New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism

Dorothy G. Rogers

New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism:

New England Transcendentalism and St. Louis Hegelianism Henry August Pochmann, 1948 **New England Transcendentalism and St. Louis Hegelianism** Henry A. Pochmann, Henry Conrad Brokmeyer, Ralph Waldo Emerson, 2011-10-01 Additional Contributors Include William Torrey Harris And Georg Wilhelm Friedrich Hegel **New England Transcendentalism and St. Louis Hegelianism** Henry August Pochmann, 1970 A comparative study of the convergence interpretation of two phases in the history of American Philosophical Idealism *A Search for Unity in Diversity* James Allan Good, 2006-01-01 A Search for Unity in Diversity examines the traditional readings of John Dewey's relationship to Hegel and demonstrates that Dewey's later pragmatism was a development of the historicist humanistic Hegel rather than a turning away from Hegelian philosophy Good argues that Dewey drew upon resources he found in the writings of St Louis Hegelians to fashion a non metaphysical reading of Hegel A Search for Unity in Diversity reasons that Hegel encouraged Dewey to understand philosophy as an exercise in individual and cultural reconstruction Beyond exposing fatal flaws in the traditional reading of Dewey's relationship to Hegel Good shows that Dewey's pragmatism is a development rather than a rejection of Hegel's philosophy This not only explains Dewey's Hegelian deposit it also sheds light on why recent Hegel scholars have found elements of pragmatism in Hegel's thought and provides grounds for rapprochement between American pragmatism and Continental European philosophy **German Idealism's Trinitarian Legacy** Dale M. Schlitt, 2016-10-20 A study of the roots and legacy of German Idealist philosophy for trinitarian theology Dale M Schlitt presents a study of trinitarian thought as it was understood and debated by the German Idealists broadly engaging Schelling's philosophical interpretations of Trinity as well as Hegel's and analyzing how these Idealist interpretations influenced later philosophers and theologians Divided into different sections one considers nineteenth century central Europeans Philipp Marheineke Isaak August Dorner and Vladimir Sergeyevich Solovyov under the rubric testimonials Another section studies twentieth century Germans Karl Barth Karl Rahner and Wolfhart Pannenberg who share family resemblances with the Idealists and a third addresses the work of twentieth and twenty first century Americans Robert W Jenson Catherine Mowry LaCugna Joseph A Bracken and Schlitt himself whose work reverberates with what Schlitt terms transatlantic Idealist echoes The book concludes with reflection on the overall German Idealist trinitarian legacy noting several challenges it offers to those who will pursue creative trinitarian reflection in the future *The Legacy of Hegel* J.J. O'Malley, K.W. Algozin, H.P. Kainz, L.C. Rice, 2012-12-06 The present volume represents the proceedings of the Marquette Hegel Symposium held at Marquette University Milwaukee Wisconsin on June 2-5 1970 The Symposium celebrating the two hundredth anniversary of Hegel's birth was presented under the combined sponsorship of the Philosophy Department of Marquette University the American Council of Learned Societies and the Johnson Foundation of Racine Wisconsin Its general theme embraced not only specific topics of interest in contemporary Hegel studies but also the wider aspects of the influences and impact of

Hegel's thought upon contemporary philosophical, political, and social problems. Principal contributors and panelists were selected for their scholarly achievements in Hegel studies and also in keeping with the broad view of the Hegelian legacy in current thought. All sessions of the Symposium were plenary and designed for maximum discussion and interchange among participants. The Symposium Committee regrets that it has not been feasible to incorporate the transcript of the discussions except for the round table discussion on editing and translating Hegel into this volume. The papers presented in each day's sessions are published here with editorial changes and corrections made by their respective authors. The papers by Professors Otto Poggeler and Eric Weil were originally translated by members of our Committee; the present versions incorporate many changes and corrections made by their authors. The comments on each paper were brought into their present form only after the Symposium and in the light of the discussions which took place during it.

The Reception of Pragmatism in France and the Rise of Roman Catholic Modernism, 1890-1914 David G. Schultenover, 2009. This collection of essays provides a small revolution in the study of Roman Catholic Modernism, a movement that until now has been largely seen as an episode that underscored institutional Catholicism's isolation from the mainstream intellectual currents of the time.

