Covenant Chris Woodall,2011-09-14 The premise of this book lies in its title God makes himself known to us in a number of ways through the created order by way of human conscience the unfolding of world events the inherent religious need in man through his written Word and ultimately of course in the Person of Jesus Christ Why he does so is a mystery which we can only assign to sovereign choice The basis upon which he does so however is covenant This being the case not only is the idea of covenant a valid hermeneutic by which to understand Scripture but a vital one without which it would be impossible for us to fully appreciate the divine revelation that is available to us in and attainable to us by the Bible Many Christians will be familiar with the idea that Christ fulfills the Old Testament prophecies and promises concerning God's people in the Old Testament But when we begin to see this too in terms of covenant then we begin to more fully understand precisely what it was that Christ fulfilled and what the implications of this are for those of us who are what the Bible calls in Christ Not only did Jesus meet all the requirements of the overarching theme of the Old Testament in general terms but he filled out to their fullest potential all the intricacies of detail of each of the separate divine covenants that we find there The benefits of this for us are beyond measure the comprehension of them is mind blowing and the treasures they hold simply await our unlocking of them Take the key and peer inside You will not be disappointed

language Yeshua spoke and the culture of Yeshua's day These methods were initially developed by the Sage Hillel over 2000 years ago augmented and the author Semitic Bible study methods are based on asking questions about the Scripture examining the language and culture of that day This is a strange idea for church people because the Church teaches that only the Church can interpret Scripture This is not true God wants us to ask questions because Scripture's meaning is as deep as God and God is infinite *A Biblical Hebrew/Christian Psychology* Harold Jenkerson, Ph.D.,2011-12-12 This is an introductory Christian textbook on a biblical psychology of the individual **The book of Job. Behold, I AM Joyce Lynn Wulf,2023-11-13 It was a childlike question but the answer was as stunning as it was profound If God is light what do the primary colors of the rainbow's spectrum signify The Gospel of John declares in eight mysterious signs that God is light and Jesus Christ in the flesh was God sent to bring the light of true life to us These enigmatic signs of light semeion imply the eight signs significance pointed to something other than what they appeared The themes of John's eight signs match the themes of the Feasts given to ancient Israel at Mount Sinai and a sequence of YHWH's covenant names Behold I AM is a rich in depth study into God's Holyday appointed times His eight Festivals of Light what they meant then what they mean today and how they are fulfilling prophecy *The Cultic Motif in the Book of Daniel* Winfried Vogel,2010 This unique study of the theology of the book of Daniel examines the cultic motif within the book as it relates to space and time Numerous references and allusions to cult are investigated with linguistic literary and contextual analyses The findings are then related to the main theological themes of the book such as judgment eschatology kingdom and worship It is evident that the idea of cult plays a dominant role in Daniel and that it demonstrates the intention of the author to present the issue of conflict of two opposing systems of cult and worship For all who are interested in an exegesis of Daniel that pays dutiful attention to the theology of Daniel *The Cultic Motif in the Book of Daniel* is a must read
