Popular Mobilization In Mexico The Teachers Movement 1977 87:

Popular Mobilization in Mexico Joe Foweraker, 2002-06-06 This book explores the process of popular mobilisation in contemporary Mexico through the experience of the country's most important popular organisation the teachers movement It creates a distinctive perspective on Mexican politics and makes an interesting contribution to the study of popular or social movements This in depth study of a popular movement in Latin America provides a richly detailed account of its organisation leadership strategic choices and factional divisions Through its innovative methods which produce an unusual and compelling blend of fact and theory the book uncovers the motivations and mechanisms of popular mobilization as well as explaining its interactions with national politics in Mexico and beyond **Social Movements and Economic Transition**

Heather L. Williams, 2001-01-15 This book examines patterns of political mobilization among groups in Mexico whose livelihoods have been threatened by trade opening fiscal retrenchment and market liberalization Using data from case studies of a worker based movement and a farmer based movement Williams argues that economic transition in altering modes of state society bargaining has shifted the locus of contention and has altered the form and shape of distributive protest Williams further argues that social movements make strategic choices in their use of resources in order to widen their constituencies and extend the length of their insurgencies **Power from Experience** Paul Lawrence Haber, 2010-11 When Vicente Fox was elected Mexico's president in 2000 the world's most enduring twentieth century authoritarian regime finally came to an end In this book Paul Haber explains how urban popular movements contributed to such a historic transition In the 1960s Mexico's urban poor effectively incorporated into institutionalized forms of clientelism and cooptation were perceived as passive and acquiescent Their situation changed during the 1970s Haber shows as popular movements led largely by young people inspired by the revolutionary ideals of Mexico's 1960s student movement took the first steps toward mobilizing the urban poor in what would develop into the full scale political protests of the 1980s When Mexico's economic crisis came in the early 1980s urban popular movements were in a position to play a major role in the growing democratic opposition Haber using a creative blend of ethnography and policy analysis traces this history on a national level and with detailed reference to two key organizations the Comit de Defensa Popular of Durango and the Asamblea de Barrios of Mexico City In the late 1980s and early 1990s many of Mexico's most important social leaders saw new opportunities in electoral politics and the transformation from social movement to party politics began Haber's study closely follows the urban dimensions of this history and spells out its implications not only for the urban poor but also for Mexico's nascent democracy

Dismantling the Mexican State? Rob Aitken, Nikki Craske, David E. Stansfield, 2016-07-27 In assessing Carlos Salinas socio economic reforms the authors question the extent to which the Mexican state has been radically transformed and possibly dismantled The authors show that the changes which have occurred are uneven limited and reversible Despite the aura of reform it is the degree of continuity which is the most noticeable feature In many respects the Mexican State remains

highly authoritarian Human Rights and Transnational Solidarity in Cold War Latin America Jessica Stites Mor, 2013-03-29 With the end of the global Cold War the struggle for human rights has emerged as one of the most controversial forces of change in Latin America Many observers seek the foundations of that movement in notions of rights and models of democratic institutions that originated in the global North Challenging that view this volume argues that Latin American community organizers intellectuals novelists priests students artists urban pobladores refugees migrants and common people have contributed significantly to new visions of political community and participatory democracy These local actors built an alternative transnational solidarity from below with significant participation of the socially excluded and activists in the global South Edited by Jessica Stites Mor this book offers fine grained case studies that show how Latin America's re-emerging Left transformed the struggles against dictatorship and repression of the Cold War into the language of anti-colonialism socioeconomic rights and identity Decentering the Regime Jeffrey W. Rubin, 1997 An ethnographic analysis of popular politics and the pursuit of democracy in Juchitan Mexico **Social Movement Dynamics** Federico M. Rossi, Marisa von Bülow, 2016-03-03 This book presents an overview of new approaches to the study of social movements emerging out of Latin America based on original and innovative analyses of the recent changes in collective action across the region Over the past decade new repertoires of contention have emerged in parallel to changes in the configuration of actors in previously established patterns of relationship between social movements and political institutions and in the shapes of collaborative networks both domestic and transnational The authors analyze a broad set of countries and social movements while focusing on three key theoretical debates the interactions between routine and contentious politics the relationship between protest and context and the organizational configurations of social movements The research agenda put forward by this book is neither defined nor restricted by geographical boundaries even though the chapters are based on field research undertaken in Latin America In doing so this volume contributes to a still underdeveloped dialogue in theory building in social movement studies among scholars from the South and from the North as well as among scholars specialized in different regions

