## Readings In Calvin's Theology:

**Readings in Calvin's Theology** Donald K. McKim, 1984-01-01      Readings in Calvin's Theology Donald K. McKim, 1998-09-08 The essays offered here present many of the leading aspects of Calvin's thought. They seek to draw together Calvin's thinking on various topics to present a wide picture of his teachings. Selections include McNeill on Calvin's Battles on divine accommodation; McKim on scripture; Wallace on preaching; Walker on the church; and more. This is an essential collection of essays for the student of Calvin's thought.      **The Cambridge Companion to John Calvin** Donald K. McKim, 2004-06-17 Dr. Donald K. McKim gathers together an international array of major Calvin scholars to consider phases of Calvin's theological thought and influence. Here historians and theologians meet to present a full picture of Calvin's contexts, the major themes in Calvin's writings, and the ways in which his thought spread and has increasing importance today. The chapters serve as guides to their topics and provide further readings for additional study. This is an accessible introduction to the significant Protestant reformer and will appeal to the specialist and non-specialist alike.      Calvin's Theology and Its Reception J. Todd Billings, I. John Hesselink, 2012-09-28 J. Todd Billings and I. John Hesselink have compiled an essential collection of essays for the study of John Calvin's theology. Leading Calvin scholars examine the early and late reception history of Calvin's fundamental teachings, including reflections on the contemporary possibilities and limitations in developing Calvin's thought. Contributors include Timothy Hessel, Robinson Michael S. Horton, Mark Husbans, David Little, Suzanne McDonald, Jeannine E. Olson, Sue A. Rozeboom, and Carl R. Trueman.      *Day by Day with John Calvin* John Calvin, 2002 Start your day with the truths that have shaped lives for centuries. Along with Martin Luther, John Calvin, the great scholar and Christian leader, was one of the central figures in the Protestant Reformation. A year's worth of daily devotional readings taken from Calvin's commentaries and from Calvin's Institutes of the Christian Religion, Of Prayer and On the Christian Life, have been compiled here for inspiration and meditation. Each of the 365 selections includes a Bible passage and a devotional reading on that passage. Be encouraged as Calvin's profound insight, wisdom, and devotion reveal God's grace. Excerpts from Calvin's commentaries were taken from the work done in the mid 1800s by the Calvin Translation Society. Excerpts from Calvin's Institutes of the Christian Religion, Of Prayer and On the Christian Life were taken from the work of Henry Beveridge, 1845.      **Heart Aflame** John Calvin, 1999 John Calvin described the Psalms as an anatomy of all the parts of the soul. The description is an apt one, says Sinclair B. Ferguson in the foreword to this volume, since every experience, every emotion, all the heights and depths, all the joys and sorrows, all the mysteries of human life are here. These select readings from Calvin's Commentary on the Psalms provide us with a year's worth of rewarding daily meditations. Calvin wrote as one whose own experience is mirrored in the Psalms. Here we witness his remarkable knack for seeing the real issues, particularly how Christ is the focus of all of Scripture.      **Day by Day with John Calvin: Selected Readings for Daily Reflection** John Calvin, 2005-01-01 Start your day with the truths that have shaped lives for centuries. Along with Martin Luther, John Calvin

the great scholar and Christian leader was one of the central figures in the Protestant Reformation A year s worth of daily devotional readings taken from Calvin s commentaries and from Calvin s Institutes of the Christian Religion Of Prayer and On the Christian Life have been compiled here for inspiration and meditation Each of the 365 selections includes a Bible passage and a devotional reading on that passage Be encouraged as Calvin s profound insight wisdom and devotion reveal God s grace Excerpts from Calvin s commentaries were taken from the work done in the mid 1800s by the Calvin Translation Society Excerpts from Calvin s Institutes of the Christian Religion Of Prayer and On the Christian Life were taken from the work of Henry Beveridge 1845

