MY COLLECTION MAYBE YOURS! WHY WE MUST HAVE IT ALL Terry Wayne Brownlee,2019-05-15 What Do You Collect That depends on what demographic you belong to If you grew up in the 1960s and 1970s you are either a Trekkie or a Star Wars fan Or maybe you re more into Marvel or DC Universe Either way you know you were hooked into reliving the adventure For me I was there in the beginning as a baby boomer with all that was on TV music and movies It was all a good place to bring you back to all the thrill of your heroes and how one day you too can ride off into the sunset For me I did one better I got to act out a role just like my hero and do the very things they did With what you collect you buy movies music toys and anything connected with these treasured moments I am very sure what I collect is what people stored in their closets So sad I thought they should be sure what they collect to their friends and to the world For what your collect and are attracted to is part of a million no trillion dollar industry that grabs your attraction Here it begins my search on how we as baby boomers and generations beyond get caught up once in a never ending spend cycle that must be met as each decade unfolds as each generation get sucked into being duped and persuaded This would be the beginning of your spending habits You are very much targeted Many do not care I too get caught up in this friendship Difference is I care and dare to ask why Why do we need to collect so much So says I your friendly neighborhood self appointed baby boomer consumer advocate