Mobilizing Teachers Christopher Chambers-Ju, 2024-05-31 The political participation of public school teachers in new democracies has generated heated debates In some countries teacher strikes shutter schools for months each year in others teachers unions have become powerful political machines and have even formed new political parties To explain these contrasts *Mobilizing Teachers* delves into changes in education politics and the labor movement Christopher Chambers-Ju argues that union organizations fundamentally shape teacher mobilization with far reaching implications for politics and policy With detailed case studies of Argentina Colombia and Mexico this book is the first comparative analysis of teacher politics in Latin America Drawing on extensive field research and multiple sources of data it enriches theoretical perspectives in political science and sociology on the interplay between protests electoral mobilization and party alliances This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details

Mothers and the Mexican Antinuclear Power Movement Velma García-Gorena, 2022-08-09 In the early 1970s construction began on a nuclear power plant at Laguna Verde in the Mexican state of Veracruz Initially most local citizens were largely unconcerned with the prospect of having the nuclear plant in their community With the accidents at Three Mile Island and Chernobyl however residents complacency toward the power plant soon turned to opposition Protest groups such as the Madres Veracruzanas emerged to join existing environmental groups in a fight to close down the facility In *Mothers and the Mexican Antinuclear Power Movement* Velma García-Gorena traces the protest movement against the Mexican government's Laguna Verde nuclear plant outlining the movement's formation development and decline Documenting the movement's key players and turning points in superb detail she interweaves important historical narrative with a deft examination of the events framing her analysis in terms of social movement literature In a departure from the more conventional New Social Movements approach to analyzing antinuclear movements García-Gorena demonstrates how in many ways movements of this kind are not so new and how a modified political process approach fits much better With a sophisticated application of various social movements paradigms García-Gorena incorporates perspectives such as resource mobilization political process paradigms and feminist theory Timely well written and thoroughly researched *Mothers and the Mexican Antinuclear Power Movement* fills a major gap in the literature on grassroots environmental movements in Latin America Both rich in empirical detail and convincing in its conclusions this study provides a broader understanding of Mexican social movements and the quest for democracy in developing countries

Political Parties and the Collapse of the Old Orders John Kenneth White, Philip John Davies, 1999-01-07 With the passage of the Cold War political parties in nearly every corner of the globe have undergone a vast upheaval Old ideas have become obsolete electoral maps have been redrawn party structures have been rebuilt and new leaders have emerged *Political Parties and the Collapse of the Old Orders* describes these changes using several countries as laboratories the United States United Kingdom France Germany Italy Canada Australia Mexico Israel South Africa and Russia While the nature and extent of the political upheavals vary from place to place the transformations in each nation's party system have been extraordinary In this new world order the old political arrangements and old ways of doing things have disappeared The altered states of political parties in the post Cold War world pose a central question what does change look like The answers given here illuminate our understanding of why the world has changed and how political parties are attempting to cope with it

Democracy in Mexico Dan La Botz, 1995 Placing this book in the context of NAFTA and Mexican movements for social change journalist and historian Dan La Botz unveils the forces behind Marcos and the Zapatista Rebellion of January 1994 and re-examines the circumstances surrounding the assassination of presidential candidate Luis Donaldo Colosio Contains a detailed analysis of how Ernesto Zedillo and the PRI won the August 21 1994 elections and includes an examination of widespread electoral fraud La Botz provides a first hand account of the founding of National Democratic Convention CND the new force for democracy and social justice in Mexico

led by Rosario Ibarra Ibarra is Mexico's leading human rights activist and first woman presidential candidate

The Political Context of Collective Action Ricca Edmondson, 2003-12-16 The study of social and popular movements continues to attract great interest but little is known of political activity which takes place outside of traditional political structures This volume looks at informal political action which arises when conventional frameworks such as those provided by welfare states are in crisis or decline At such times the usual expectations about political action may not apply so what actually goes on Greatly expanding the scope for research into collective action this volume will be of great interest to students and researchers of politics and sociology interested in this important area

Feminism and the Legacy of Revolution Karen Kampwirth, 2014-07-31 In many Latin American countries guerrilla struggle and feminism have been linked in surprising ways Women were mobilized by the thousands to promote revolutionary agendas that had little to do with increasing gender equality They ended up creating a uniquely Latin American version of feminism that combined revolutionary goals of economic equality and social justice with typically feminist aims of equality nonviolence and reproductive rights Drawing on more than two hundred interviews with women in Nicaragua El Salvador and the Mexican state of Chiapas Karen Kampwirth tells the story of how the guerrilla wars led to the rise of feminism why certain women became feminists and what sorts of feminist movements they built *Feminism and the Legacy of Revolution* Nicaragua El Salvador Chiapas explores how the violent politics of guerrilla struggle could be related to the peaceful politics of feminism It considers the gains losses and internal conflicts within revolutionary women's organizations *Feminism and the Legacy of Revolution* challenges old assumptions regarding revolutionary movements and the legacy of those movements for the politics of daily life It will appeal to a broad interdisciplinary audience in political science sociology anthropology women's studies and Latin American studies as well as to general readers with an interest in international feminism

