Nun Of This And Nun Of That:

Nun of This and Nun of That Mary Hilaire Tavenner, 2001-11-27 Visit the author's website at www.DutchInk.com After leaving her religious order in October of 1984 Hilaire had two ambitions to write a realistic book about convent life and to earn a Ph.D. from the University of South Florida. Working full time as a teacher made her realize one of these ambitions would have to wait so after starting her book *Nun of This and Nun of That* she set it aside for the next eight years until she earned her doctorate. Her novel spans almost ten years of religious life starting in 1963 when twenty-five young women all enter a convent in Albany, New York. This is a story of all the girls but particularly three who enter, live, stay in, and leave religious life for various reasons. The author invites the reader into the secret cloisters of convent living beyond the front parlor, once the only space available to visitors. Every life experience is unique to every woman in religious life but the adventures and journeys of these three girls reveal the joys, sorrows, trials, tribulations, and triumphs of convent living during and after the Second Vatican Council. Dr. Tavenner calls her book realistic fiction though most of it is based on true stories. Dr. Tavenner lived among her community members for almost twenty years and even while in the convent began the groundwork and outlines for this book. Many may be incensed or indignant of her portrayal of characters but for the men and women familiar with convent living, the Church, and priesthood of the 1960s, *Nun of This and Nun of That* is *deja vu*. **Nun of This and Nun of That** Mary Hilaire Tavenner, 2001-11-27 Visit the author's website at www.DutchInk.com [The Nuns of Port Royal](#) Mary E. Lowndes, 1909 **The Nun's Tale** Pae Robin, 2012-07-04 Joe Vale flew from hometown Chicago to London looking for a nun's killer but he's got big problems: he's fallen for a Soho nightclub dancer, she's slipped him a Mickey Finn, and left him to take the rap for her colleague's murder. With gangland thugs and the long arm of the law after him, Joe's fugitive odyssey takes him to the core of a strange international conspiracy. **I Said, "I Am A Nun"** June A. Ramsay, 2010-09-22 Rose, a small town European girl, had one passion for life: she wanted to be a nun. Rose was wronged and brutally injured after her first year in convent; her wounded life had to be placed in a cast to heal. While healing, she found a second passion that kept her alive but that second passion was forbidden. Julia, her confidant, kept her protected from life's realities until she was healed and ready to step out of her cast and face the world unveiled. When that cast was removed, Rose found new strength and courage that propelled her to stand face to face with the one opponent who had wounded her and kept her suffocated for more than three decades. In that full circle moment, Rose was set free to claim a new life on her terms with a renewed vision to live out her old passions in disguised ways. Today, South Korea's Buddhist nuns have a thriving monastic community under their own control and they are well known as meditation teachers and social service providers. However, little is known of the

women who preceded them Using primary sources to reveal that which has been lost forgotten or willfully ignored this work reveals various figures milieux and activities of female adherents clerical and lay Contributors consider examples from the early days of Buddhism in Korea during the Three Kingdoms and Unified Silla periods first millennium CE the Kory period 982 1392 when Buddhism flourished as the state religion the Chos n period 1392 1910 when Buddhism was actively suppressed by the Neo Confucian Court and the contemporary resurgence of female monasticism that began in the latter part of the twentieth century
