**Success in Reading and Writing** Lisa Lord, 1991-07 Educational resource for teachers parents and kids

**Primary Education, Popular Educator** , 1926

**Educator's Guide to Personalized Reading Instruction** Walter Burke Barbe, 1961 In view of the growing concern with serious reading deficiencies among today s school children this book deserves the close attention of all educators It presents a program of personalized reading instruction which not only stimulates the child s desire to read but also lets him progress at his own pace without being pushed by faster readers or held back by slower ones This timely much needed Guide

gives clear and concise instructions for planning and successfully carrying through the whole program Instead of basal texts the teacher uses books and materials of the child s own choosing The author Dr barbe has been one of the pioneer innovators of this new and practical method of teaching reading He outlines the five steps the teacher must take to establish the program 1 Organizing the classroom 2 Collecting the materials 3 Keeping records 4 Planning independent grouped and follow up activities 5 Handling the individual interview and conference The procedures outlined and suggestions made here insure both beginners and more advanced pupils the fullest benefits from personalized reading instruction In addition to giving the teacher the necessary guidance this guide answers every question that might arise in connection with the program Questions like At what grade level should personalized reading begin What are the differences between personalized instruction and ability grouped reading How is pupil s potential reading level determined How does the teacher build up the materials necessary for a personalized reading program where can the approved sources of children s books be found How many books are required to begin a personalized reading class How will a personalized reading instruction method have on the home and community By using this guide as a point of departure and by following its recommended series of individual drills exercises and quizzes any teacher can carry through a successful program of personalized reading instruction the result will be children who learn to read faster and better and who form a lasting attachment to reading for its own sake
