**Wild Night** Floran Cazeau, 2013 I had not gone anywhere while still being at the same corner of the great boulevard observing life in its colors its good or annoying notes and its rhythm I'm still in the same convoy of the living and the dead looking at me and observing you at the same time without any of us perceiving each other in this dull tumult that engorges us and hypnotizes us I greet you all and I come back with the same smile and another bunch of poems that is none other than notes of joy sorrow and love that sound and resound in our daily life In any case these notes do not rhyme with your taste or please your whim I apologize because I did not invent them as they fall naturally within the scope of my poetic contemplation They come to me and it is my duty to host them and distribute them all in their folly and naive naturalism As always I do not force you but I invite you to read this book and find the notes that resemble you or remind you of a life living experience even a friend or forgotten memories
