Porcelain And The Dutch China Trade:

Porcelain and the Dutch China Trade C. J. A. Jörg, 1982-07-20 Shortly after my book *Porcelain and the Dutch East India Company* was published in 1954 and weH received somebody prompted me to consider any prompting or urging from me and atH the merit his work has and I think he has done to continue my research and publish something about splendid work with admirable results is exactly the Japanese porcelain trade I gave in and The Japanese porcelain trade after 1683 appeared in his exclusively his own Japanese *Porcelain* my good friend the late From experience I know the ups and downs Soame Jenyns confessed to the prompting of the research preceding the making of a book But never easily satisfied when he had set his like this the disappointments one has when not mind on a thing he insisted on my continuing finding a thing one had expected to find the the work and publishing what I could find greater satisfaction when one comes across an about the Chinese porcelain trade of the Dutch unexpected interesting thing And when the facts are marshalled and grouped in the inter after 1683 *The Dutch East India Company's Tea Trade with China* Yong Liu, 2007 This case study of the tea trade of the Dutch East India Company with China deals with the most profitable phase of the Dutch Company's China trade focusing on the question why and how the tea trade was taken out of the hands of the High Government in Batavia and put under the supervision of the newly established China Committee in 1757 Various factors which contributed to the phenomenal rise of this trade and its sudden decline are dealt with in detail Filling in lacunae left open by previous research and this monograph contributes to a more comprehensive understanding of the VOC trade with Asia **China Trade Porcelain: Patterns of Exchange** Clare Le Corbeiller, 1974 **Private Enterprise and the China Trade** Meike von Brescius, 2022-05-20 The open access publication of this book has been published with the support of the Swiss National Science Foundation This book examines the European commercial landscape of the early China trade c 1700 1750 It looks at the foundational period of Sino European commerce and explores a world of private enterprise beneath the surface of the official East India Company structures Using rich private trade records it analyses the making of pan European markets distribution networks and patterns of investment that together reveal a new geography of a trading system previously studied mostly at Canton By considering the interlocking activities of British born merchants working for the smaller East India Companies the book uncovers the commercial practices and cross Company collaborations both legal and illicit that sustained the growth of the China trade smuggling wholesale trading private commissions and the manipulation of Company auctions **The Cambridge History of China: Volume 9, The Ch'ing Dynasty to 1800, Part 2** Willard J. Peterson, 2016-04-07 Volume 9 Part 2 of The Cambridge History of China is the second of two volumes which together explore the political social and economic developments of the Ching Empire during the seventeenth and eighteenth centuries prior to the arrival of Western military power Across fifteen chapters a team of leading historians explore how the eighteenth century's greatest contiguous empire in terms of

geographical size population wealth cultural production political order and military domination peaked and then began to unravel The book sheds new light on the changing systems deployed under the Ch'ing dynasty to govern its large multi ethnic Empire and surveys the dynasty's complex relations with neighbouring states and Europe In this compelling and authoritative account of a significant era of early modern Chinese history the volume illustrates the ever changing nature of the Ch'ing Empire and provides context for the unforeseeable challenges that the nineteenth century would bring

Leal, 2009-10-01 Muqarnas is sponsored by The Aga Khan Program for Islamic Architecture at Harvard University and the Massachusetts Institute of Technology Cambridge Massachusetts Muqarnas 26 contains articles on a variety of topics that span and transcend the geographic and temporal boundaries that have traditionally defined the history of Islamic art and architecture Contributors include Robert McChesney Mattia Guidetti Marcus Schadl Christian Gruber Katia Cytryn Silverman Doris Abouseif Olga Bush Emine Fetvaci Moya Carey Bernard O Kane Hadi Maktabi Nadia Erzini and Stephen Vernoit **Made in China** Ronald W. Fuchs, 2005 This sumptuous volume accompanies a traveling exhibition of the same name that opens at Winterthur in February 2005 The full color volume highlights 117 exquisite export porcelain objects from the extensive Leo and Doris Hodroff Collection at Winterthur Authors Ron Fuchs and David Howard ground their presentation with an introductory overview of the manufacture of porcelain the history of the china trade and the importance of export porcelain in European and American history and material culture Individual entries are grouped according to function dining wares drinking wares household and personal utensils and decorative wares Each grouping is preceded by a short essay that places the objects within a historic context An illustrated appendix addresses the coats of arms found on many of the objects and an extensive bibliography offers supplementary readings Merchants of Canton and Macao Paul A. Van Dyke, 2018-02-27 Merchants were central to the huge growth in China's foreign trade and contributed to the development of world markets and networks Merchants of Canton and Macao Success and Failure in Eighteenth Century Chinese Trade brings together much new research about the inner workings of the merchants of Canton and Macao The book studies in detail the leading Chinese merchants and merchant families as well as the porcelain and silk trades By examining the successes and failures of dozens of Chinese merchants involved in foreign trade it provides fresh insights into China's unique form of capitalism and her role in the rise of global commerce Van Dyke's conclusions on the nature of Qing policy towards foreign trade are bold original and supported by intensive research In contrast to the traditional focus on British and American trade his research draws on archives in multiple languages spread around the world Like its predecessor this volume offers a detailed and vivid reconstruction of business practices based on a remarkable collection of archival sources in Chinese and diverse European languages It will be especially welcome by economic historians as well as anyone who wants to understand global history as it played out in a particular place R Bin Wong Distinguished Professor of History and director of the Asia Institute UCLA Once again Paul Van Dyke has plumbed the

