Chapter 1, Verse 1 Tom Allen,2010-08-06 The Book of Revelation is not about the destruction of the world It is about the revealing of Jesus Christ in you Chapter 1 Verse 1 explores the manifestation of Christ within us by providing a verse by verse explanation of the symbolism found in the Book of Revelation It explains how and why this last book of the Bible reveals the mystery of God Christ in you Here is the return of Jesus Christ the one who said I am with you always Christ is revealed in us to us and through us The Sequence Steven R. Bates,2024-08-30 Sometimes the best way to let one know what

something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in

With a diagram of the scheme of the prophecy. [With the text.]*, 1850. **The Missionary Magazine**, 1801. The Revelation of st. John, expounded, tr. by P. Fairbairn. Ernst Wilhelm Hengstenberg, 1852. **Gnomon of the New Testament ... Revised and Edited by Rev. Andrew R. Fausset**. Johann Albrecht Bengel, 1866. **Revelation 12-22 (ITC)**. Peter J. Leithart, 2018-02-22. The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document, though there are short apocalyptic passages in various places in the gospels and the epistles. This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book. Revelation brings together the worlds of heaven, earth, and hell in a final confrontation between the forces of good and evil. Its characters and images are both real and symbolic, spiritual and material, and it is frequently difficult to know the difference between them. Revelation's cryptic nature has ensured that it would always be a source of controversy. This commentary focuses on the theological content, gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths. Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students, both professionals and laypeople alike. Through its focus on the message of the book through scholarly analysis, this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement, though not slavish repetition.
