Anonymous, 2020-09-28 After leaving Vienna and long before you come to Buda Pesth the Danube enters a region of singular loneliness and desolation where its waters spread away on all sides regardless of a main channel and the country becomes a swamp for miles upon miles covered by a vast sea of low willow bushes On the big maps this deserted area is painted in a fluffy blue growing fainter in color as it leaves the banks and across it may be seen in large straggling letters the word S mpfe meaning marshes In high flood this great acreage of sand shingle beds and willow grown islands is almost topped by the water but in normal seasons the bushes bend and rustle in the free winds showing their silver leaves to the sunshine in an ever moving plain of bewildering beauty These willows never attain to the dignity of trees they have no rigid trunks they remain humble bushes with rounded tops and soft outline swaying on slender stems that answer to the least pressure of the wind supple as grasses and so continually shifting that they somehow give the impression that the entire plain is moving and alive For the wind sends waves rising and falling over the whole surface waves of leaves instead of waves of water green swells like the sea too until the branches turn and lift and then silvery white as their under side turns to the sun Happy to slip beyond the control of stern banks the Danube here wanders about at will among the intricate network of channels intersecting the islands everywhere with broad avenues down which the waters pour with a shouting sound making whirlpools eddies and foaming rapids tearing at the sandy banks carrying away masses of shore and willow clumps and forming new islands innumerable which shift daily in size and shape and possess at best an impermanent life since the flood time obliterates their very existence Properly speaking this fascinating part of the river s life begins soon after leaving Pressburg and we in our Canadian canoe with gipsy tent and frying pan on board reached it on the crest of a rising flood about mid July That very same morning when the sky was reddening before sunrise we had slipped swiftly through still sleeping Vienna leaving it a couple of hours later a mere patch of smoke against the blue hills of the Wienerwald on the horizon we had breakfasted below Fischeramend under a grove of birch trees roaring in the wind and had then swept on the

tearing current past Orth Hainburg Petronell the old Roman Carnuntum of Marcus Aurelius and so under the frowning heights of Theben on a spur of the Carpathians where the March steals in quietly from the left and the frontier is crossed between Austria and Hungary

and much to speak out about **Shadow Voices** John Connolly, 2021-10-28 All hardbacks in the first print run will be signed by the author The story of genre fiction horror romantic fiction science fiction crime writing and more is also the story of Irish fiction Irish writers have given the world Lemuel Gulliver Dracula and the world of Narnia They have produced pioneering tales of detection terrifying ghost stories and ground breaking women s popular fiction Now for the first time John Connolly s one volume presents the history of Irish genre writing and uses it to explore how we think about fiction itself Deeply researched and passionately argued SHADOW VOICES takes the lives of more than sixty writers by turns tragic amusing and adventurous but always extraordinary and sets them alongside the stories they have written to create a new way of looking at genre and literature both Irish and beyond Here are vampires and monsters murderers and cannibals Here are female criminal masterminds and dogged detectives star crossed lovers and vengeful spouses Here are the SHADOW VOICES The Encyclopedia of Fantasy John Clute, John Grant, 1999-03-15 Like its companion volume The Encyclopedia of Science Fiction this massive reference of 4 000 entries covers all aspects of fantasy from literature to art **The Haunted House in Women's Ghost Stories** Emma Liggins, 2020-06-30 This book explores Victorian and modernist haunted houses in female authored ghost stories as representations of the architectural uncanny It reconsiders the gendering of the supernatural in terms of unease denial disorientation confinement and claustrophobia within domestic space Drawing on spatial theory by Gaston Bachelard Henri Lefebvre and Elizabeth Grosz it analyses the reoccupation and appropriation of space by ghosts women and servants as a means of addressing the opposition between the past and modernity The chapters consider a range of haunted spaces including ancestral mansions ghostly gardens suburban villas Italian churches and houses subject to demolition and ruin The ghost stories are read in the light of women s non fictional writing on architecture travel interior design sacred space technology the ideal home and the servant problem Women writers discussed include Elizabeth Gaskell Margaret Oliphant Vernon Lee Edith Wharton May Sinclair and Elizabeth Bowen This book will appeal to students and researchers in the ghost story Female Gothic and Victorian and modernist women s writing as well as general readers with an interest in the supernatural **Victorian Ghosts in the Noontide** Vanessa D. Dickerson, 1996 An interesting rereading of familiar texts by Emily and Charlotte Bronte Elizabeth Gaskell and George Eliot recovering the historical and literary roots of the supernatural as it appears in each women s work Dickerson English Rhodes College makes interesting observations about women s changing roles in the 19th century when scientific advancements relegated women to the home as arbiters of the spiritual while men occupied themselves with rational invention Through close readings she demonstrates how the Brontes Gaskell and Eliot resisted this division and simultaneously created a spiritual genre of writing traditionally denigrated by critics Annotation copyrighted by Book News Inc Portland OR **Dreams of Love** Ivan Raykoff, 2014 Dreams of Love pursues a wide ranging interdisciplinary approach to understanding the concert pianist as a Romantic and seductive even erotic figure in the popular imagination focusing on the role of technology in perpetuating this

mythology over the past two centuries through the touch sights and sounds of the pianist s playing **The Year's Best Fantasy and Horror** ,1993 **Scare Tactics** Jeffrey Andrew Weinstock,2009-08-25 Scare Tactics identifies an important but overlooked tradition of supernatural writing by American women Jeffrey Weinstock analyzes this tradition as an essentially feminist attempt to imagine alternatives to a world of limited possibilities In the process he recovers the lives and works of authors who were important during their lifetimes and in the development of the American literary tradition but who are not recognized today for their contributions Between the end of the Civil War and roughly 1930 hundreds of uncanny tales were published by women in the periodical press and in books These include stories by familiar figures such as Edith Wharton Harriet Beecher Stowe and Charlotte Perkins Gilman as well as by authors almost wholly unknown to twenty first century readers such as Josephine Dodge Bacon Alice Brown Emma Frances Dawson and Harriet Prescott Spofford Focusing on this tradition of female writing offers a corrective to the prevailing belief within American literary scholarship that the uncanny tale exemplified by the literary productions of Irving Poe and Hawthorne was displaced after the Civil War by literary realism Beyond the simple existence of an unacknowledged tradition of uncanny literature by women Scare Tactics makes a strong case that this body of literature should be read as a specifically feminist literary tradition Especially intriguing Weinstock demonstrates is that women authors repeatedly used Gothic conventions to express discontentment with circumscribed roles for women creating types of political intervention connected to the broader sphere of women s rights activism Paying attention to these overlooked authors helps us better understand not only the literary marketplace of their time but also more familiar American Gothicists from Edgar Allan Poe to Shirley Jackson to Stephen King