depths of the archives to provide us with an extraordinary catalogue of the activities of European and Chinese traders during the heyday of the Canton trade In this second volume of his encyclopedic study Van Dyke focuses in detail on the transactions that took place between foreign private and company traders and Chinese licensed merchants Madeleine Zelin Dean Lung Professor of Chinese Studies Columbia University This is a great study which will be the ultimate work on the subject for many years to come It is as complete as the available documentation at present makes possible it is concise well organized and the subject is researched with great thoroughness Christiaan J rg author of Porcelain and the Dutch China Trade

Mediating Netherlandish Art and Material Culture in Asia Thomas Kaufmann, Michael North, 2025-10-01 While the socio economic and historical aspects of the Dutch East India Company VOC have been extensively documented and researched the role of the VOC in visual culture and the arts has been relatively neglected This authoritative volume addresses various aspects of cultural exchange between the Low Countries and Asia Increased prosperity and the flood of imported goods from Asia had a huge influence on seventeenth century Holland To cite some examples when the VOC spread its merchandise throughout the various regions of Asia Chinese decorative motives became popular in Indonesia After the lifting of the seventeenth century ban on the import of Christian books to Japan a wave of interest in Dutch culture hit the country giving rise to Hollandmania imitation of anything Dutch *Mediating Netherlandish Art and Material Culture in Asia* offers new insights into the world routes travelled by seventeenth century Dutch visual culture as well as the rise of Asian influence in the imagery of the Dutch Golden Age **China on the Sea** Zheng Yangwen, 2011-10-14 This volume challenges the Walled Kingdom perspective China reached out to the seas far more actively than historians have allowed while the maritime world shaped China Qing China in particular much more than the continental world It gave birth to and defined Chinese modernity

Chinese Export Porcelains Andrew D Madsen, Carolyn White, 2017-07-28 The blue and white porcelain exported by China in the eighteenth and early nineteenth centuries is an important category of artifacts and antiques a fashion sensitive commodity that was affected by the ebbs and flows of style and consumer demand In this copiously illustrated comprehensive guide to Chinese export porcelain Andrew Madsen offers both a broad overview and detailed identification and context information for the most common styles and motifs His focus on the determination of manufacture dates which are based primarily on data collected from armorial decorated export wares porcelain cargoes from dated shipwrecks and tightly dated archaeological contexts will allow students scholars and collectors to refine associations with Chinese export porcelain revealing the untapped quantity of information that mass produced Chinese export porcelain has to offer **Printing and Publishing Chinese Religion and Philosophy in the Dutch Republic, 1595-1700** Trude Dijkstra, 2021-12-28 This book discusses how Chinese religion and philosophy were represented in printed works produced in the Dutch Republic between 1595 and 1700 By focusing on books newspapers learned journals and pamphlets Trude Dijkstra sheds new light on the cultural encounter between China and western Europe in the early modern period Form content and material technical

aspects of different media in Dutch and French are analysed providing novel insights into the ways in which readers could take note of Chinese religion and philosophy This study thereby demonstrates that there was no singular image of China and its religion and philosophy but rather a varied array of notions on the subject

The Transformation of Vernacular Expression in Early Modern Arts Joost Keizer, Todd Richardson, 2011-10-14 Including contributions by historians of early modern European art architecture and literature this book examines the transformative force of the vernacular over time and different regions as well as the way the concept of the vernacular itself changes in the period

Dutch Primacy in World Trade, 1585-1740 Jonathan I. Israel, 1989-06-08 Despite its small size and population the Dutch Republic functioned as the hub of world trade shipping and finance for nearly two centuries This is the first detailed account of that hegemony from its sixteenth century origins to the final collapse of the Dutch trading system in the eighteenth century The economic structure of the early modern world was such that the Dutch Republic particularly Amsterdam was able to dominate the world economy to a far greater degree than any commercial power before or since Using archival and secondary sources this book explains how such a small nation was able to achieve and sustain this ascendancy for so long In particular Professor Israel emphasizes the interaction between Dutch commercial activity in Asia Africa the Americas and the Middle East and its penetration of nearby European markets Introduction The origins of Dutch world trade hegemony The breakthrough to world primacy 1590 1609 The Twelve Years Truce 1609 1621 The Dutch and the crisis of the world economy 1621 1647 The zenith 1647 1672 Beyond the zenith 1672 1700 The Dutch world entrepreneurship and the conflict of the Spanish succession 1700 1713 Decline relative and absolute 1713 1740 Afterglow and final collapse Conclusion

