Process Hojoon Ahn, 2024-06-11 This study critically examines the current state of Synoptic Gospel studies particularly many scholars reliance on the Literary Dependence Hypothesis and endeavors to advance a more balanced approach The author attempts to deduce the Synoptic Gospels construction process by meticulously examining the Eucharist and its co text within these Gospels by employing a model of Mode Register Analysis based on Systemic Functional Linguistics This study uncovers the probability that each designated text in the Synoptic Gospels was constructed based on oral Gospel tradition s under the influence of each constructor s identity The Gospel of Matthew John Nolland, 2005-11-01 Having devoted the past ten years of his life to research for this major new work John Nolland gives us a commentary on the Gospel of Matthew that engages with a notable range of Matthean scholarship and offers fresh interpretations of the dominant Gospel in the history of the church Without neglecting the Gospel s sources or historical background Nolland places his central focus on the content and method of Matthew s story His work explores Matthew s narrative technique and the inner logic of the unfolding text giving full weight to the Jewish character of the book and its differences from Mark s presentation of parallel material While finding it unlikely that the apostle Matthew himself composed the book Nolland does argue that Matthew s Gospel reflects the historical ministry of Jesus with considerable accuracy and he brings to the table new evidence for an early date of composition Including accurate translations based on the latest Greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches Nolland s Gospel of Matthew will stimulate students preachers and scholars seeking to understand more fully Matthew s presentation of the gospel narrative **The**

Kinney, 2016-04-11 In the search for Matthean theology scholars overwhelmingly approach the Gospel of Matthew as the the most Jewish Gospel Studies of its Sitz im Leben focus on its relationship to Judaism whether

arguing from the perspective that Matthew wrote from a cloistered Jewish community or as the leader of a Gentile rebellion against such a Jewish community While this is undoubtedly an important and necessary discussion for understanding the Gospel it often assumes too much about the relationship between Judaism and Hellenism via Martin Hengel Robert S Kinney argues for a hybridized perspective in which Matthew s attention to Jewish sources and ideas is not denied but in which echoes of Greek and Roman sources can be observed focusing on identifying Matthew s use of rhetoric and its possible echoes of Greco Roman philosophical disciple gathering teachers

The Sermon without End Ronald J. Allen,Prof O. Wesley Allen JR.,2015-10-20 A New Model for Post Apologetic Preaching in a Pluralistic World The relationship between preaching and the public sphere has long been debated Three different theological approaches tend to dominate the discussion In different ways these approaches take into account the movement from the modern mindset of the mid to late 20th century to the emerging postmodern worldview In The Sermon without End authors Allen Allen thoughtfully offer a fourth option one that in their view has not received much attention but which offers a distinct and especially helpful perspective It is a new and dynamic conversational model reaching beyond the earlier work of Tillich and Tracy In this homiletical framework conversation takes place in multiple directions between the text or tradition and the world today It is preaching in conversation not just toward but with voices from the public sphere The book provides a solid foundation for understanding this post apologetic approach but it importantly goes on to offer practical real pulpit guidance for implementation in a preaching ministry It is a book for both scholars and practicing preachers who wish to reach people in meaningful and significant ways and in ways that make sense for today This book deserves to be widely applauded It provides a post apologetic lens to illuminate the history of various modern homiletical discourses even as it envisions a postmodern one I strongly recommend this book for homiletics preachers and lay people alike Duse Lee Boston University School of Theology Reviewed in Homiletic

O Woman, Great is Your Faith! Douglas Sean O'Donnell,2021-08-26 The concept of faith holds a central position in New Testament and early Christian thought yet this concept has not received the careful attention it deserves in the Synoptic Gospels The present study offers a comprehensive analysis of faith as a key motif in the Gospel of Matthew where it plays a major role in communicating this Gospel s vision for how readers should respond to the person and message of Jesus The argument propounded is that Matthew s unique narrative portrayal of the Canaanite woman s faith 15 21 28 is used for pedagogical purposes namely that

by comparing and contrasting her great faith with those characters expressing no faith and little faith Matthew uses Jesus's quantitative terms to teach on the nature of true faith She embodies Matthew's theological vision of faith Even though she is a gentile outsider enemy she comprehends the universal scope and abundant blessings of Jesus's mission Moreover she acknowledges Jesus's messianic identity correctly perceiving him to be both David's royal heir and David's Lord Finally based on who she perceives Jesus to be and the purpose of his mission she demonstrates faith as trust manifested in action

Preaching in the Era of Trump O. Wesley Allen, 2017-03-28 Now more than ever it's time to preach The election of Donald Trump left countless faith leaders across the country speechless Now that he is president silence must give way to prophetic preaching Christians have long debated whether politics should be addressed from the pulpit Following Donald Trump's controversial divisive rise to power and the sweeping changes his fledgling administration has already proposed that's no longer a question political preaching will be the order of the day even for pastors who try to steer clear of controversy It's up to preachers to make the church great again by leading it to embrace and embody God's concern for those whose lives are at stake in a Trump administration Veteran teacher preacher and author Wes Allen offers a blueprint for addressing current events through a Gospel lens persuasively and pastorally without engaging in divisive antagonistic rhetoric Available in EPUB EPDF and paperback **AAR/SBL Annual Meeting Program** American Academy of Religion.
