installations in the free exercise of their faith *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *Healing of the Soul Ministry HOSM* Roz Caldwell Stanley, 2024-08-28 Healing of the Soul Ministry HOSM is a groundbreaking opportunity for people to receive emotional mental and spiritual healing from soul wounds and trauma Along with it is Healing of the Soul Ministry for African Americans HOSM4AA a racial healing tool designed to help African Americans heal from soul wounds and trauma received as a result of racism in America HOSM and HOSM4AA empowers people to receive and walk out the freedom that comes through applying the Word of God and principles of the Christian Bible in unique personal and intimate prayer counseling sessions Issues such as generational sins patterns and behaviors ungodly soul connections destructive words spoken relationship issues and much more are tackled in the HOSM prayer ministry sessions People are further empowered to pursue and fulfill the purpose that God has for their lives with clarity and authentically This book serves as a personal manual to assist those in training to become HOSM Certified Ministers and to help anyone who desires to help themselves or others engage in the process of soul healing

Philosophy, Who Needs It? Jason D. Crowder, 2016-03-02 Too often skeptics charge Christians with having a blind faith Unfortunately believers have added fuel to the charges of skeptics by speaking of their faith illogically But the Christian faith is not a blind faith In fact biblical faith is never a blind irrational faith Christianity rests firmly on the stone that was rejected by the builders which has become the cornerstone Jesus Christ Acts 4:11 Living biblically requires thinking biblically just as to think biblically entails to live biblically as Winfried Corduan notes in the Foreword As followers of Christ believers cannot separate biblical thinking and biblical living These two behaviors are eternally connected not only in the person of Jesus Christ but they stem from the eternal being of God the Father and his eternal truth Christ mandates that his followers love God with their entire being heart soul mind and strength Mark 12:30 How are believers to go about living out this biblical

mandate Christian faith is a warranted belief This is why it is so essential that Christians recognize the value and importance of philosophy and its proper place in Christendom and in the Christian's walk *Controversies in Mission* Rochelle Cathcart Scheuermann, Edward L. Smither, 2016-09-15 Crossing social cultural and religious barriers and making disciples of all nations has probably never been without some level of controversy This book is an attempt to hit the pause button on this rapid paced world and to reflect on how we do mission especially in light of the new layers of complexity that globalization brings While the contributors engage in new aspects of mission and cultural encounter unique to the twenty first century the underlying issues of each chapter are age old topics that have reared their heads at various times throughout history priorities in mission power struggles perspectives on cultural others and contextualization With that in mind our aims are twofold 1 to carefully consider issues causing tension and contention within current mission thought practice and strategy and then 2 to engage in serious but charitable dialogue for the sake of God's mission and the salvation of all peoples **Let This Mind Be in You** Frances Hunter, 2000-10-01 What does it mean to have the mind of Christ In this classic book Frances Hunter shares a wonderful revelation of the transforming power that is ours when we learn to think the thoughts of Jesus As we share in His thoughts we become energized and empowered in every area of our lives and our desires become His desires But the choice to change is ours Satisfy the deep yearning for more that lies within Say yes to Jesus and experience the daily power and blessings of having the mind of Christ *History of the North Arkansas Baptist Association* Roger V. Logan, 2024-03-27 History of the North Arkansas Baptist Association Volume 2 is a chronicling of mission history of the churches and their members reaching out from their own Jerusalem located in four counties in northwest Arkansas to the uttermost part of the world It follows churches and individuals as they go on mission to meet physical and spiritual needs unmet by a world that is blind to their cries It contains the life history of fifty six plus congregations as they grow in number and spirit reaching their individuals with the claims of discipleship under Jesus Christ Pastors too are highlighted in the histories of their pilgrimages in the faith The history is a must read for every believer both to give encouragement regarding the past mission advance and to challenge would be missionaries and the churches that support them *Pentecostal Insight in a Segregated US City* Frederick Klaitz, Michael Richbart, LaShekia Chatman, 2022-06-16 In *Pentecostal Insight in a Segregated U S City* Frederick Klaitz compares how members of one majority white and two African American churches in Buffalo New York receive knowledge from God about their own and others life circumstances In the Pentecostal Christian faith believers say that they acquire divinely inspired insights by developing a relationship with God But what makes these insights appear necessary This book offers a novel approach to this question arguing that the inspirations believers receive from God lead them to take critical stances on what they regard as ordinary understandings of space time care and personal value Using a shared Pentecostal language believers occupying different positions within racial class and gender formations reflect in divergent ways on God's designs In the process they engage critically with late liberal imaginaries of eventfulness

and vitality to envision possibilities of life in a highly unequal society This text incorporates commentaries on Klait's ethnography by LaShekia Chatman and Michael Richbart junior scholars who have also studied and been part of Pentecostal communities in Buffalo

Rules for Radical Christians Nelson R Foster,2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers
