Reading The Gospels A Guide To Readers And Teachers:

Reading the Gospels--a Guide to Readers and Teachers J. Kingsley Dalpadado,1976 Reading the Gospels Wisely Jonathan T. Pennington,2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation An Introduction to The Gospels Mitchell G. Reddish,2011-09-01 An Introduction to the Gospels is designed to be a textbook for courses on the Gospels for use at the college and beginning seminary level Reflecting the most recent scholarship and written in an accessible style the volume covers all four of the Gospels including a survey of the world of the Gospels The book opens with a discussion of the origin development and interrelationships of the Four Gospels After a chapter length treatment of each canonical Gospel and the non canonical Gospels the work concludes with a discussion of the historical Jesus debate In An Introduction to the Gospels Mitchell G Reddish provides a solid convenient survey of the Gospels in an accessible textbook format presents up to date scholarship in a field that has been dominated by older texts gives a balanced presentation of the content of the Gospels **Religious Books, 1876-1982** ,1983 Prepared by the R R Bowker Company s Department of Bibliography in collaboration with the Publications Systems Department Page opposite t p Includes indexes Author Index 3901 4069 Title Index 4071 4389 **The Catholic Reader's Bible: The Gospels** Sophia Institute Press,2020-07-16 The Catholic Reader s Bible is perfect for brief devotional moments as well as for long delightful hours of extended reading **Handbook on the Gospels (Handbooks on the New Testament)** Benjamin L. Gladd,2021-06-01 A leading New Testament scholar provides an easy to navigate resource for studying and understanding the Gospels Written with classroom utility and pastoral application in mind this accessibly written volume summarizes the content of each major section of the biblical text to help students pastors and laypeople quickly grasp the sense of particular passages The series modeled after Baker Academic s successful Old Testament Handbook series focuses primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The book covers all four Gospels and explores each major passage showing how Jesus is the central figure of each plot It also unpacks how the Old Testament informs the Gospels *Salvation Manual* Nsikan E. Johnny,2024-08-01 Salvation Manual Bible Made Easy through Questions and Answers for the book of Matthew is one of several books in the Salvation Manual Bible Made Easy through Questions and Answers series Like other

books in the series it adopts a questions and answers pattern in identifying and breaking down biblical truths in a way that will be easily understood and internalised In a spectacular method of using questions and answers it unravels every message event and character from all the chapters in the book of Matthew The book consists of twenty eight chapters one for each chapter of the book of Matthew The questions and answers are placed at the end of each chapter to assess the degree to which the reader understands the chapter read as well as how much of the details of the chapter they retained The book makes the reader study every chapter of the book of Matthew in two directions the forward and reverse directions The chapter of the book of Matthew at the beginning of each chapter of this book is the first point of contact for the reader which they have to read and understand what is contained in the chapter After that are questions from the chapter and answers at the end of the questions with which the reader would test their knowledge of what they had read in that chapter These questions and answers segment presents the reader with problems which points them back to the Bible for confirmation or further studies the forward and reverse directions The approach to Bible studies presented in this book is remarkable as it will take its reader a step above regular Bible reading to be fully grounded in the details of the events and messages in the scriptures The book is a tool that can challenge one s knowledge of the scripture serve as a Bible study guide and reveal vital information that might have been overlooked or missed in the course of one s study of the scriptures DRS: An Intellectual Approach To Bible Study II Dr. Shi-Brone (Jake) Jacobs,2016-12-14 Dr Jacobs book provides a series of methods by which to objectively approach difficult Biblical topics Additionally it offers readers a perspective view held by many non Christians so that appropriate apologetic stances can be developed **Teaching Activities Manual for Breakthrough! the Bible for Young Catholics** Rick Keller-Scholz,Jeannie Pomanowski,2006 Each chapter includes these features an overview of the character scripture passages related to the character Breakthrough articles that pertain to the character a list of similarities between young adolescents and the biblical figure biblical quotes that point to God s presence n the character s story and a Getting to know the biblical character activity or activities that explores who the biblical character is and makes connections between his or her relationship with God and the young people s own life experience Back cover **The Catholic Reader's Bible: The Epistles** Sophia Institute Press,2020-07-16 The Catholic Reader s Bible is perfect for brief devotional moments as well as for long delightful hours of extended reading **Journal of Education** ,1881 **New England Journal of Education** ,1920 New Testament for Everyone Gospel Set N. Gospels before the Book Matthew Larsen, 2018-07-02 What does it look like to read the texts we now call the gospels like first and second century readers There is no evidence of anyone regarding the gospel as a book published by an author until the end of the second century So put differently what does it mean to read the gospels before the book For centuries the ways people discuss the gospels have been shaped by later ideas that have more to do with the printing press and modern notions of the author than ancient writing and reading practices In *Gospels before the Book* Matthew D C Larsen challenges several subtle yet problematic assumptions about authors books and publication at work in early Christian studies He then explores a host of underappreciated elements of ancient textual culture such as unfinished texts accidental publication post-publication revision and the existence of multiple authorized versions of the same work Turning to the gospels he argues that the earliest readers and users of the text we now call the Gospel according to Mark treated it not as a book published by an author but as an unfinished open and fluid collection of notes hypomnēmata In such a scenario the Gospel according to Matthew would not be regarded as a separate book published by a different author but as a continuation of the same unfinished gospel tradition Similarly it is not the case that of the five different endings in the textual tradition we now call the Gospel according to Mark one is right and the others are wrong Rather each represents its own effort to fill a perceived deficiency in the gospel Larsen offers a new methodological framework for future scholarship on early Christian gospels
