Volume of the Directory of Nursing Home Facilities: West National Center for Health Statistics (U.S.), 1975 **Hearings** United States. Congress. House. Committee on Veterans' Affairs, 1966

Directory of Nursing Homes, 2001 **Er Adventures in Rural America** Ken Jones Jr. MD, 2020 This is the story of a General Surgeon in the American south who grew up in a time when there was little or no air conditioning except for the super wealthy and even some rural homes had no indoor plumbing. Following a two-year stint in the Air Force during the Vietnam era, I completed my surgical training and began a long career in General Pediatric and finally Bariatric obesity Surgery in a medium-sized Southern American city. It was a sheer joy to be instrumental in totally changing people's lives, particularly those who were morbidly obese. After doing over 4000 bariatric cases and helping them to appreciate a new lifestyle and longevity, laparoscopy was added to bariatric surgery, which almost spelled its doom initially. However, cool heads persisted; the surgeons got the proper training they needed, and open to laparoscopic bariatric surgery changed almost overnight as learning curve complication rates plummeted. Rather than exposing my patients to the same for the first several hundred cases in my late 60s, I decided to retire. Since I still had lots of energy and realizing that one can only play so much golf, I recalled my residency days moonlighting in rural ERs. This book is dedicated to an almost endless string of characters who were the basis of the stories you will read about herein. It is certainly not meant as a how-to-do book in layman's ER medicine but merely an entertaining treatise about so many things in this 9-year ER career which brought so many smiles to my face. Not only did I get a great sense of fulfillment as I realized how much diagnostic and fundamental surgical expertise is appreciated in the boonies but also the thanks that I would get from the eyes and hearts of my rural patients. I was so privileged to see so many changes in equipment and knowledge as well as diagnostic and therapeutic skills compared to my past experience in early 1970s. All these things are described herein, and I hope you enjoy their descriptions as much as I have telling you these stories. Thanks in advance for listening. *Real Resumes for Nursing Jobs* Anne McKinney, 2003 Even within the nursing field, there are a wide variety of positions, and this book shows samples of resumes and cover letters that have worked. This title will be a valuable resource to nursing professionals who seek clinical nursing or administrative positions. Newly minted nurses and newcomers to the field will learn how to show off their clinical rotations to best advantage. Nurses often change fields too, and the book includes resumes of nurses who have successfully transitioned into

pharmaceutical sales and other areas A bonus of this book is that it includes samples of paperwork involved in getting federal government jobs specialized resumes and the federal resumix as well as the write ups for the Knowledge Skills and Abilities KSAs which are often required for government positions This book will show nurses how to maximize their career potential get federal nursing positions and change fields if they want to This is the 25th title in PREP s Real Resumes Series
