Orphans Opus:

Αποσπασματῖα sacra: or a collection of posthumous and orphan lectures: delivered at St. Pauls and St. Giles his Church Lancelot Andrewes,1657 From Civil Partnerships to Same-Sex Marriage Nicola Barker,Daniel Monk,2015-04-17 The Civil Partnership Act 2004 and the Marriage Same Sex Couples Act 2013 are important legal social and historical landmarks rich in symbolic material and cultural meanings While fiercely opposed by many within mainstream narratives they are often represented as a victory in a legal reform process that commenced with the decriminalisation of homosexuality Yet at the same time for others they represent a problematic and ambivalent political engagement with the institution of marriage Consequently understood or labelled as revolutionary progressive and conservative these legal reforms provide a space for thinking about issues that arguably affect everyone regardless of sexual orientation or relationship status This edited collection brings together scholars and commentators from a range of backgrounds generations and disciplines to reflect on the first ten years of civil partnerships and the introduction of same sex marriage Rather than rehearsing the arguments for and against relationship recognition the essays ask original questions draw on a variety of methods and collectively provide a detailed and reflective snap shot of a critical moment a history of the present as well as providing a foundation for innovative ways of thinking about and engaging with the possibilities and experiences arising from the new reality of relationship recognition for gays and lesbians **The Orphan** Audrey Punnett,2014-06-21 The Orphan A Journey to Wholeness addresses loneliness and the feeling of being alone in the world two distinct characteristics that mark the life of an orphan Regardless if we have grown up with or without parents we are all too likely to meet such experiences in ourselves and in our daily encounters with others With numerous case examples Dr Punnett describes how loneliness and the feeling of being alone tend to be repeated in later relationships and may eventually lead to states of anxiety and depression The main purpose of this book is not to just stay within the context of the literal orphan but also to explore its symbolic dimensions in order to provide meaning to the diverse experiences of feeling alone in the world In accepting the orphan within we begin to take responsibility for our own unique life journey a privileged journey in which one can at some point in time say with pride I am an orphan Ramlin Rose Sheila Stewart,1994 From the turn of the century to the late 1950s horse drawn narrow boats were a familiar sight on Britain s canals Carrying a wide variety of cargoes to such destinations as the Potteries the textile mills of Lancashire the papermills of London the colleges of Oxford they struggled on against increasing competition from rail and road traffic to maintain their place in the country s economy Yet little has been recorded about the lives of the canal families and in particular the women **Serge Prokofieff and His Orchestral Music** Louis Leopold Biancolli,2023-10-28 In Serge Prokofieff and His Orchestral Music Louis Leopold Biancolli offers a comprehensive examination of one of the 20th century s most innovative composers Biancolli meticulously analyzes Prokofieff s orchestral works against the backdrop of his turbulent political and cultural landscape effectively weaving musical analysis with biographical insights The text is marked
