librarians      *Teaching and Learning Language: Current Trends and Practices (Penerbit USM)* Ambigapathy Pandian, Sunny Tan Siew Bek, Shaik Abdul Malik Mohamed Ismail, 2014-11-25 This book represents a collection of papers that relate to the challenges and problems posed by the ever changing and diversified nature of today's classroom. The papers discuss and demonstrate methodologies and learning strategies and in the process recommend effective practices that are practical and open to adaptation for different teaching and learning contexts. They range from suggestions on how to exploit information technology resources to individual or specific case studies. These case studies report on a variety of contextual issues and problems that are specified to particular learning contexts. This book therefore thus not only offers examples of tried and tested teaching strategies but also offers useful insights into specific sociocultural problems that are experienced by learners as well as teachers and interested stakeholders in particular settings and countries. The papers offer a comprehensive documentation of past as well as present problems faced by teachers, policy makers and students and discuss ways and strategies of overcoming such problems such that the teaching and learning process is not only enhanced but made more meaningful and fulfilling to both teachers and learners. The inherently global perspective of the papers in this book makes it an enriching compendium.

*How to Coach Teachers Who Don't Think Like You* Bonnie M. Davis, 2007-11-14 Finally a book that I can use a hands on foot to the pedal kind of reading experience. Of all the books on educational coaching available this one answers my actual day to day questions. You can tell Bonnie Davis has been there. An invaluable resource. Mary Kim Schreck Author. The Red Desk Concrete guidelines for novice and experienced coaches. This comprehensive guide encompasses a multilayered model that provides a rich experience for both coach and trainee. *How to Coach Teachers Who Don't Think Like You* covers the process and content of coaching and describes a unique approach that encourages teachers to write and reflect upon their practices. Coaches can use literacy strategies to train across content areas and learn how to individualize their approach to honor teachers' distinctive learning styles. The author presents samples of teacher writing and student work generated from coaching and offers narratives from practicing coaches across the country in school based, district and independent settings to illustrate the real world of coaching. With a format that gives readers the flexibility to choose sections best suited to particular coaching situations, the book includes specific field tested practices to support personal learning differences. Strategies for modifying classroom practice and improving student achievement. Coaching models for individual teachers and teams of teachers. Options for coordinating coaching activities with teachers' schedules. Whether you are just beginning a coaching career or have several years of experience, this book offers suggestions and avenues for exploration, inspiration and application.