*Poverty in the Theology of John Calvin* Bonnie L. Pattison,2006-11-01 It is the thesis of this study that in Calvin s theology poverty and affliction not splendor and glory mark and manifest the kingdom of God on earth Poverty makes the kingdom visible to the eyes and therefore recognizable as divine Poverty acts to reveal or disclose that which is spiritual or that which is of God in the Christian faith This does not mean that Calvin sees the condition of physical poverty as revelatory in and of itself Rather poverty and affliction function as agents of divine revelation They are a condition or a chosen instrument God uses to disclose to humanity the nature of true spirituality godliness and poverty of spirit How this is demonstrated in Calvin s thought depends upon the specific doctrine under examination This study explores three particular areas in Calvin s theology where his theological understanding of spiritual poverty and physical poverty or affliction intersect his Christology his doctrine of the Christian life and his ecclesiology

*Historical Dictionary of Calvinism* Stuart D.B. Picken,2011-11-11 Calvinism is named after 16th century Reformer John Calvin whose overall theology is contained in his Institutes of the Christian Religion 1559 Calvin s theology and ecclesiology provided the foundation upon which the Reformed Churches of Europe were built It was a comprehensive and carefully expounded alternative to the doctrines of the Roman Catholic Church and was designed to expose their weaknesses and present a view of the Christian Faith that was a reformed version of the old faith The Historical Dictionary of Calvinism relates the history of its founder John Calvin the Reformed Church and the impact that Calvinism has had in the modern world along with an account of modern and contemporary developments within the

religious political and social culture it has created This is done through a chronology an introductory essay an extensive bibliography and over 300 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for students researchers and anyone wanting to know more about Calvinism *Divine Accommodation in John Calvin's Theology* Arnold Huijgen, 2011-04-20 Arnold Huijgen analyses and assesses the idea of divine accommodation in John Calvin's theology He proves that Calvin's idea of accommodation was terminologically influenced by Erasmus while its content originated in patristic theology Though Calvin's idea of accommodation is multifaceted Huijgen subsumes and analyzes it in the light of the two main perspectives of pedagogy and revelation The pedagogical aspect relates to Calvin's understanding of salvation history and the relation between the Old and the New Testament In this perspective Christ as the mediator holds a central position The aspect of revelation focuses on Calvin's comprehension of God's nature which for him is behind God's revelation Calvin's understanding of accommodation implies a distinct dynamic to revelation which is disrupted by its static hierarchical ontology Huijgen points out the weaknesses of Calvin's idea of accommodation on the basis of modern critiques by Karl Barth Isaak August Dorner and Harry M Kuitert he also explores the viable points for present day theology Jesus Christ and Creation in the Theology of John Calvin Peter Wyatt, 1996-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburg Eduard Schweizer John Vissers Calvin's Political Theology and the Public Engagement of the Church Matthew J. Tuininga, 2017-04-06 In Calvin's Political Theology and the Public Engagement of the Church Matthew J Tuininga explores a little appreciated dimension of John Calvin's political thought his two kingdoms theology as a model for constructive Christian participation in liberal society Widely misunderstood as a proto political culture warrior due in part to his often misinterpreted role in controversies over predestination and the heretic Servetus Calvin articulated a thoughtful approach to public life rooted in his understanding of the gospel and its teaching concerning the kingdom of God He staked his ministry in Geneva on his commitment to keeping the church distinct from the state abandoning simplistic approaches that placed one above the other while rejecting the temptations of sectarianism or separatism This revealing analysis of Calvin's vision offers timely guidance for Christians seeking a mode of faithful respectful public engagement in democratic pluralistic communities today *Understanding the Divine in Early Modern Reformed Theology* Richard A. Muller, 2025-01-14 In Understanding the Divine Richard A Muller clarifies concepts and distinctions used by Reformed theologians of the sixteenth and seventeenth

centuries to discuss the essence attributes and Trinitarian nature of God He wipes away caricatures of Calvin and succeeding generations of Reformed theologians as revolutionary thinkers by showing where they retrieved their concepts the contexts that demanded them to employ those ideas and what they actually meant Reading these essays one comes to see the Reformed tradition as a conservative movement that developed patristic and medieval understandings of God in ways to address emerging problems and concerns of their day

