Mina Totino, Paintings Contemporary Art Gallery (Vancouver, B.C.), Gagnon, Monika, Shani Mootoo, Totino, Mina, Wallace, Keith, 1994 **Cover, Girls : Mina Totino** Totino, Mina, Nancy Shaw, Truck (Gallery), 1992* *Mina Totino* Mina Totino, Scott Watson, Judy Radul, Clint Burnham, Morris and Helen Belkin Art Gallery, 1996 Mina Totino, Paintings Contemporary Art Gallery (Vancouver, B.C.), Mina Totino, 1987 **Back from Vineland** Mina Totino, Jos de Gruyter, Harald Thys, Artspeak Gallery, 2007 **David Zwirner: 25 Years** Richard Shiff, Robert Storr, 2018-10-23 Published on the occasion of the twenty five year anniversary of David Zwirner this book paints a picture of the gallery's growth and development through the lens of the artists that have shaped it Since its founding in 1993 David Zwirner has above all else been guided by its artist centric ethos Beginning with the gallery's early days on Greens Street in SoHo to its transition and expansion to Chelsea London the Upper East Side and Hong Kong this book captures David Zwirner's devotion to its inimitable roster of artists and estates The heart of the publication is a wide ranging dynamic selection of the gallery's standout exhibitions in many cases handpicked by David Zwirner himself Many of these exhibitions highlight the countless works that ended up in major museum and private collections around the world Also featured is an extensive gallery history that details all of the exhibitions by every artist and estate presented at David Zwirner accompanied by archival imagery With contributions by Richard Shiff and Robert Storr as well as a foreword by David Zwirner this publication offers rare insights into the growth of a commercial gallery through its long term commitment to artists After Desire George Stanley, 2013-05-09 Don't gaze into the abyss George Stanley states in his new book Gaze out And this is what the reader receives from Stanley's eighth book After Desire the observations of a poet and a consciousness as they arrive together at old age Not what the poet is thinking although we get to watch him thinking too but what he sees and notices what he is thinking about This might be the different effect that Beauty has on him after desire has fled stripped of even the desire for desire This might be a contemplation of what it is that an infant contemplates when it gazes upon an old man like the poet It might involve snatches of the conversation between the poet and the ghosts that haunt this work Jack Spicer Robert Duncan Anna Akhmatova Like all of George Stanley's work the poems in After Desire tend to take as their point of departure some aspect of Stanley's everyday life The poem might be sparked by the beauty of a waiter in one of the restaurants in Stanley's Kitsilano neighbourhood by a conversation in his neighbourhood pub by a glance exchanged with a baby or a teenager on the bus by a failing vacuum cleaner or by the reading of another poet's poem Whichever the case may be Stanley's own poems remain solidly embedded in the material city in which he lives After Desire includes three poems originally written in 1971 and lost for forty years **Corpus** Mendel Art Gallery, 1995 *Canadian Art in the Twentieth Century* Joan Murray, 1999-11-01 Canadian Art in the Twentieth Century is a survey of the richest most controversial and perhaps most thoroughly confusing centuries in the whole history of the visual arts in Canada the period from 1900 to the present Murray shows how beginning with Tonalism at

the start of the century new directions in art emerged starting with our early Modernists among them Tom Thomson and the Group of Seven Today Modernism has lost its dominance Artists critics and the public alike are confronted by a scene of unprecedented variety and complexity Murray discusses the social and political events of the century in combination with the cultural context movements ideas attitudes and styles the important groups in Canadian art and major and minor artists and their works Fully documented well researched and written with clarity and over four hundred illustrations in both black and white and colour Murray s book is essential for understanding Canadian art of this century As an introduction it is excellent in both its scope and intelligence

Desire Change Heather Davis, 2017-06-26 In the resistance to the violence of gender based oppression vibrant but often ignored worlds have emerged full of nuance humour and beauty Correcting an absence of writing about contemporary feminist work by Canadian artists *Desire Change* considers the resurgence of feminist art thought and practice in the past decade by examining artworks that respond to themes of diversity and desire Essays by historians artists and curators present an overview of a range of artistic practices including performance installation video textiles and photography Contributors address the desire for change through three central frames how feminist art has significantly contributed to the complex understanding of gender as it intersects with sexuality and race the necessary critique of patriarchy and institutions as they relate to colonization within the Canadian nation state and the ways in which contemporary critiques are formed and expressed Heavily illustrated with representative works *Desire Change* raises both the stakes and the concerns of contemporary feminist art with an understanding that feminism is always and necessarily plural