Frank Lloyd Wright And Japan Revisited: Traditional Japanese Culture As A Means To Modern American Architecture Kevin Nute, 2024-12-13. Although it has long been accepted that America's most famous architect was influenced by Japanese culture, the nature of Frank Lloyd Wright's debt to Japan has remained unclear. This book argues that Japan had a more profound impact on Wright's approach to design and in particular on his notion of the organic than has previously been acknowledged. It suggests that the influence of Ernest Fenollosa (1853-1908), the leading American authority on Japanese art at the turn of the 20th century who also happened to be the cousin of Wright's first employer in Chicago, the Shingle Style architect Joseph Silsbee (1848-1913), was pivotal in bringing together what would become Wright's twin passions of Japanese art and the organic whole. Building on the success of the original book, which won the 1994 American Institute of Architects International Architectural Monograph Award, this revised and expanded edition contains new sections on the Western image of Japan as well as other topics, the question of cultural appropriation, and Wright's translation of Japanese building forms into his own architectural language.

Dictionary of Modern American Philosophers John R. Shook, 2005-01-01. The Dictionary of Modern American Philosophers includes both academic and non-academic philosophers and a large number of female and minority thinkers whose work has been neglected. It includes those intellectuals involved in the development of psychology, pedagogy, sociology, anthropology, education, theology, political science, and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century. Each entry contains a short biography of the writer, an exposition and analysis of his or her doctrines and ideas, a bibliography of writings, and suggestions for further reading. While all the major post-Civil War philosophers are represented, the most valuable feature of this dictionary is its coverage of a huge range of less well-known writers, including hundreds of presently obscure thinkers. In

many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

Ideology and the Ideologists Lewis S. Feuer, 2017-07-05 The revival of ideology which began early in the second half of the last century has led to reconsideration of the following questions What underlies the pattern of the rise and decline of the ideological mode of thought What leads young intellectuals to search for an ideology What accounts for the changes in ideological fashion over time and nation and shifts from one set of philosophical tenets to another Who indeed are the intellectuals Studies of ideology have tended to range themselves for or against particular viewpoints or have concerned themselves with defining perspectives The purpose of this book is to examine the common causal patterns in the development of various differing ideologies Feuer finds that any ideology may be said to be composed of three ingredients The most basic and invariant is some form of Mosaic myth Every ideology also has its characteristic philosophical tenets spreading from left to right which conform to the cycle of ideas and finally an ideology must be taken up by some section of the population who can translate it into action Intellectuals in generational revolt find in some version of the ideological myth a charter and dramatization of their emotions aims and actions Since each generation of intellectuals tends to reject its predecessors doctrines a law of intellectual fashion arises the alternation of philosophical doctrines Ideology has inevitably made for an authoritarian presumption on the part of master intellectuals and marginal ones and assumes their antagonism to objective truth and science It is Feuer's contention that only when intellectuals abandon ideology in favor of science or scholarship will an unfortunate chapter in the history of human unreason be overcome

Ideology and the Ideologists Lewis S. Feuer, 2011-12-31 The revival of ideology which began early in the second half of the last century has led to reconsideration of the following questions What underlies the pattern of the rise and decline of the ideological mode of thought What leads young intellectuals to search for an ideology What accounts for the changes in ideological fashion over time and nation and shifts from one set of philosophical tenets to another Who indeed are the intellectuals Studies of ideology have tended to range themselves for or against particular viewpoints or have concerned themselves with defining perspectives The purpose of this book is to examine the common causal patterns in the development of various differing ideologies Feuer finds that any ideology may be said to be composed of three ingredients The most basic and invariant is some form of Mosaic myth Every ideology also has its characteristic philosophical tenets spreading from left to right which conform to the cycle of ideas and finally an ideology must be taken up by some section of the population who can translate it into action Intellectuals in generational revolt find in some version of the ideological myth a charter and dramatization of their emotions aims and actions Since each generation of intellectuals tends to reject its predecessors doctrines a law of intellectual fashion arises the alternation of philosophical doctrines Ideology has inevitably made for an authoritarian presumption on the part of master intellectuals and marginal ones and assumes their antagonism to objective truth and

science It is Feuer s contention that only when intellectuals abandon ideology in favor of science or scholarship will an unfortunate chapter in the history of human unreason be overcome

