## **Pope Premier President The Cold War Summit That Never Was:**

**Pope, Premier, President** Roland Flamini, 1980 The story of Pope John XXIII's attempts to arrange a peace summit between Kennedy and Khrushchev and why it never took place      **U.S.-Vatican Relations, 1975-1980** P. Peter Sarros, 2020-01-31 This book explores the bilateral relations between the United States and the Vatican from 1975 to 1980 a turbulent period that had two presidents three presidential envoys and three popes This previously untold story shows how the United States and the Vatican worked quietly together behind the scenes to influence the international response to major issues of the day Peter Sarros examines the Iran hostage crisis the tensions of the Cold War the Helsinki process and the Beagle Channel dispute among other issues These interactions produced a tacit alliance in the foreign policies of the United States and the Vatican even before the establishment of full diplomatic relations This unique book is based largely on official documents from the archives of the Office of the U S Special Envoy of the United States to the Vatican supplemented by Sarros's contemporaneous diaries notes and other unpublished sources The confidential consultations at the Vatican by three special envoys and by Sarros in his role as chargé and ambassador at the Vatican were critical in obtaining Vatican support on major international issues The Vatican also derived substantial benefits from the partnership through U S support of Vatican initiatives in Lebanon and elsewhere and by U S policies that gave Vatican diplomacy the flexibility to play a larger role in the international sphere Sarros concludes that American diplomacy was successful at the Holy See during this period because it took advantage of the Vatican's overarching international strategy which was to increase its influence through support for the global balance of power while blocking the expansion of Soviet power and communism in Europe U S Vatican Relations 1975 1980 will be of interest to students and scholars of history and political science especially in the fields of diplomatic relations and church history      The Global Vatican Francis Rooney, 2015-08-18 From the centuries long prejudices against Catholics in America to the efforts of Fascism Communism and modern terrorist organizations to break the cross and spill the wine this book brings to life the Catholic Church's role in world history particularly in the realm of diplomacy Former U S ambassador to the Holy See Francis Rooney provides a comprehensive guide to the remarkable path the Vatican has navigated to the present day and a first person account of what that path looks and feels like from an American diplomat whose experience lent him the ultimate insider's perspective Part memoir part historical lesson The Global Vatican captures the braided nature of religious and political power and the complexities battles and future prospects for the relationship between the Holy See and the United States as both face challenges old and new Updated now to include a view towards Pope Francis first trip to the United States The Global Vatican looks forward to the revitalization of the Church in this newest global papacy      *In Those Days* James William Spain, 1998 An autobiography of a 20th century American diplomat who spent most of his life in high level diplomacy in Asia and Africa His Foreign Service career brought postings in Islamabad Istanbul and Ankara and four ambassadorships in Tanzania Turkey the UN and Sri Lanka      **Eclipse of Justice** George E.

McCarthy, Royal W. Rhodes, 2008-12-21 A sociologist and a church historian provide a probing scholarly critique of Economic Justice for All the American bishops pastoral letter on Catholicism and the U S economy McCarthy and Rhodes examine the letter s focus on poverty inequality and powerlessness in American society They review classical concepts of social ethics and economic justice as applied by the bishops to analyze the social political and economic institutions of American By examining reactions to the letter from both the political left and right Eclipse of Justice opens up the full range of debate about the nature of social ethics The first part of Eclipse of Justice presents the moral dilemma created by the bishops critique of liberalism they pronounced it a social and moral scandal and explores the antecedents papal episcopal and lay that provided the ideas and vocabulary for the bishops letter The second part analyzes the pastoral letter and locates it within the larger context of debates about economic structures in modern liberalism The third part examines attempts of the bishops to relate Christian social doctrine to international political and economic issues and probes the contributions of liberation theology and dependency theory

