

A pair of hands is shown from the bottom, cupping a small, dark brown mound of soil. A young tree with a thin, dark trunk and a full, rounded canopy of bright green leaves grows out of the soil. The background is a soft, out-of-focus gradient of light blue and green, suggesting a clear sky and foliage. In the top left corner, there are several overlapping, semi-transparent blue geometric shapes, possibly squares or triangles, arranged in a cluster. The overall image conveys a sense of care, growth, and renewal.

The Missing Church Robert H. Baldwin,2010-08 Are you working harder at church these days but enjoying it less Are you wondering why amid so much Christian church activity American life seems to be angrier and more fragmented and stressful Why isn t the Body of Christ more powerful in shaping culture Galen Blom and Bob Baldwin take a fresh approach to these questions in The Missing Church The Power of Being the Body of Christ in the Family Neighborhood and Workplace and the answer is profoundly simple the church has little influence on our society because it is missing from the people groups that actually exercise dominion in our culture our families our local neighborhoods our places of work and our schools But how can the church be present in the family and in a suburban neighborhood And isn t it illegal for Christians to be the church at work or at school Blom and Baldwin trace God s plan for human society from Genesis through the New Testament His Word has much to say about what Christians are to be together as Christ s Body within these strategic people groups The good news is God s call is not something additional we have to add to our already busy lives It is simply a call to live in community that adds wholeness and meaning to every part of life Let The Missing Church help you see church in a new way

Essential Presidential Prayers and Texts Daniel J. Merz,2011

Stumbling in Holiness Brian P. Flanagan,2018-09-25 In Stumbling in Holiness professor and theologian Brian P Flanagan addresses the ways in which both holiness and sinfulness condition the life of the pilgrim church The book is rooted in a liturgical theological explanation of how the church prays through its continuing need for repentance and purification as well as its belief in its present and future participation in the life of the Holy One After reviewing some of the ways in which past theologians have tried to explain the coexistence of ecclesial holiness and sinfulness Flanagan suggests that even if we can have confidence that God will fully sanctify the church in the reign of God our ecclesiology must always

attend to both the sanctity we already experience in the church and the sinfulness that is part of our continuing journey toward that reign

Presbyterian Banner, 1907 **Addition through Subtraction** Desmond Barrett, 2022-04-13 What if the crucial member was not as vital as you first thought What if the crucial member was a critical member that was holding back the church Think about it this way what if the person's subtraction leaving the church became an addition for the body If you are confused do not give up on this resource just yet Stick with Desmond Barrett as he unpacks what he has learned leading established churches Be honest with yourself leadership can be challenging through any loss but when someone leaves on purpose and in turn blames you it's gut wrenching Know this truth God has a plan for

the local church and if you are willing to surrender to God's plan great things will come from the loss God revealed to the author several years ago ways to look at subtraction as addition and see it as a positive rather than a negative The
