Struggling Readers Can Succeed Nina L. Nilsson, Sandra E. Gandy, 2013-05-01 In spite of *No Child Left Behind* and the support provided by *Response To Intervention*, significant numbers of students continue to struggle with literacy. This text addresses learning-related needs of individual students in addition to interventions for the challenges they face. Struggling readers represent many different ethnicities, socio-economic levels, languages, and dialects in any combination and possess an even wider variety of social, cultural, motivational, literacy, and real-world experiences. Through the presentation of case studies, this book considers these factors and their influence on literacy development and suggests ways to adapt research-based instructional strategies and approaches as well as classroom practices to address them. It also includes related recommended resources. The text appeals to the concerns of classroom teachers, reading specialists, and faculty in teacher education programs as well as anyone looking for practical, research-based ways to further the literacy development of individuals who struggle to read. *School-Based Interventions For Struggling Readers, K-8* Evan Ortlieb, Earl H. Cheek Jr., 2013-06-06 The volume highlights best practices of literacy instruction for students who have difficulties in reading. From components of effective pedagogy to instruction for specific populations, this text offers an array of expert perspectives on how to engage, scaffold, and prepare students to meet the multimodal demands of schools today.