The Transcendentalist Ministers William R. Hutchison, 2005-05-11 This book awarded the Brewer Prize by the American Society of Church History is a study of the efforts of the Transcendentalists of the New England Renaissance to reform the Unitarian Church Scholarly interpreters have in general agreed on the basic religious orientation of the Transcendentalist Movement Mr Hutchison however believes that it was far more than a tendency to appraise the universe in terms of an intuitive faith Most of the men closely associated with the Movement in New England were Unitarian ministers and he has concentrated on their attempt to apply transcendental thinking to theology and to the everyday problems of the parish ministry At the same time he has produced a sympathetic appraisal of the conservative Unitarian position in his review of the so called Transcendentalist Controversy Yale Historical Publications Miscellany 71 Mr Hutchison is associate professor of American civilization at The American University in Washington D C

America's First Women Philosophers Dorothy G. Rogers, 2009-06-15 This is the first book about the women of the early American idealist movement in philosophy and a chapter is devoted to the life practical work and philosophical ideas of each of them

The Masterless Wilfred M. McClay, 2000-11-09 In this provocative book Wilfred McClay considers the long standing tension between individualism and social cohesion in conceptions of American culture Exploring ideas of unity and diversity as they have evolved since the Civil War he illuminates the historical background to our ongoing search for social connectedness and sources of authority in a society increasingly dominated by the premises of individualism McClay borrows D H Lawrence s term masterless men extending its meaning to women as well and argues that it is expressive of both the promise and the peril inherent in the modern American social order Drawing upon a wide range of disciplines including literature sociology political science philosophy psychology and feminist theory McClay identifies a competition between visions of dispersion on the one hand and coalescence on the other as modes of social organization In addition he employs intellectual biography to illuminate the intersection of these ideas with the personal experiences of the thinkers articulating them and shows how these shifting visions are manifestations of a more general ambivalence about the process of national integration and centralization that has characterized modern American economic political and cultural life

The Oxford Handbook of American and British Women Philosophers in the Nineteenth Century Lydia Moland, John D and Catherine T MacArthur Professor of Philosophy Lydia Moland, Alison Stone, 2025 The Oxford Handbook of American and British Women Philosophers in the Nineteenth Century challenges the misconception that there were no female philosophers during this era It explores the diverse philosophical contributions of women including those who wrote academic texts novels pamphlets journalism and activist writings and examines women s contributions to both philosophical movements and topics in social philosophy It reveals that the nineteenth century was more conducive to women authors than commonly believed and discusses how factors like race and class influenced women s philosophical perspectives The Handbook corrects the

historical narrative and broadens our understanding of philosophy by showcasing the significant contributions of women philosophers

The Philosophy of Education of William Torrey Harris in the Annual Reports Peter M. Collins, 2008

The intertwining careers of William Torrey Harris 1835 1909 converge in twelve of the Annual Reports of the Board of Directors for St Louis Public Schools Harris formulated most of the essential features of these twelve reports as the Superintendent of Schools from 1867 to 1869 These particular reports which have been acclaimed nationally and internationally are said to be among the most valuable official publications in American educational literature They are far different from the descriptive documents originally intended by their author This study demonstrates that Harris provided an authentic philosophy of education a set of interrelated philosophical principles and their applications to educational problems The substance of Harris s philosophy of education is focused upon a broadly based philosophical anthropology in relationship primarily to the purposes curriculum and teaching methods in intellectual moral and religious education

