*- Rising above Limitations*

The background of the entire image is a dramatic sky at sunset or sunrise, with a bright sun low on the horizon casting a warm glow. In the lower half, a pair of hands is shown from the palms up, holding a glowing, three-dimensional cube of light. The cube is composed of several bright points of light connected by thin lines, creating a wireframe effect. The hands are positioned as if they are carefully holding or presenting this glowing object. The overall mood is one of hope, achievement, and rising above challenges.
