Gough,2019-01-01 Under glittering lights in the Louvre palace the French court ballets danced by Queen Marie de M dicis prior to Henri IV s assassination in 1610 attracted thousands of spectators ranging from pickpockets to ambassadors from across Europe Drawing on newly discovered primary sources as well as theories and methodologies derived from literary studies political history musicology dance studies and women s and gender studies *Dancing Queen* traces how Marie s ballets authorized her incipient political authority through innovative verbal and visual imagery avant garde musical developments and ceremonial arrangements of objects and bodies in space Making use of women s semi official status as political agents Marie s ballets also manipulated the subtle social and cultural codes of international courtly society in order to more deftly navigate rivalries and alliances both at home and abroad At times the queen s productions could challenge Henri IV s immediate interests contesting the influence enjoyed by his mistresses or giving space to implied critiques of official foreign policy for example Such defenses of Marie s own position

though took shape as part of a larger governmental program designed to promote the French consort queen's political authority not in its own right but as a means of maintaining power for the new Bourbon monarchy in the event of Henri IV's untimely death

Life on Display Karen A. Rader, Victoria E.M. Cain, 2014-10-03 Rich with archival detail and compelling characters *Life on Display* uses the history of biological exhibitions to analyze museums shifting roles in twentieth century American science and society Karen A Rader and Victoria E M Cain chronicle profound changes in these exhibitions and the institutions that housed them between 1910 and 1990 ultimately offering new perspectives on the history of museums science and science education Rader and Cain explain why science and natural history museums began to welcome new audiences between the 1900s and the 1920s and chronicle the turmoil that resulted from the introduction of new kinds of biological displays They describe how these displays of life changed dramatically once again in the 1930s and 1940s as museums negotiated changing often conflicting interests of scientists educators and visitors The authors then reveal how museum staffs facing intense public and scientific scrutiny experimented with wildly different definitions of life science and life science education from the 1950s through the 1980s The book concludes with a discussion of the influence that corporate sponsorship and blockbuster economics wielded over science and natural history museums in the century's last decades A vivid entertaining study of the ways science and natural history museums shaped and were shaped by understandings of science and public education in the twentieth century United States *Life on Display* will appeal to historians sociologists and ethnographers of American science and culture as well as museum practitioners and general readers

Balanced Wonder Jan B. W. Pedersen, 2019-10-15 In *Balanced Wonder* Experiential Sources of Imagination Virtue and Human Flourishing Jan B W Pedersen digs deep into the alluring topic of wonder and argues in a scholarly yet accessible way that the experience of wonder when balanced serves as a strong contributor to human flourishing Along the way Pedersen describes seven properties of wonder and shows how wonder it is distinct from other altered states including awe horror the sublime curiosity amazement admiration and astonishment Examining the contribution of both emotion and imagination in

the experience of wonder filtered through the Neo Aristotelian work of philosophers Douglas Rasmussen Alasdair MacIntyre and Martha Nussbaum Pedersen also makes it clear that wonder may contribute to human flourishing in various ways such as the widening of perception extension of moral scope or sensitivity a wondrous afterglow openness humility an imaginative attitude reverence and gratitude Importantly for wonder to act as a strong contributor to human flourishing one needs to wonder at the right thing in the right amount in at the right time in the right way and for the right purpose *Wonder Woman* Noah Berlatsky,2017-05-31 William Marston was an unusual man a psychologist a soft porn pulp novelist more than a bit of a carny and the self declared inventor of the lie detector He was also the creator of Wonder Woman the comic that he used to express two of his greatest passions feminism and women in bondage Comics expert Noah Berlatsky takes us on a wild ride through the Wonder Woman comics of the 1940s vividly illustrating how Marston s many quirks and contradictions along with the odd disproportionate composition created by illustrator Harry Peter produced a comic that was radically ahead of its time in terms of its bold presentation of female power and sexuality Himself a committed polyamorist Marston created a universe that was friendly to queer sexualities and lifestyles from kink to lesbianism to cross dressing Written with a deep affection for the fantastically pulpy elements of the early Wonder Woman comics from invisible jets to giant multi lunged space kangaroos the book also reveals how the comic addressed serious even taboo issues like rape and incest Wonder Woman Bondage and Feminism in the Marston Peter Comics 1941 1948 reveals how illustrator and writer came together to create a unique visionary work of art filled with bizarre ambition revolutionary fervor and love far different from the action hero symbol of the feminist movement many of us recall from television **Sermons chiefly designed to display the connection between a sound faith and a holy life** Edward Patteson,1826 **The International Psychic Gazette** ,1917 **Recovering Biblical Manhood and Womanhood (Revised Edition)** John Piper,Wayne Grudem,2021-01-11 A Guide to Navigate Evangelical Feminism In a society where gender roles are a hot button topic the church is not immune to the controversy In fact the church has wrestled with varying degrees of evangelical feminism for decades As evangelical feminism has crept into the church time trusted resources like Recovering Biblical Manhood and Womanhood help remind Christians of what the Bible has to say In this edition of the award winning best seller more than 20 influential men and women such as John Piper Wayne Grudem D A Carson and Elisabeth Elliot offer thought provoking essays responding to the challenge egalitarianism poses to life in the church and in the home Covering topics like role distinctions in the church how biblical manhood and womanhood should work out in practice and women in the history of the church this helpful resource will help readers learn to orient their beliefs with God s unchanging word in an ever changing culture The Land We Saw, the Times We Knew Gerald Groemer,2018-11-30 Japanese zuihitsu essays offer a treasure trove of information and insights rarely found in any other genre of Japanese writing Especially during their golden age the Edo period 1600 1868 zuihitsu treated a great variety of subjects In the pages of a typical zuihitsu the reader encountered facts

and opinions on everything from martial arts to music food to fashions dragons to drama much of it written casually and seemingly without concern for form or order The seven zuihitsu translated and annotated in this volume date from the early seventeenth to the late nineteenth centuries Some of the essays are famous while others are less well known but none have been published in their entirety in any Western language Following a substantial introduction outlining the development of the genre Tales That Come to Mind is an early seventeenth century account of Edo kabuki theater and the Yoshiwara pleasure quarters penned by a Buddhist monk A Record of Seven Offered Treasures composed by a retired samurai monk near the end of the seventeenth century starts as a treatise on the proper education of youth but ends as a critique of the author's own life and moral failings Perhaps the most famous piece in the volume Monologue was drafted by the renowned Confucianist Dazai Shundai a keen and insightful observer of life during the late seventeenth and early eighteenth centuries Dazai treats in turn poetry the tea ceremony comic verse music theater and fashion Idle Talk of Nagasaki is an entertaining record of a journey to Nagasaki by a group of Confucianists in the early eighteenth century In Kyoto Observed a mid eighteenth century Edo resident compares the shogun's and the emperor's capital in a series of brief vignettes An 1814 zuihitsu classic written by a physician A Dustheap of Discourses presents another colorful mosaic of topics related to life in Edo The book closes with The Breezes of Osaka a lively essay by a highly cultured Edo administrator contrasting the food life and culture of his hometown with that of Osaka where he briefly served as mayor in the 1850s