**Reagan Versus The Sandinistas** Thomas W Walker, Harvey Williams, Peter Kornbluh, Eva Gold, 2019-07-11 The product of research and investigation by a team of sixteen authors Reagan versus the Sandinistas is the most comprehensive and current study to date of the Reagan administration s mounting campaign to reverse the Sandinista revolution The authors thoroughly examine all major aspects of Reagan s low intensity war from the U S government s attempts at economic destabilization to direct CIA sabotage and the sponsorship of the contras or freedom fighters They also explore less public tactics such as electronic penetration behind the scenes manipulation of religious and ethnic tensions and harassment of U S Nicaraguan specialists and fellow travelers The book concludes with a consideration of the impact of these activities and their implications for international law U S interests U S polity and Nicaragua itself Reagan versus the Sandinistas is designed not only for courses on Latin America U S foreign policy and international relations but also for students scholars and others interested in understanding one of the most massive complex efforts short of direct intervention organized by the United States to overthrow the government of another country

**Aggiornamento?** Karim Schelkens, John A. Dick, Jürgen Mettepenningen, 2013-06-14 Today many books appear regarding Vatican II Yet only very few of them manage to locate this crucial event in the life of the twentieth century Roman Catholic Church against the broad horizon of both its prehistory and its aftermath This book does just that In seven chapters this volume offers a survey of the evolution of Post Enlightenment Catholicism in the period spanning from ca 1830 to the present tying together the renewals proposed by the first and the Second Vatican Councils Each phase in this evolution is discussed from a double angle on the one hand from the viewpoint of theological developments and milieu s and on the other hand from an institutional and Church historical perspective thus binding together these two perspectives and tracing the evolutions within Catholicism in all their pluriformity

*Studies in Intelligence* , 1992

**Parallel Empires** Massimo Franco, 2009-01-20 The fascinating and highly relevant history of the turbulent relationship between the United States and the Holy See recounted and analyzed by Italian

journalist and Vatican insider Massimo Franco Drawing on unique access to the archives of the Holy See and a range of sources both in Washington D C and Rome *Parallel Empires* charts the path of U S Vatican relations to reveal the dramatic religious and political tensions that have shaped their dealings and our world Starting with the Holy See s initial diplomatic overtures to the United States in the 1780 s Franco illuminates a two hundred year old history of alliances mutual exploitation and misperceptions From the nativist anti Catholicism of the nineteenth century through JFK s election as America s first Catholic president and the cold war anti Communist partnership between the United States and the Holy See to the establishment of full diplomatic relations in 1984 the story has never before been told quite like this With U S Vatican affairs still evolving in the present day *Parallel Empires* also details the most recent developments of this ever changing and often tenuous relationship including contemporary disagreements over the Iraq War and engagement with the Islamic world and the Papacy of Benedict XVI *Parallel Empires* leaves no doubt regarding the impact that the struggle between these two great powers one of secular might and the other of moral influence has had on both our history and on today s world Franco s insights are sure to have lasting relevance as U S Vatican relations continue to evolve and with religion s undeniable influence on everything from domestic elections to international terrorism his work will prove invaluable in coming years

*Faith and Leadership* Michael P. Riccards, 2012-04-19 This study is a comprehensive history of the papacy the oldest elective office in the world and how it has managed over the centuries the most complex voluntary association of faith The book argues that in fact through most of its existence the papacy has adapted managerial models of the secular world and applied them to the Catholic Church Since its emergence from the Jewish synagogues to a persecuted minority in the Roman Empire to becoming the established religion of the West the Church and the papacy engaged the world on its own terms It is only after the Council of Trent did the Church become somewhat more divorced and estranged from the environment around it This book focused on those changes and on the great popes across the centuries who reformed and altered Catholicism Special attention is directed to Gregory I Innocent I Innocent III Pius IX Leo XIII Pius XI Pius XII John XXVII Paul VI and John Paul II The conclusion is that the persistence of the Catholic Church for so many centuries was due to its ability to preserve the faith but re-establish its forms and managerial class

