Passion to Dance James Neufeld,2011-10-23 This is the story of the National Ballet of Canada the people the determination and how at sixty it is still creating new work while still representing the classics Passion to Dance is the story of the National Ballet of Canada the people who dreamt the

company into existence the determination needed to keep it afloat the bumps on the road to its success and above all its passion for dance as a living evolving art form From catch as catch can beginnings borrowed quarters tiny stages enormous dreams the National Ballet has emerged as one of North America's foremost dance troupes The company at sixty is a company of its time engaged in creating challenging new work yet committed to maintaining the classics of the past favourites like Swan Lake The Nutcracker and The Sleeping Beauty One hundred and fifty photographs from the company's archives illustrate this definitive history filled with eyewitness accounts backstage glimpses and fascinating detail This is a record of one of Canada's boldest cultural experiments a book to enjoy now and keep forever Russians in Hollywood, Hollywood's Russians Harlow Robinson, 2007 The story of Russian emigres in Hollywood and the depiction of Russians in Hollywood films **Art/Museums** Christine Sylvester, 2015-12-03 Art Museums takes the study of international relations to the art museum It seeks to persuade those who study international relations to take art museums seriously and museum studies to take up the insights of international relations And it does so at a time when both international relations and art are said to be at an end that is out of control and beyond sight of their usual constituencies The book focuses on the British Museum the National Gallery of London the Museum of Iraq the Museum of Modern Art in New York the Getty museums the Guggenheim museums and museum spaces instantly created by the attacks on the World Trade Center in 2001 The art includes works over which museums might struggle acquire through questionable means hoard and possibly lose such as the Parthenon sculptures Raphael's Madonna of the Pinks the ancient art of Babylon modern art and the art museum itself in an era of rapid museum expansion Bringing art museums and international relations together draws on the art technique of collage which combines disparate objects themes and time periods in one work to juxtapose unexpected elements leaving the viewer to relate objects that are not where they are expected to be Women and Gay Men in the Postwar Period John Portmann, 2016-07-14 Friendships between women and gay men captivated the American media in the opening decade of the 21st century John Portmann places this curious phenomenon in its historical context examining the changing social attitudes towards gay men in the postwar period and how their relationships with women have been portrayed in the media As women and gay men both struggled toward social equality in the late 20th century some women understood that defending gay men who were often accused of effeminacy was in their best interest Joining forces carried both political and personal implications Straight women used their influence with men to prevent bullying and combat homophobia Beyond the bureaucratic fray women found themselves in transformed roles with respect to gay men as their mothers sisters daughters caregivers spouses voters employers and best friends In the midst of social hostility to gay men during the AIDS crisis of the 1980s and 1990s a significant number of gay women volunteered to comfort the afflicted and fight reigning sexual values Famous women such as Elizabeth Taylor and Barbra Streisand threw their support behind a detested minority while countless ordinary women did the same across America Portmann celebrates not only women who made the headlines but

also those who did not Looking at the links between the women s liberation and gay rights movements and filled with concrete examples of personal and political relationships between straight women and gay men *Women and Gay Men in the Postwar Period* is an engaging and accessible study which will be of interest to students and scholars of 20th and 21st century social and gender history

The Cambridge Companion to Ballet Marion Kant, 2007-06-07 Ballet is a paradox much loved but little studied It is a beautiful fairy tale detached from its origins and unrelated to the men and women who created it Yet ballet has a history little known and rarely presented These great works have dark sides and moral ambiguities not always nor immediately visible The daring and challenging quality of ballet as well as its perceived safe nature is not only one of its fascinations but one of the intriguing questions to be explored

in this Companion The essays reveal the conception intent and underlying meaning of ballets and recreate the historical reality in which they emerged The reader will find new and unexpected aspects of ballet its history and its aesthetics the evolution of plot and narrative new insights into the reality of training the choice of costume and the transformation of an old art in a modern world **Film/AV News** ,1965 **Leonard Maltin's Movie Guide** Leonard Maltin,2017-11-28 Previously published as Leonard Maltin s 2015 Movie Guide this capstone edition includes a new Introduction by the author Note No new reviews have been added to this edition Now that streaming services like Netflix and Hulu can deliver thousands of movies at the touch of a button the only question is What should I watch Summer blockbusters and independent sleepers the masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Woody Allen animated classics from Walt Disney and Pixar the finest foreign films ever made This capstone edition covers the modern era while including all the great older films you can t afford to miss and those you can from box office smashes to cult classics to forgotten gems to forgettable bombs listed alphabetically and complete with all the essential information you could ask for With nearly 16 000 entries and more than 13 000 DVD listings Leonard Maltin s Movie Guide remains head and shoulders above the rest The New York Times Also included are a list of mail order and online sources for buying and renting DVDs and videos official motion picture code ratings from G to NC 17 and Leonard s list of recommended films Leonard Maltin's 2015 Movie Guide Leonard Maltin,2014-09-02 NEARLY 16 000 ENTRIES INCLUDING 300 NEW ENTRIES AND MORE THAN 13 000 DVD LISTINGS Summer blockbusters and independent sleepers masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Buster Keaton animated classics from Walt Disney and Pixar the finest foreign films ever made This 2015 edition covers the modern era from 1965 to the present while including all the great older films you can t afford to miss and those you can from box office smashes to cult classics to forgotten gems to forgettable bombs listed alphabetically and complete with all the essential information you could ask for NEW Nearly 16 000 capsule movie reviews with 300 new entries More than 25 000 DVD and video listings Up to date list of mail order and online sources for buying and renting DVDs and videos MORE Official motion picture code ratings from G to NC 17 Old and new theatrical and video releases rated to BOMB Exact running times an invaluable guide for recording and for discovering which movies have been edited Reviews of little known sleepers foreign films rarities and classics Leonard s personal list of Must See Movies Date of release running time director stars MPAA ratings color or black and white Concise summary capsule review and four star to BOMB rating system Precise information on films shot in widescreen format Symbols for DVDs videos and laserdiscs Completely updated index of leading actors
