Readings In The Economics Of War:

Readings in the Economics of War; John Maurice Clark, Walton Hale Hamilton, Harold Glenn Moulton, 2015-10-15 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Readings in the Economics of War J. Maurice Clark, 2015-06-05 Excerpt from Readings in the Economics of War When this war comes to be reviewed in proper perspective its social and economic aspects will be found at least as remarkable as the military events and perhaps more instructive And among them the influence of war on industry and the converse influence of industry on war will take a prominent place We are indeed witnessing a phenomenon so extraordinary and unexpected that we can see only its surface as we pass and are hardly able to comprehend even that There has not been time to look beneath and try to read the deeper meaning of it all But some lessons present themselves which he who runs may read Never before has the supreme concerted effort demanded by war been so fully brought out and the inscrutable mystery of human conduct been so clearly posed as in this prodigious contact of industrial nations About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Readings in the Economics of War John Maurice Clark, Walton Hale Hamilton, Harold Glenn Moulton, 1918
