Performing the American Frontier, 1870-1906 Roger A. Hall, 2001-08-16 *Performing the American Frontier 1870 1906* examines how the American frontier was presented in theatrical productions during the critical period from the end of the Civil War to the beginning of cinema In chronological fashion the book explores the post Civil War resurgence of interest in drama about the frontier which led to a host of action packed melodramas From famous personalities such as Mark Twain and Buffalo Bill Cody to lesser known individuals such as native American playwright and actress Gowongo Mohawk Hall examines the plays the players and the playwrights who helped to define the American westward migration in theatrical terms and covers the complete dramatic experience including scenery performance and staging The book demonstrates the extraordinary variety of subject matter and theatrical styles used to dramatize the frontier and places frontier drama within the context of its society by framing the productions with the contemporary debates on national policies

Race Patriotism Julius H. Bailey, 2012-05-30 *Race Patriotism Protest and Print Culture in the A M E Church* examines important nineteenth century social issues through the lens of the AME Church and its publications This book explores the ways in which leaders and laity constructed historical narratives around varied locations to sway public opinion of the day Drawing on the official church newspaper the *Christian Recorder* and other denominational and rare major primary sources Bailey goes beyond previously published works that focus solely on the founding era of the tradition or the eastern seaboard or post bellum South to produce a work that breaks new historiographical ground by spanning the entirety of the nineteenth century and exploring new geographical terrain such as the American West Through careful analysis of

AME print culture Bailey demonstrates that far from focusing solely on the politics of uplift and seeking to instill bourgeois social values in black society as other studies have suggested black authors intellectuals and editors used institutional histories and other writings for activist purposes and reframed protest in new ways in the postbellum period Adding significantly to the literature on the history of the book and reading in the nineteenth century Bailey examines AME print culture as a key to understanding African American social reform recovering the voices of black religious leaders and writers to provide a more comprehensive and nuanced portrayal of the central debates and issues facing African Americans in the nineteenth century such as migration westward selecting the appropriate referent for the race Social Darwinism and the viability of emigration to Africa Scholars and students of religious studies African American studies American studies history and journalism will welcome this pioneering new study Julius H Bailey is the author of *Around the Family Altar Domesticity in the African Methodist Episcopal Church 1865-1900* He is an associate professor in the Religious Studies Department at the University of Redlands in Redlands California

Conserving Words Daniel J. Philippon, 2004 *Conserving Words* looks at five authors of seminal works of nature writing who also founded or revitalized important environmental organizations Theodore Roosevelt and the Boone and Crockett Club Mabel Osgood Wright and the National Audubon Society John Muir and the Sierra Club Aldo Leopold and the Wilderness Society and Edward Abbey and *Earth First* These writers used powerfully evocative and galvanizing metaphors for nature metaphors that Daniel J Philippon calls conserving words frontier Roosevelt garden Wright park Muir wilderness Leopold and utopia Abbey Integrating literature history biography and philosophy this ambitious study explores how conserving words enabled narratives to convey environmental values as they explained how human beings should interact with the nonhuman world

Melville's City Wyn Kelley, 1996-07-26 She shows that images both from Melville and from popular sources of the time represented New York variously as Capital Labyrinth City of Man and City of God and she goes on to demonstrate that he resisted a generalizing or totalizing representation of the city by revealing its hybrid identity and giving voice to the poor the displaced and the racially excluded

Mexican American Literature Elizabeth Jacobs, 2006-04-18 Presenting an up to date critical perspective as well as a cultural political and historical context this book is an excellent introduction to Mexican American literature affording readers the major novels drama and poetry This volume presents fresh and original readings of major works and with its historiographic and cultural analyses impressively delivers key information to the reader

Gendered Memories, 2021-11-08 How does gender shape memory What role does literature play in cultural remembering These are two of the questions to which the present volume is addressed Even if we agree that remembering is not biologically determined we can assume that memory is influenced by the particular social cultural and historical conditions in which individuals find themselves And since men and women generally assume different social and cultural roles their way of remembering should also differ So do women and men remember different events narrate different stories and narrate or read them in different ways *Gendered Memories* then not

only looks at memory gendered by literature but also wants to know how gender shapes the memory of literature

Sublime Enjoyment Dennis A. Foster, 1997-11-13 Linking classic American literature to contemporary popular culture
Sublime Enjoyment argues that the rational systems of normal social life are motivated and sustained by perverse desires
This perversity arises from the failure of symbolic satisfactions love work success to make us happy and from our refusal to accept that failure
Hoping to achieve satisfaction we respond ultimately to situations that evoke older more primary drives and their attendant emotions
But while a conventional pervert knows exactly what to want the healthy pervert must find enjoyment inadvertently in the object of the sublime in duty and reason and in the obligations of a fun morality
Examining the ways in which this inadvertence is represented in American literature and culture Dennis Foster identifies ways in which longings are linked to social forces