Plaza of Sacrifices Elaine Carey, 2005 On October 2 1968 up to 700 students were killed by government authorities while protesting in Mexico City many of them women This analysis of the role of women in the protest movement shows how the events of 1968 shaped modern Mexican society

International Bibliography of the Social Sciences, 1994 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Regional Governance in Post-NAFTA North America Brian Bow, Greg Anderson, 2014-10-30 Twenty years after NAFTA the consensus seems to be that the regional project in North America is dead The trade agreement was never followed up by new institutions that might cement a more ambitious regional community The Security and Prosperity Partnership SPP launched with some fanfare in 2005 was quietly discontinued in 2009 And new cooperative ventures like the US Canada Beyond the Border talks and the US Mexico Merida Initiative suggest that the three governments have reverted to the familiar pre NAFTA pattern of informal incremental bilateralism One could argue however that NAFTA itself has been buried and yet the region somehow lives on albeit in a form very different from

regional integration in other parts of the world A diverse group of contributors from the United States Canada and Mexico with experience in academia government service think tanks and the private sector bring to bear a sophisticated and much needed examination of regional governance in North America its historical origins its connection to the regional distribution of power and the respective governments domestic institutions and the variance of its forms and function across different issue areas The editors begin by surveying the literature on North American regional politics matching up developments there with parallel debates and controversies in the broader literatures on comparative regional integration and international policy coordination more generally Six contributors later explore the mechanisms of policy coordination in specific issue areas each with an emphasis on a particular set of actors and with its own way of characterizing the relevant political and diplomatic dynamics Chapters on the political context for regional policy coordination follow leading to concluding remarks on the future of North America At a time when scholarly interest in North America seems to be waning even while important and interesting political and economic developments are taking place this volume will reinvigorate the study of North America as a region to better understand its past present and future *Women's Roles in Latin America and the Caribbean*

Kathryn A. Sloan, 2011-08-03 This book surveys Latin American and Caribbean women s contributions throughout history from conquest through the 20th century From the colonial period to the present day women across the Caribbean and Latin America were an intrinsic part of the advancement of society and helped determine the course of history Women s Roles in Latin America and the Caribbean highlights their varied and important roles over five centuries of time providing geographical breadth and ethnic diversity to the Women s Roles through History series Women s roles are the focus of all six chapters covering themes that include religion family law politics culture and labor Each section provides specific examples of real life women throughout history providing readers with an overview of Latin American women s history that pays special attention to continuity across regions and variances over time and geography *The Many Faces of Corruption* J.

Edgardo Campos, Sanjay Pradhan, 2007-04-04 Corruption How can policymakers and practitioners better comprehend the many forms and shapes that this social pandemic takes From the delivery of essential drugs the reduction in teacher absenteeism the containment of illegal logging the construction of roads the provision of water and electricity the international trade in oil and gas the conduct of public budgeting and procurement and the management of public revenues corruption shows its many faces The Many Faces of Corruption attempts to bring greater clarity to the often murky manifestations of this virulent and debilitating social disease It explores the use of prototype road maps to identify corruption vulnerabilities suggests corresponding warning signals and proposes operationally useful remedial measures in each of several selected sectors and for a selected sample of cross cutting public sector functions that are particularly prone to corruption and that are critical to sector performance Numerous technical experts have come together in this effort to develop an operationally useful approach to diagnosing and tackling corruption The Many Faces of Corruption is an

invaluable reference for policymakers practitioners and researchers engaged in the business of development **Latin American Democratic Transformations** William C. Smith, 2009-08-24 Latin American Democratic Transformations explores the manner in which Latin American societies seek to consolidate and deepen their democracies in adverse domestic and international circumstances The contributors engage recent debates on liberal and illiberal democracy and probe the complex connections between democratic politics and neoliberal market oriented reforms *Rethinking Development in Latin America* Charles H. Wood, Bryan R. Roberts, 2010-11-01

Popular Mobilization In Mexico The Teachers Movement 1977 87 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Popular Mobilization In Mexico The Teachers Movement 1977 87 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Popular Mobilization In Mexico The Teachers Movement 1977 87 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Popular Mobilization In Mexico The Teachers Movement 1977 87 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Popular Mobilization In Mexico The Teachers Movement 1977 87 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Popular Mobilization In Mexico The Teachers Movement 1977 87 is one of the best book in our library for free trial. We provide copy of Popular Mobilization In Mexico The Teachers Movement 1977 87 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Popular Mobilization In Mexico The Teachers Movement 1977 87. Where to download Popular Mobilization In Mexico The Teachers Movement 1977 87 online for free? Are you looking for Popular Mobilization In Mexico The Teachers Movement 1977 87 PDF? This is definitely going to save you time and cash in something you should think about.
