American masters like James Schuyler and Adrienne Rich Always discerning especially on issues of identity form and the pressures of history and politics Joseph places his own poetry within its critical contexts presenting narratives of his life in Detroit where he grew up and in Manhattan where he has lived for 30 years These pieces also portray Joseph s Lebanese Syrian and Catholic heritages and his life as a lawyer distinguished law professor and legal scholar The Philosophy of the Beats Sharin N. Elkholy,2012-01-01 The phrase beat generation introduced by Jack Kerouac in 1948 characterized the underground nonconformist youths who gathered in New York City at that time Together these writers artists and activists created an inimitably American cultural phenomenon that would have a global influence In their constant search for meaning the Beats struggled with anxiety alienation and their role as the pioneers of the cultural revolution of the 1960s The Philosophy of the Beats explores the enduring literary cultural and philosophical contributions of the Beats in a variety of contexts Editor Sharin N Elkholy has gathered leading scholars in Beat studies and philosophy to analyze the cultural literary and biographical aspects of the movement including the drug experience in the works of Kerouac and Allen Ginsberg feminism and the Beat heroine in Diane Di Prima s writings Gary Snyder s environmental ethics and the issue of self in Bob Kaufman s poetry The Philosophy of the Beats provides a thorough and compelling analysis of the philosophical underpinnings that defined the beat generation and their unique place in modern American culture **What Book!?** Gary Gach,1994-04-30 With poems from spiritual teachers to jazz musicians from the monastery to the street What Book brings together a boad range of verse expressions of living in an awakened way A poet once located poetry as somewhere before or after words take place Mindfulness is the practice of finding that realm dwelling there and cultivating the ability to live completely in the present deeply aware and appreciative of life from the author s Preface This enigmatically titled anthology offers numerous delights and valuable evidence that great poetic variety from haiku and witty two liners to page long discourses has by now given distinct expression to Western Buddhism Publisher s Weekly **The Beats and the Academy** Erik Mortenson,Tony Trigilio,2023-04-01 The Beats and the Academy marks the first sustained effort to train a scholarly eye on the dynamics of the relationship between Beat writers and the academic institutions in which they taught Rather than assuming the relationship between Beat writers and institutions of higher education was only a hostile one The Beats and the Academy begins with the premise that influence between the two flows in both directions Beat writers suspicion of established institutions was a significant aspect of their postwar countercultural allure Their anti establishment aesthetic and countercultural stance led Beat writers to be critical of postwar academic institutions that tended to dismiss them as a passing social phenomenon Even today Beat writing still meets resistance in an academy that questions the relevance of their writing and ideas But this picture like any generalization is far too easy The Beat relationship to the academy is one of negotiation rather than negation Many Beats strove for academic recognition and quite a few received it And despite hostility to their work both in the postwar era and today Beat works have made it into syllabi conference resentations journal articles

and monographs *The Beats and the Academy* deepens our understanding of this relationship by emphasizing how institutional friction between the Beats and institutions of higher education has shaped our understanding of Beat Generation literature and culture and what this relationship between Beat writers and the academy might suggest about their legacy for future scholars *Panics and Persecutions* Quillette Magazine, 2021-03-31 In an age when telling the wrong joke or using the wrong pronoun can cost you your career Quillette magazine founded in 2015 by Australian based journalist Claire Lehmann has provided a forum for thinkers of all political stripes to push back against the forces of intellectual conformity *Panics and Persecutions* brings together a collection of especially compelling Quillette narratives spanning subcultures from computer science to romance literature These stories lay bare the human toll of modern ideological inquisitions often in deeply personal terms and demonstrate the urgency of Quillette's editorial mission to create a space where free thought lives Edited by Claire Lehmann Colin Wright Jamie Palmer Jonathan Kay and Toby Young **The Routledge Handbook of International Beat Literature** A.
