Popular Politics And Political Culture In Upper Canada 1800 185:

Popular Politics and Political Culture in Upper Canada, 1800-1850 Carol Wilton, 2000-09-21 Wilton demonstrates that by the 1830s the political energies of Upper Canadians were far more likely to be channelled through petitioning movements than election campaigns. Petitioning movements which were connected not only with public meetings but with demonstrations and parades were also increasingly associated with political violence. The resulting assaults, riots and effigy burnings prominent features of Tory governance not only contributed to the striking political polarization of the population but also helped provoke the Rebellion of 1837. Wilton provides new insights into the careers of leading figures, explores the developing ethnic and religious conflicts in the context of the petitioning movements and illuminates the question of officially sponsored political violence. Through a thorough examination of primary resources including a wide range of newspapers, Colonial Office records, published records of the Upper Canadian government, pamphlet literature and private correspondence, Wilton demonstrates how the province's dissidents challenged established patterns of paternalism, subverted official notions of hierarchy and promoted the development of an expanded public sphere in ways that had a lasting influence on the province's political culture.

Violence, Order, and Unrest Elizabeth Mancke, Jerry Bannister, Denis McKim, Scott W. See, 2019-01-01 This edited collection offers a broad reinterpretation of the origins of Canada. Drawing on cutting edge research in a number of fields, *Violence, Order, and Unrest* explores the development of British North America from the mid-eighteenth century through the aftermath of Confederation. The chapters cover an ambitious range of topics from Indigenous culture to municipal politics, public executions to runaway slave advertisements. Cumulatively, this book examines the diversity of Indigenous and colonial experiences across northern North America and provides fresh perspectives on the crucial roles of violence and unrest in attempts to establish British authority in Indigenous territories. In the aftermath of Canada 150, *Violence, Order, and Unrest* offers a timely contribution to current debates over the nature of Canadian culture and history, demonstrating that we cannot understand Canada today without considering its origins as a colonial project.

Union is Strength Albert Schrauwers, 2009-01-01 Nineteenth century Canada experienced two other revolutions apart from those of W. L. Mackenzie and Louis Riel: the transition to capitalism and to responsible government. *Union Is Strength* argues that these major socio-political changes happened in Ontario without a revolutionary moment because of the intertwined relationship of reformers with capitalists. Examining a small utopian socialist group named the Children of Peace, Albert Schrauwers traces the emergence of a vibrant democratic culture in the province from the decade before the Rebellions of 1837. Schrauwers shows how the overlapping boards of unincorporated joint stock companies managed by both Toronto reformers and the Children of Peace produced a culture of deliberative democracy in competition with the gentlemanly capitalism of chartered corporations. Noting the ways in which Ontario's capitalist and democratic revolutions were linked through cooperative joint stock operations, he also situates these revolutions in an international context and links

them to the development of Owenite socialism and Chartism in the United Kingdom Union Is Strength is an insightful study of both nineteenth century Canada and the ways in which regional political cultures arise **Borderline Crime** Bradley Miller, The Osgoode Society, 2016-10-27 From 1819 to 1914 governments in northern North America struggled to deal with crime and criminals migrating across the Canadian American border Limited by the power of territorial sovereignty officials were unable to simply retrieve fugitives and refugees from foreign territory Borderline Crime examines how law reacted to the challenge of the border in British North America and post Confederation Canada For nearly a century officials ranging from high court judges to local police officers embraced the ethos of transnational enforcement of criminal law By focusing on common criminals escaped slaves and political refugees Miller reveals a period of legal genesis where both formal and informal legal regimes were established across northern North America and around the world to extradite and abduct fugitives Miller also reveals how the law remained confused amorphous and often ineffectual at confronting the threat of the border to the rule of law This engrossing history will be of interest to legal political and intellectual historians alike The Revolution of 1800 James J. Horn, Jan Ellen Lewis, Peter S. Onuf, 2002-12-29 George W Bush and Al Gore were by no means the first presidential hopefuls to find themselves embroiled in a hotly contested electoral impasse Two hundred years earlier Thomas Jefferson and John Adams endured arguably the most controversial and consequential election in American history Focusing on the wide range of possible outcomes of the 1800 1801 melee this collection of essays situates the American Revolution of 1800 in a broad context of geo political and racial developments in the Atlantic world as a whole In essays written expressly for this volume leading historians of the period examine the electoral social and political outcome of Jefferson s election in discussions strikingly relevant in the aftermath of the 2000 election Contributors Joyce Appleby University of California Los Angeles Michael Bellesiles Emory University Jeanne Boydston University of Wisconsin Seth Cotlar Willamette University Gregory Evans Dowd University of Notre Dame Laurent Dubois Michigan State University Douglas R Egerton Le Moyne College Syracuse Joanne Freeman Yale University James E Lewis Jr independent scholar Robert M S McDonald United States Military Academy West Point James Oakes City University of New York Graduate Center Jeffrey Pasley University of Missouri Columbia Jack N Rakove Stanford University Bethel Saler Haverford College James Sidbury University of Texas Alan Taylor University of California Davis **Forthcoming Books** Rose Arny, 2001-06 **Canadian Books in Print 2002** Edited by Butler Marian, Marian Butler, 2002-02 Containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced It offers a complete directory of Canadian publishers available listing the names and ISBN prefixes as well as the street e mail and web addresses **Subject Guide to Books in Print** , 1971 **Bibliographie du Québec** , 2001 Liste des publications qu b coises ou relatives au Qu bec tablie par la Biblioth que nationale du Qu bec Canadian Books in Print , 2000 **American Popular Culture** Arthur Frank Wertheim, 1984 **America, History and Life** , 2003 Provides historical coverage of the United