The Catholic Church in World Politics Eric O. Hanson, 2014-07-14 Eric Hanson s multifaceted book examines the place of the church in the contemporary international system and the reciprocal influence of modern political and technological developments on the internal affairs of the church Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Ireland and the Vatican Dermot Keogh, 1995 A comprehensive

examination of the complex triangular relationship between the Irish government the bishops and the Holy See from the origins of the Irish State in 1922 to the end of the de Valera government *Modern Papal Diplomacy and Social Teaching in World Affairs* Mariano P. Barbato, Robert J. Joustra, Dennis R. Hoover, 2020-06-29 This comprehensive collection offers a concise introduction to the institutional framework of the Holy See conceptualizing papal agency and positions from a range of international theory perspectives The authors international scholars from political science history and religious studies explore multiple fields of papal and Vatican influence ranging from spy networks and inter religious dialogue to social doctrine and religious freedom This book demonstrates that contrary to secularization theory the papacy is not in decline in world politics Since World War II the Holy See has played a steadily increasing role in international relations Globalization supports the role of the Catholic Church as a transnational actor not only in the advanced industrial societies of the West but also increasingly across the Global South In this volume the authors document the legacies of John Paul II and Benedict XVI as well as the current pontificate of Pope Francis from a range of contemporary perspectives This book comprises research articles and commentary essays on the papacy in world politics originally published in *The Review of Faith International Affairs* State ,1983 **The coming century of commonism** Philip C. Bom, 1992-03-01 *Religious Books, 1876-1982* ,1983 **La CIA in Vaticano** Eric Frattini, 2014-04-29 Quando nel giugno 2013 Edward Snowden rivel che la National security agency aveva intercettato milioni di persone compresi diversi capi di Stato e di governo si scopr che non erano sfuggiti allo spionaggio neppure Jorge Mario Bergoglio e i cardinali che avevano eletto il nuovo Pontefice Niente di nuovo per le organizzazioni di intelligence statunitensi che hanno sempre considerato il Vaticano con la sua fittissima rete di relazioni diplomatiche una delle principali e pi attendibili fonti di informazione su quanto accade nel mondo oltre che uno Stato il cui peso politico negli affari interni degli altri Paesi inversamente proporzionale alle sue dimensioni In questo libro Eric Frattini mostra come le agenzie americane e la CIA in particolare hanno registrato studiato riferito e commentato le mosse e le dichiarazioni di papa Francesco Benedetto XVI e Giovanni Paolo II Analizzando una quantit impressionante di documenti telegrammi lettere file classificati come riservato segreto o privato ripercorre a ritroso oltre trentacinque anni di politica della Santa Sede evidenziando i momenti e gli snodi ai quali gli Stati Uniti hanno dedicato maggiore attenzione la campagna di calunnie contro Bergoglio messa in atto dai Kirchner in Argentina gli abusi sessuali nella Chiesa irlandese la posizione sugli OGM sull offensiva internazionale contro l Iran per la minaccia nucleare e sull invasione dell Iraq l embargo di Cuba l amicizia fra Wojtyla e Gorbaciov l atteggiamento nei confronti delle dittature sudamericane l attentato a Giovanni Paolo II l affermazione di Solidarnosc o in Polonia Un ricco dettagliato reportage sul lavoro di agenti e analisti della CIA che conferma come il piccolo Stato dominato dalla cupola di San Pietro sia anche per i servizi segreti uno dei luoghi pi intriganti e densi di misteri del pianeta *National Union Catalog, 1980* ,1981 **Andrews University Seminary Studies** Andrews University. Seventh-Day Adventist Theological Seminary, 2007 The American Pope John E. Cooney, John Cooney, 1984 This is a

biography of Francis Cardinal Spellman who was Archbishop of New York from 1939 until his death in 1967

## Reviewing **Pope Premier President The Cold War Summit That Never Was**: Unlocking the Spellbinding Force of Linguistics
