In this world we grow up and become a certain kind of person based on family influence and peer pressure as well as the choices we make. God sent Jesus Christ to teach the world how to live. His desire is for us to follow His rules. His way will get all of us into heaven when our time comes through Him, Jesus Christ. He gave us the freedom to make choices and shows us how we should follow Him. I feel the need to tell all who read my story how very simple life can be when we follow these rules. I was the 11th born in a family of 12 children. This story gives most of the details in regard to the way I grew up and the choices I made. I also tell about the influence of my brothers and sisters. For the most part, my family thought I turned out to be a rather unusual individual. I believe very strongly that I was led by God in the choices that I made. I do not profess to be perfect by any means, but I did have a beautiful and happy life. To this very day, I still feel the same way. All I can say is read my story and give it a try. I think you will be very happy with your choice. However, it's not like trying on clothes to see how they fit. You need the Bible to give you all the rules and regulations. My story is only the map.

George Chichester, Author [If It Makes You Happy](#) Claire Kann, 2019-06-04

Claire Kann's *If It Makes You Happy* is a coming-of-age novel about a young girl learning to embrace her cultural and sexuality identity. Winnie is living her best fat girl life and is on her way to the best place on earth: No not Disneyland, her Granny's diner, Goldeen's, in the small town of Misty Haven. While there, she works in her fabulous 50s-inspired uniform, twirling around the diner floor and earning an obscene amount of tips. With her family and girlfriend at her side, she has everything she needs for one last perfect summer before starting college in the fall. Until she becomes Misty Haven's Summer Queen in a highly anticipated matchmaking tradition that she wants absolutely nothing to do with. Newly crowned Winnie is forced to take center stage in photoshoots and a never-ending list of community royal engagements. Almost immediately, she discovers that she's deathly afraid of it all: the spotlight, the obligations, and the way her Merry Haven Summer King wears his heart, humor, and honesty on his sleeve. Stripped of Goldeen's protective bubble to salvage her summer, Winnie must conquer her fears, defy expectations, and be the best Winnie she knows she can be, regardless of what anyone else thinks of her.

As rapid technological development has been pushing and breaking new ground in society, the broad field of design is facing many unprecedented changes. In combination