Literature in the Making Nancy Glazener, 2015-10-15 In the eighteenth century literature meant learned writings by the twentieth century literature had come to be identified with imaginative aesthetically significant works and academic literary studies had developed special protocols for interpreting and valuing literary texts Literature in the Making examines what happened in between how literature came to be more precisely specified and valued how it was organized into genres canons and national traditions and how it became the basis for departments of modern languages and literatures in research universities Modern literature the version of literature familiar today was an international invention but it was forged when literary cultures traditions and publishing industries were mainly organized nationally Literature in the Making examines modern literature s coalescence and institutionalization in the United States considered as an instructive instance of a phenomenon that was going global Since modern literature initially offered a way to formulate the value of legacy texts by authors such as Homer Cervantes and Shakespeare however the development of literature and literary culture in the U S was fundamentally transnational Literature in the Making argues that Shakespeare studies one of the richest tracts of nineteenth century U S literary culture was a key domain in which literature came to be valued both for fuelling modern projects and for safeguarding values and practices that modernity put at risk a foundational paradox that continues to shape literary studies and literary culture Bringing together the histories of literature s competing conceptualizations its print infrastructure its changing status in higher education and its life in public culture during the long nineteenth century Literature in the Making offers a robust account of how and why literature mattered then and matters now By highlighting the lively collaboration between academics and non academics that prevailed before the ascendancy of the research university starkly divided experts from amateurs Literature in the Making also opens new possibilities for envisioning how academics might partner with the reading public

The Bloomsbury Encyclopedia of Philosophers in America John R. Shook, 2016-02-11 For scholars working on almost any aspect of American thought The Bloomsbury Encyclopedia to Philosophers in America

presents an indispensable reference work Selecting over 700 figures from the Dictionary of Early American Philosophers and the Dictionary of Modern American Philosophers this condensed edition includes key contributors to philosophical thought From 1600 to the present day entries cover psychology pedagogy sociology anthropology education theology and political science before these disciplines came to be considered distinct from philosophy Clear and accessible each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading Featuring a new preface by the editor and a comprehensive introduction The Bloomsbury Encyclopedia to Philosophers in America includes 30 new entries on twenty first century thinkers including Martha Nussbaum and Patricia Churchland With in depth overviews of Waldo Emerson Margaret Fuller Noah Porter Frederick Rauch Benjamin Franklin Thomas Paine and Thomas Jefferson this is an invaluable one stop research volume to understanding leading figures in American thought and the development of American intellectual history

Hegel in the Arab World Lorella Ventura, 2018-05-02 Hegel's philosophy has been of fundamental importance for the development of contemporary thought and for the very representation of Western modernity This book investigates Hegel's influence in the Arab world generally considered other and far from the West focusing specifically on Syria Lebanon and Egypt Lorella Ventura discusses the reception of Hegelian thought and outlines a conceptual grid to help interpret the historical cultural and political events that have affected the Arab region in the last two centuries and shed light on some aspects of its complex relationship with the western world

Women Philosophers Volume I Dorothy G. Rogers, 2020-02-06 Illuminating a significant moment in the development of both American and feminist philosophical history this book explores the pioneering thought of the women in the early American Idealist movement and outgrowths of it in the late nineteenth century Dorothy Rogers specifically examines the ideas of women who entered philosophical discourse through education and social activism She begins by discussing innovative educators some of whom were members of the influential Idealist movement in St Louis Missouri in the eighteen sixties and seventies She then looks at the ideas and impact of women who were independent scholars and social and political activists Throughout the volume Rogers explores how Idealist thought developed matured and was transformed over time across lines of race culture and socio economic class Several of the women discussed were ardent feminists and activists Mary Church Terrell Anna C Brackett Grace C Bibb Ana Roqu Ellen M Mitchell Lucia Ames Mead Jane Addams Ida B Wells Barnett and Luisa Capetillo By providing exciting new insights into the work of these early women philosophers and introducing the next generation of women who shared the same ideals and influences Rogers deftly elucidates the genealogy of women's thought as it developed across North America

New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism
Introduction

New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism Offers over 60,000

free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism Offers a diverse range of free eBooks across various genres. New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism, especially related to New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism books or magazines might include. Look for these in online stores or libraries. Remember that while New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of New

England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism eBooks, including some popular titles.

FAQs About New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism Books

What is a New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a New England Transcendentalism And St Louis Hegelianism Phases In The History Of American Idealism PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs?

Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
