Nursing Care of Clients with Substance Abuse Eleanor J. Sullivan, 1995 528 pp illustrated **Psychiatric Mental Health Nursing** Katherine M. Fortinash, Patricia A. Holoday-Worret, 2000-07 **Comprehensive Psychiatric Nursing** Judith Haber, 1997 This outstanding text and reference emphasizes the seamless continuity of psychiatric care as well as the variety of settings in which it is now provided As always your students get current and comprehensive information that is presented in a clear accessible visually stimulating format and is now more clinically relevant than ever For example the psychobiological bases of mental disorders and psychopharmacological interventions are now featured in a new chapter depicted in two exciting full color inserts and integrated throughout the book **Media for Nursing and Patient Care**, 1987 Mosby's Psychiatric Nursing Lynette Jack, 1996-11 This unique study guide supplements any Mosby psychiatric nursing textbook Topics cover everything from basic concepts of psychiatric nursing to nursing management of psychiatric disorders It includes activities that represent a range of cognitive levels from content review to application and critical thinking These activities can be used as in class or homework assignments or they can be used by the student independently Several chapters include pre and post viewing activities based on information and clinical scenarios from Mosby video series National Library of Medicine Audiovisuals Catalog National Library of Medicine (U.S.), 1986 **Bowker's Complete Video Directory**, 2000 Public Health Tools for Practicing Psychologists Jalie A Tucker, Diane M Grimley, 2010-01-01 Many people in need of behavioral health measures or psychotherapy do not seek clinical care and are simply not being reached by current practices and services This book shows psychologists how to integrate public health tools into psychological practice and so better meet today's demands for effective and cost effective therapeutic and preventive care Readers learn about intervention approaches how they work and for what populations and how clinical treatment fits into such a scheme The goal is to complement and expand current clinical and psychotherapeutic approaches reaching more people in need with services that vary in scope and intensity based on their needs and preferences This integrated behavioral health care approach maintains a degree of individualization while finding teachable moments for behavior change interventions enhancing motivation for change and making use of print telephone and computer dissemination strategies This clearly structured book provides practice suggestions and examples for incorporating a public health approach into clinical work as well as useful appendices to help expand these applications It is both compelling reading for those already in clinical practice and an ideal text for courses on behavioral health problems and strategies to promote behavior change **Video Source Book**, 2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction **Yoder-Wise's Leading and Managing in Canadian Nursing - E-Book** Nancy Walton, Janice Waddell, 2024-06-13 Prepare for licensure and your transition to nursing practice Organized around the issues in today's constantly changing health care environment Yoder

Wise's Leading and Managing in Canadian Nursing 3rd Edition offers an innovative approach to leading and managing by merging theory research and practical application. This cutting edge text is intuitively organized around the issues that are central to the success of Canadian nurses including cultural diversity, resource management, advocacy, patient safety, delegation and communication. In addition, it provides just the right amount of information to equip you with the tools you need to master leadership and management all to help prepare you for clinical practice. UPDATED Comprehensive inclusion of the latest Canadian statistics, research, references, resources and more. NEW Updated art programme reflects Canada's diverse workforce and patient demographic. NEW Streamlined content ensures an appropriate level of content and depth of information and facilitates learning of theory and complex concepts. UNIQUE Chapter on nursing leadership in Indigenous health explains the leadership role and is integrated into relevant topics throughout the text. UNIQUE Chapter authored by an undergraduate student and an early career alumnus helps you build your leadership skills within your academic program. UNIQUE Each chapter opens with A Challenge where practising nurse leaders/managers offer their real world views of a concern related in the chapter, encouraging you to think about how you would handle the situation. UNIQUE A Solution closes each chapter with an effective method to handle the real life situation presented in A Challenge and demonstrates the ins and outs of problem solving in practice. NEW End of chapter Thinking it Through Case Studies provide questions to stimulate critical thinking in applying concepts discussed in the chapter. Examples of real life practice cases help you examine and apply theoretical concepts. Helpful pedagogical elements include chapter objectives, glossary, terms, exercises, Research Perspectives, Literature Perspectives, Theory boxes, chapter checklists, tips and references. Innovative content and presentation merge theory, research and professional practice in key leadership and management areas. Inviting and well structured full colour design enhances learning by providing quick reference to important information and visually reinforcing key concepts.
