## Reading Through Romans:

Reading Romans Luke Timothy Johnson, 2001 Paul wrote this letter to the Roman Christians to win their financial support for a new stage in his mission How could an Apostle unknown by sight to the Roman believers recommend himself except by sharing his understanding of how God was at work through the Good News that Paul proclaimed to Jews and Gentiles Romans starts with a practical goal and becomes a theological masterpiece of great historical importance and of enduring significance to all believers in the One God The fresh reading of Romans by a Catholic scholar pays close attention to Paul's theological argument as it unfolds The commentary includes several distinctive features Johnson shows how Paul understands righteousness by faith as the faith of the human person Jesus how salvation means inclusion in God's people and how the work of the Holy Spirit transforms human consciousness so that believers can share with each other the faith and the love shown them by Jesus from back cover

**Reading with the Grain of Scripture** Richard B. Hays, 2020-10-22 Christianity Today Book Award in Biblical Studies 2021 All these essays illustrate in one way or another how I have sought to carry out scholarly work as an aspect of discipleship as a process of faith seeking exegetical clarity Richard Hays has been a giant in the field of New Testament studies since the 1989 publication of his *Echoes of Scripture in the Letters of Paul* His most significant essays of the past twenty five years are now collected in this volume representing the full fruition of major themes from his body of work the importance of narrative as the glue that holds the Bible together the figural coherence between the Old and New Testaments the centrality of the resurrection of Jesus the hope for New Creation and God's eschatological transformation of the world the importance of standing in trusting humility before the text the significance of reading Scripture within and for the community of faith Readers will find themselves guided toward Hays's hermeneutic of trust rather than the hermeneutic of suspicion that has loomed large in recent biblical studies

**Invitation to Romans: Participant Book** Prof Pamela M. Eisenbaum, 2012-08-01 Exploring how people have interpreted Romans through the ages is a good lens to view the history of Christianity itself Compare what Paul writes in Romans to what theologians like Augustine Luther and Calvin say in trying to understand Paul in their time At the end of this study your group will have a more informed commitment to Paul's radical vision of God's relationship to both Christians and Jews and to their relationship to each other thanks to the love of God in

**Reading the Bible with Giants** David Paul Parris,2015-08-27 Many readers of the Bible believe that interpreting the Scriptures well simply involves a two way dialogue between themselves and the text Implied in this view is the idea that we can simply jump over two thousand years of biblical interpretation However if we believe that God has been speaking through the Bible to devout believers throughout history it would seem that we should find a way to identify the insights they perceived in the text so that we can learn to read these sacred texts with them Drawing on resources from Reception Theory the goal of Reading the Bible with the Giants is to enable the contemporary reader to interpret the Bible in dialogue with those who have gone before us Seek and Read from the Book of the Lord The Word Forum,2023-07-24 **Workbook for Lectors, Gospel Readers, and Proclaimers of the Word® 2026** María Enid Barga ,Fr. Greenman,Timothy Larsen,2005-12-01 What does it mean to be saved Did God choose who would be his followers or was it a personal choice These are just some of the questions Paul addresses in the sixteen challenging chapters of his letter to the Romans Reading Romans shows how some of the greatest minds in the history of the church have wrestled with and even been changed by Paul s words For example God used a passage from Romans to speak to the untamed heart of Augustine and John Wesley said that after hearing Martin Luther s comments on Romans he felt his heart strangely warmed This book will show why in many
