The Canadian Kingdom D. Michael Jackson, 2018-04-14 An integral part of Canada s political culture the constitutional monarchy has evolved over the 150 years since Confederation to become a uniquely Canadian institution Canada inherited the constitutional monarchy from Britain even before Confederation in 1867 In the 150 years since then the Crown has shaped and been shaped by Canada s achievement of independence its robust federalism the unique identity of Quebec and its relationship with Indigenous peoples What has this Canadian Crown contributed to the Canada of the twenty first century How is this historic yet resilient institution perceived

today The essays in this book respond to these questions from a variety of perspectives encompassing the arts the role of the vice regal representatives the Indigenous peoples and the contemporary position of the monarch In discussing whether there is a distinctly Canadian monarchy the authors look beyond Canada s borders too and explore how Canada s development has influenced other Commonwealth realms Art Et Architecture Au Canada Loren Ruth Lerner,Mary F.

Varley Katerina Atanassova,2007-03-30 Frederick Horsman Varley was unique among the

members of the Group of Seven One of the greatest Canadian portraitists of the twentieth century he is an intriguing example of an artist who despite his fame as a portrait painter remains better known for his landscapes This is due mainly to his position as one of the founding members of the Group of Seven and their deliberate attempt to raise awareness of our national identity by depicting the Canadian landscape Even though many public collections across the country including the National Gallery of Canada the Art Gallery of Ontario and the Vancouver Art Gallery display some of Varley s best known portraits these works do not easily fit into the conventional mould of the Group of Seven Nearly four decades after his death Varley s portraits are still not fully acknowledged The release of this beautifully illustrated bilingual volume coincides with the opening of an unprecedented exhibition of his portraiture **Musée Du Portrait Du Canada** ,2001* **Library of**
