divorce law in each of the 50 states which will help to minimize these legal fees and some of the emotional trauma that accompanies a divorce For a fraction of the cost of an hour with their divorce lawyer legal expert Nikara Choudri provides an easy to understand explanation of legal rules governing alimony child support child custody and visitation Now everyone going through a divorce will learn the requirements for filing for divorce how divorce courts divide property the qualifications for alimony and how much child support will be required in a specific case From the basic subjects like determining the grounds for divorce to complex topics like pensions stock options and professional licenses and degrees Choudri offers sound step by step advice that will help those contemplating the dissolution of a marriage to negotiate a settlement directly with a spouse as well as helping them to determine whether they can reach an out of court settlement With chapters on such topics ranging from transmutation to drafting an out of court agreement this is an invaluable guide that will help everyone make informed rational decisions while coping with the difficult issues that can arise in a heated divorce *Marriage and Divorce, 1867-1906* United States.