**Calvin the Magistrate** George J. Gatgounis, 2021-01-29 The legal and political scenario of Calvin's day involved upheavals deriving from the force of religion upon law Whole cities provinces and states came under Reformation influence ranging from quiet individual conversions to Protestantism to the hysteria of community iconoclasm The transformation of these societies however was not moving away from a religious worldview rather the transformation was a movement of one religion to another In Calvin's day secularism pluralism and religious toleration were nonexistent Europe was not in the thrall of the question Should religion in public life be tolerated but rather Which religion should be enforced to the banning of all others Calvin was a driven man but a valid question drove him What is the true religion And deriving from the central question were corollaries What law is right law and What government is right government Calvin's trek would lead him to answers Calvin concluded that substantively a correct political and legal system derives from the Bible and procedurally the system is applied by democratically elected officials checking and balancing one another and his views were consistent with a Reformation consensus

**The Westminster Handbook to Reformed Theology** Donald K. McKim, 2001-01-01 Compact yet comprehensive entries on theological terms as understood from a Reformed perspective are contained in this book With pieces written by esteemed Reformed scholars this book gives easy access to a wealth of theological information and summarizes the most significant aspects of Reformed theology

**Calvin's Doctrine of the State** Mark J. Larson, 2009-01-08 Contemporary treatments of Calvin's political views often imply that he embraced a theocratic civil polity and that he was committed to holy war doctrine On the basis of the primary sources the first half of this volume argues that neither position is correct Calvin in his political thought maintained the superiority of a republic as a civil polity In addition he placed himself firmly within the medieval just war tradition that was established by Augustine of Hippo and later reaffirmed by Thomas Aquinas In terms of his commitment to classical just war teaching Calvin stood in continuity with Martin Luther even while he distanced himself from the holy war perspective of the Zurich Reformers Henry Bullinger and Peter Martyr Vermigli In the thinking of Calvin a war could only be authorized by the state not the church War had to be prosecuted with humanity and restraint and not in the tradition of the medieval crusade The second half of the book sets forth what Calvin actually believed on the matter of government and war Here we examine his teaching on parliamentary resistance to monarchical tyranny and the full dimensions of his commitment to justice of war categories Unlike Luther and Bullinger Calvin provided a parliamentary remedy for the perennial evil of tyranny With Vermigli and Theodore Beza siding with Calvin on this right a body of Reformed doctrine was established to which

succeeding generations could appeal for teaching direction and justification for taking up arms It is clear that Calvin s political legacy is profoundly evident in the American Revolutionary War and in the constitutional determination for a republic in the United States of America Calvin s ecclesiastical republicanism as it came to fruition in Presbyterian church government was a powerful impetus toward the creation of republican institutions in civil government      **Reformation**

**Readings of Paul** Michael Allen,Jonathan A. Linebaugh,2015-09-24 In light of recent interest in whether the Protestant Reformers interpreted Paul correctly this edited volume enables a more careful reading of the Reformers themselves Each chapter pairs a Reformer with a Pauline text and brings together historical theologians and biblical scholars to examine these Reformation era readings of Paul s letters      *Revelation in Christian Theologies of Religions* Iain McGee,2024-06-04 What are non Christian religions How is God related to them How do they relate to Christianity In this original book Iain McGee explores five Christian theologians answers to these questions The study spans the history of the church covering figures from four different continents Justin Martyr Augustine John Calvin Jonathan Edwards and Daniel Strange Focusing on the revelation religion interface in the writings of these scholars McGee outlines and analyzes their varied understandings of Logos illumination the prisca theologia and the demonic alongside the relationships between them and their impact on non Christian religion McGee forwards an argument that each theology can be considered a biblically informed contextually reflective and reactive response to significant religious challenges faced by these Christian thinkers in their attempts to demonstrate the uniqueness of the Christian faith
