Reading Without Dick And Jane:

Reading Without Dick and Jane Arther S. Trace, 1965 Critique of prevailing methods by which reading is taught to youngsters in American schools *Reading Without Dick and Jane* Trace Sr, 2001-01-01 [Fun without Dick and Jane](#) Christie Mellor, 2012-05-11 From Christie Mellor the best selling author of *The Three Martini Playdate* comes this hilarious and helpful guide to recovering from getting those little angels into college and out of the house Filled with unapologetically funny yet entirely sympathetic advice Mellor answers important questions Is 200 an hour too much to spend for exam tutoring Is moving to an apartment near campus ever an option and offers wise counsel on saying good bye getting kids to stay in touch without begging and coping when they come home to roost which they will for holidays summer break and possibly for years after graduation Best of all she inspires empty nesters to embrace their newfound freedom and enjoy their lives to the full *The Early Reader in Children's Literature and Culture* Jennifer Miskec, Annette Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe **An Introduction to Elementary Reading: Selected Materials** Ronald G. Noland, Jone P. Wright, Elizabeth G. Allen, 1971 *Let's Kill Dick & Jane* Harold Henderson, 2006 For thirty four years from 1962 to 1996 the Open Court Publishing Company sold elementary math and reading textbooks that tried to combat the culture and bring about real school reform Stories from the company's struggles help make this culture visible In *Let's Kill Dick and Jane* Harold Henderson gives a historical yet personal portrait from the company's beginnings through all the financial and cultural travails and its sale in 1996 to McGraw Hill It shows how a company of idealistic

pragmatists can chip away at the edifice of mediocrity that has become American education **BOOK JACKET** *The Oxford Handbook of Children's Literature* Julia Mickenberg, Lynne Vallone, 2012-11-29 Remarkably well researched the essays consider a wide range of texts from the U S Britain and Canada and take a variety of theoretical approaches including formalism and Marxism and those related to psychology postcolonialism reception feminism queer studies and performance studies This collection pushes boundaries of genre notions of childhood **Choice** Back cover of book **The Canadian Shields** Carol Shields, 2024-09-09 Newly discovered work by one of Canada's favourite writers The Canadian Shields brings together fifty short writings by Carol Shields 1935-2003 including more than two dozen previously unpublished short stories and essays and two dozen essays previously published but never before collected Invaluable to scholars and admirers of Shields's work the writings discovered in the National Library Archives by Nora Foster Stovel and presented to the public here for the first time reflect Shields's interest in the relationships between reality and fiction mothers and daughters and gender and genre They also reveal her love of Canada especially Winnipeg her home for twenty years Originally written for women's magazines travel journals convocation addresses and even graduate school term papers Shields's imaginative essays explore ideas about home Canadian literature contemporary women's writing and the future of fiction Whether autobiographical cultural or feminist in focus these works vividly illuminate the multiple chapters of Shields's writing life Margaret Atwood and Lorna Crozier frame Shields's texts with tributes to her work and impact An introduction by Stovel situates Shields as a Canadian author and subversive feminist writer demonstrating how American born and raised Carol Anne Warner became the Canadian Shields a quintessential and beloved Canadian writer and the only author to win both the Pulitzer Prize and the Governor General's Gold Medal for Fiction **I Remember** Vetriss A. Arnold, 2000-08-15 How much of your childhood do you remember When's the last time you even thought about it This thought provoking collection of short stories will have you reading becoming teary eyed laughing and desperately trying to remember your own childhood memories Be prepared for the unexpected emotional responses that surface as your breeze through each story and grasp at glimpses from your own life's drama Although these stories are presented in the author's chronological maturation process from the crib to age 13 they can easily be read on independent of another Each unique recollection is filled with its own characters and plots In these action packed pages the author delves into spiritual values the childish pranks of siblings emotional and physical abuse a mother's love and the unconditional love of God You will finish this novel deeply reflecting on your memories what is important in your life and the people and circumstances that influenced you the most *The SAGE Handbook of Qualitative Research* Norman K. Denzin, Yvonna S. Lincoln, Michael D. Giardina, Gaile S. Cannella, 2023-06-19 This new edition of the SAGE Handbook of Qualitative Research represents the sixth generation of the ongoing conversation about the discipline practice and conduct of qualitative inquiry As with earlier editions the Sixth Edition is virtually a new volume with 27 of the 34 chapters representing new topics or approaches not seen in the previous edition To mark the

Handbook's 30 year history we are pleased to offer a bonus PART VI in the eBook versions of the Sixth Edition this additional section brings together and reprints ten of the most famous or game changing contributions from the previous five editions

Contemporary Women Writers Look Back Alice Ridout, 2011-01-13 Long before John Barth announced in his famous 1967 essay that late 20th century fiction was The Literature of Exhaustion authors have been retelling and recycling stories Barth was however right to identify in postmodern fiction a particular self consciousness about its belatedness at the end of a long literary tradition This book traces the move in contemporary women's writing from the self conscious ironic parodies of postmodernism to the nostalgic and historical turn of the 21st century It analyses how contemporary women writers deal with their literary inheritances offering an illuminating and provocative study of contemporary women writers re-writings of previous texts and stories Through close readings of novels by key contemporary women writers including Toni Morrison Doris Lessing Margaret Atwood Zadie Smith Emma Tennant and Helen Fielding and of the ITV adaptation *Lost in Austen* Alice Ridout examines the politics of parody and nostalgia exploring the limitations and possibilities of both in the contexts of feminism and postcolonialism

Youth Bryan De Vouge,2010-03-29 This book describes the author's childhood growing up on a farm living with four generations of family including his sister, parents, grandparents and great grandparents. The author describes many varied experiences from helping his 90-year-old great grandmother churn butter the old-fashioned way to helping his grandfather feed the pigs and other animals on the farm. He writes about his interactions with many of the other people who lived in the same community and some of the naughty things he and his friends did such as raiding apple orchards. This book gives the reader a clear idea of how life was on a farm in rural Quebec in the 1950s. Congressional Record United States.

Congress,1974 **Bizarre Bachelors** Robert Lee,2014-01-25 For ten years he laboured to construct his ultralight airplane then on a whim he doused it with gasoline and set fire to it. When the rat invades his home, Gerry goes to drastic lengths to rid himself of the vermin but dying of mesothelioma but living with zest. A bachelor shoots himself in the back with a shotgun. A meal of moose testicles. More than forty true but unbelievable stories of the bizarre lives of an endangered species: the bachelor. No single man worth his salt is married. The thought could have come straight from Yogi Berra's vault of butchered expressions. However many married men the wannabes in spite of wanting to remain married idolize and envy the bachelor. Few bachelors return the favour. But the bachelor is a unique breed. Always threatened with extinction, bachelors have survived and thrived by doing things and thinking their own way. They are Robert Frost's travellers in the yellow wood. It is true. No single man worth his salt is married. All the good ones are not taken; they are recalled from the market.