Luxury and Pleasure in Eighteenth-Century Britain Maxine Berg, 2005-06-30 In this book Maxine Berg explores the invention making and buying of new semi luxury and fashionable consumer goods during the eighteenth century It follows these goods from china tea ware to all sorts of metal ornaments such as candlesticks cutlery buckles and buttons as they were made and shopped for then displayed in the private domestic settings of Britain's urban middling classes It tells the stories and analyses the developments that led from a global trade in Eastern luxuries beginning in the sixteenth century to the new global trade in British made consumer goods by the end of the eighteenth century These new products regarded as luxuries by the rapidly growing urban and middling class people of the eighteenth century played an important part in helping to proclaim personal identities and guide social interaction Customers enjoyed shopping for them they took pleasure in their beauty ingenuity or convenience All manner of new products appeared in shop windows sophisticated mixed media advertising seduced customers and created new wants This unparalleled product revolution provoked philosophers and pundits to proclaim a new luxury one that reached out to the middling and trading classes unlike the elite and corrupt luxury of old *Luxury and Pleasure in Eighteenth Century Britain* is cultural history at its best built on a fresh empirical base drawn directly from customs accounts advertising material company papers and contemporary correspondence Maxine Berg traces how this new

consumer society of the eighteenth century and the products first traded then invented to satisfy it stimulated industrialization itself Global markets for the consumer goods of private and domestic life inspired the industrial revolution and British products won the world

Forgotten Diplomacy Vincent K.L. Chang, 2019-11-26 In this meticulously researched volume Vincent Chang resurrects a near forgotten yet pivotal chapter of Dutch Chinese ties to narrate how World War II the civil war in China and Indonesia's decolonization redefined and remade this age old bilateral relationship Drawing on a unique range of hitherto unexplored archives the book explains how China's nascent rise on the global scene and the Netherlands simultaneous decline as a colonial power shaped events in Dutch controlled Indonesia and vice versa and prompted a recalibration of their mutual ties culminating in the Netherlands recognition of the People's Republic and laying the foundations for Dutch and Chinese policies through to the present Offering insightful analyses of power dynamics and international law at the close of empire this book is a critical resource for historians and China specialists as well as scholars of international relations

The Private Side of the Canton Trade, 1700-1840 Paul A. Van Dyke, Susan E. Schopp, 2018-03-13 It is not often recognized that China was one of the few places in the early modern world where all merchants had equal access to the market This study shows that private traders regardless of the volume of their trade were granted the same privileges in Canton as the large East India companies All of these companies relied to some extent on private capital to finance their operations Without the investments from individuals the trade with China would have been greatly hindered Competitors large and small traded alongside each other while enemies traded alongside enemies Buddhists Muslims Catholics Protestants Parsees Armenians Hindus and others lived and worked within the small area in the western suburbs of Canton designated for foreigners Cantonese shopkeepers were not allowed to discriminate against any foreign traders In fact the shopkeepers were generally working in a competitive environment providing customer oriented service that generated goodwill friendship and trust These contributed to the growth of the trade as a whole While many private traders were involved in smuggling opium others such as Nathan Dunn were much opposed to it The case studies in this volume demonstrate that fortunes could be made in China by trading in legitimate items just as successfully as in illegitimate ones which tellingly suggests that the rapid spread of opium smuggling in China could be a result of inadequate rather than excessive regulation by the Qing government For this absorbing book Van Dyke and Schopp have convened excellent scholars junior and senior to throw new light on the foreign merchants outside the East India companies who shaped China's engagement with the world at least as much as the companies men did if not more The slumbering field of foreign trade in Qing China has come back to life Timothy Brook University of British Columbia Much scholarship on the China trade has focused on the activities of the vast state sponsored companies This book flips the script Now we know that right under the noses of those economic behemoths smaller private traders from Europe America and China were quietly reshaping the trade with their innovation networking grit and dreams John R Haddad The Pennsylvania State University [Library of Congress](#)

Hundreds of Chinese export paintings of Canton trading houses and shopping streets are in museums and private collections throughout the world and scholars of art and history have often questioned the reliability of these historical paintings In this illustrated volume Paul Van Dyke and Maria Mok examine these Chinese export paintings by matching the changes in the images with new historical data collected from various archives Many factory paintings are reliable historical records in their own right and can be dated to a single year Dating images with such precision was not possible in the past owing to insufficient information on the scenes The new findings in this volume provide unprecedented opportunities to re date many art works and prove that images of the Canton factories painted on canvas by Chinese artists are far more trustworthy than what scholars have believed in the past
